My Servant Moses:

Moses, the Servant of God Stephen Kaung, 2018-05-23 The life of Moses is most inspiring At a certain point in that life he was called by God to be My servant Indeed living for 120 years Moses servanthood was divided into three periods of 40 years each During the first 40 years Moses tried to serve God according to his own way which was the way he had learned from the world So during the second 40 years of his life which was spent entirely out in the desert wilderness of Midian Moses had to unlearn all he had learned previously and also he had to learn God Finally throughout the entire concluding 40 year period of his long life Moses was used by God as His faithful servant Let us see that like Moses in order to be able to serve God we must first unlearn all which we have learned from the world Then and only then can anyone serve God A true servant of God must be selfless and be absolutely obedient to God He may suffer incessantly from others but he will be approved by God And this is all that matters May we all learn to serve God as Moses did *My Servant Moses* Edwin Ray Cameron, 1937 On My Way Home Dencle McDonald, 2020-07-15 On My Way Home is part memoir part inspiration and insights drawn from the author's life experiences to highlight the practicality and power of surrendering one's life to the government of biblical principles faith love obedience to God's Word and intimacy with God At eighteen years old Dencle's journey takes a sudden dramatic turn and what began as a normal summer day in tropical Jamaica a few miles away from the world famous Negril beach ends with radical changes in the values and pursuits of this teenager One question led to another and before he could fully appreciate what was happening Dencle walked past his friends all the way to the front of the church knelt down and responded to the question that had firmly captured his mind and commanded this profound immediate response This marked the beginning of a life long quest to know God and to dig into the promise of a real God for real people In Part 1 of On My Way Home we are given a front row seat as we are allowed to examine the author's life and background Then in Part 2 he takes us with him on a journey of exploration as his life is transformed by his discoveries of God's character and makes a convincing case that we can have those same discoveries as well On My Way Home simplifies the fundamentals of Christian living The command to love the Lord and our neighbor for example is translated into a manageable slogan Love is primary everything else is secondary that we can easily remember and apply to everyday situations every point carefully explained so that the reader gets it This book makes us feel like a life of faith and intimacy with God is right at our fingertips ending with Dencle's glimpse of paradise and thoughts of home *The Englishman's Hebrew and Chaldee Concordance of the Old Testament* George V. Wigram, 1814 *The Englishman's Hebrew and Chaldee concordance of the Old Testament* [based on the unpubl. work of W. De Burgh, ed. by G.V. Wigram.] George Vicesimus Wigram, 1860 **Bewilderments** Avivah Gottlieb Zornberg, 2017-09-05 Through the magnificent literary scholarly and psychological analysis of the text that is her trademark Avivah Gottlieb Zornberg tackles the enduring puzzlement of the book of Numbers What should have been for the Israelites a brief journey from Mount Sinai to the Holy Land becomes a forty year death march Both before and after the devastating

report of the Spies the narrative centers on the people's desire to return to slavery in Egypt. At its heart are speeches of complaint and lament. But in the narrative of the book of Numbers that is found in mystical and Hasidic sources the generation of the wilderness emerges as one of extraordinary spiritual experience fed on miracles and nurtured directly by God: a generation of ecstatic faith, human partners in an unprecedented conversation with the Deity. Drawing on kabbalistic sources the Hasidic commentators depict a people who transcend prudent considerations in order to follow God into the wilderness where their spiritual yearning comes to full expression. Is there a way to integrate this narrative of dark murmurings of obsessive fantