Max Dutch Medford, 2023-01-16 Max By Dutch Medford The idea for this book came in the form of a dream that spurred the author into writing Max a spellbinding tale of a man finding a 7' tall black metal statue and a small black box made of the same unique material in a debris mound in a strangely formed gulch in Colorado Later he discovers that the little black box was the power source that brought the statue to life This is the story of David and Max's fearful first encounter and their eventual bond of friendship that leads the two to journey through the dark side of our Government's power and determination to capture the alien and David with the goal to discover and take position of the two alien crafts hidden somewhere in a chamber in the Colorado mountains This is book one of two books planned in this series Warning once you start reading this book you will not want to put it down

Live to the Max Kevin Dwares, 2016-10-23 My son Max Gold Dwares passed away on February 18 2004 from complications related to a bone marrow transplant that he had

on July 27 2001 to cure him of chronic myelogenous leukemia This book is Max s story as told by him and continued by me and captured by photographs by myself and other family friends in black and white and a few color photos as Max began his chemotherapy until his untimely demise at the tender age of twenty The book was in the initial stages by Max but stopped as Max grew sicker leading to his death Max asked me to continue his book shortly before he passed away as a tribute to everyone left behind but more importantly as a reminder that while disease can be brutal and take lives a positive attitude and faith can take you forward Faith comes in many shapes and flavors It doesn t matter what race or religion one is Max was born in the Jewish faith but believed we are all created equal in the eyes of God Max from an early age always seemed somewhat special What I mean was he had a unique ability to seem to get along with adults and understand how they felt He always knew what words to say to offer comfort and understanding This continued throughout his life This book while at times quite emotional and honest hopefully will serve as a guide for families going through a disease and how one reacts and lives through the process It s a story of hope and dreams of faith and questioning and of one s belief in the eternal God when death appears around the corner It s also a story of dreams and trying to attain them It s a story of how families rely and rally around each other when the times get rough It s a story of how someone battling cancer still needs to carry on and live life to the best and it s a story and testament to a young man who lived a short time but accomplished so much and has left a lasting legacy It s a story of how one s belief in God during good times and bad will serve as a beacon to guide one s spirit forward during the journey of life and life beyond

Wahby,2015-05-29 Max's Journal And The Shiniest Star In The Sky is a true story and a celebration of the life of a treasured pet named Max and his devoted companion Laura It has been written with honesty humor and integrity based on the writer's perception of what Max would feel and communicate and is artfully conveyed through the eyes and perspective of a dog Pet owners and animal lovers may identify with the special bond and unique relationship as described by Max in his journal and others may be amused and surprised by what a sweet and precious dog can teach you about loyalty and friendship He did not encounter cruelty hardship and abuse as sadly so many of his kind do but only an over abundance of pampering attention and love In fact after reading his journal you may want to come back in your next life as a dog **DJ Max** Lisa Forrest,2011-09-01 Maxine Phillips thinks she's got it all worked out She's found the future in the hard fast relentless bass lines that drive her forward and keep her safe from the past the mother she's never known her beloved grandmother who died just a few years ago and her grandfather Reg so trapped in his grief that he scarcely notices Max anymore Not that it bothers Max Reg would never understand her new life her dreams her new job as a DJ Once she and Reg were inseparable but now ironically they have been driven apart by their love of music And by the past of course rising up and filling the space inside the beat bursting Max's insides wide open with all the memories and what's the point of that Maxine Phillips is about to find out Uncle Max Rosa Nouchette Carey,2019-12-09 In Uncle Max Rosa Nouchette Carey crafts a compelling narrative that intertwines themes of familial loyalty social status and personal growth against the backdrop of Victorian England The story revolves around the titular character Uncle Max who embodies the complexities of a guardian's role within societal constraints Carey's literary style is marked by vivid characterizations and a keen exploration of gender dynamics reflecting the period's shifting perceptions of individual agency As the plot unfolds it deftly juxtaposes emotional depth with societal critique inviting readers to ponder the nuanced interplay between duty and desire Rosa Nouchette Carey a prominent novelist of the late 19th century is known for her keen insights into the lives of women and their struggles within the patriarchal framework of society Drawing from her own experiences and the societal norms of her time Carey encapsulates the inner lives of her characters with remarkable sensitivity Her personal background coupled with her literary influences positions her as a pivotal figure in the women's literature movement making Uncle Max a reflection of both personal and social considerations Readers seeking an engaging blend of romance moral dilemmas and social commentary will find Uncle Max to be an enriching exploration of human relationships Carey's masterful storytelling not only entertains but also serves as a mirror to the evolving identities of her time inviting contemporary audiences to engage with its timeless themes **The Confessions of Max Tivoli** Andrew Sean Greer,2007-04-01 From the bestselling and Pulitzer Prize winning

author of *Less* comes Andrew Sean Greer's extraordinarily haunting love story *The Confessions of Max Tivoli* told in the voice of a man who appears to age backwards. A Today Show Book Club Pick. We are each the love of someone's life. So begins *The Confessions of Max Tivoli*, a heartbreaking love story with a narrator like no other. At his birth, Max's father declares him a nisse, a creature of Danish myth, as his baby son has the external physical appearance of an old dying creature. Max grows older like any child, but his physical age appears to go backward on the outside: a very old man but inside still a fearful child. The story is told in three acts. First, young Max falls in love with a neighborhood girl, Alice, who ages as normally as any of us. Max, of course, does not, as a young man, he has an older man's body. But his curse is also his blessing, as he gets older, his body grows younger, so each successive time he finds his Alice, she does not recognize him. She takes him for a stranger, and Max is given another chance at love. Set against the historical backdrop of San Francisco at the turn of the twentieth century, Max's life and confessions question the very nature of time, of appearance and reality, and of love itself. A beautiful and daring feat of the imagination, Andrew Sean Greer's *The Confessions of Max Tivoli* reveals the world through the eyes of a monster, a being who confounds the very certainties by which we live and in doing so embodies in extremis what it means to be human.

Mary and Max, Alice E. Heaven, 2002. Mary is a wealthy woman in her late forties living with Max, a younger man in his twenties and very immature. They live in a very small town in Texas. She eventually meets and falls in love with a very wealthy older man, and together they buy a small western town. The reader will be amused at all Mary's antics in their relationship. Mary still cares for Max, but their relationship is not meant to be. Lumberjanes To The Max, Shannon Watters, ND Stevenson, Grace Ellis, 2016-09-13. Originally published in single magazine form as *Lumberjanes* No. 9, 12, 14, 17. Verso. *Max Lucado 2-in-1 (In the Eye of the Storm and Applause of Heaven)*, Max Lucado, 2010-07-20. This 2-in-1 collection includes two classic titles by Max Lucado: *In the Eye of the Storm* and *The Applause of Heaven*. About *In the Eye of the Storm*: One day in the life of Christ. Call it a tapestry of turmoil. A noisy pictorial in which the golden threads of triumph knot against the black frazzled strings of tragedy. Call it a symphony of emotions. A sunrise to sunset orchestration of extremes. One score is brassy with exuberance, the next moans with sorrow. Whatever you call it, call it real. Author Max Lucado calls it the second most stressful day in the life of our Savior. Before the morning becomes evening, Jesus has reason to weep, then run, then shout, the curse, then praise, then doubt. Within a matter of moments, his world is turned upside down. Sound familiar? The pink slip comes. The doctor calls. The divorce papers arrive. The check bounces. The life that had been calm is now chaotic. The world that had been serene is now stormy. Assailed by doubts, pummeled by demands. If you've ever wondered if God in heaven can relate to you on earth, then read and re-read this pressure-packed day in the life of Christ. It is the only day, aside from the crucifixion, that all four gospels recorded. Lucado has interwoven their accounts in such a way that you will be assured that God knows how you feel. And you will be assured that within every torrent, there is a calm center, a place you can stand when your world gets windy. *The Eye of the Storm*. About *The Applause of Heaven*. Find out how you can live a life of enduring joy and

satisfaction Do you long for a joy that can't be quenched A calm that can't be broken A happiness that can't be threatened There is such a joy and it is within your reach You can't open your Bible without reading about it You can't live a truly satisfying life without it It is a sacred delight a holy gladness And it's nearer than you think Jesus describes this sacred delight in the astonishing mountain message we now call the Beatitudes Pastor and New York Times bestselling author Max Lucado explores Jesus' prescription for enduring joy and the ways this familiar but revolutionary pattern of living can bless your life beyond your wildest imagining In *The Applause of Heaven* you'll discover that God promises a special blessing to The poor in spirit Those who mourn The meek Those who hunger and thirst The merciful The pure in heart The peacemakers The persecuted As you seek to live out the message of the Sermon on the Mount you'll find your biggest fan walking alongside you Imagine your best friend the King of kings in your cheering section and the applause of heaven ringing out just for you But don't just imagine it Open your heart to it Receive the heavenly joy of knowing the God who delights in you
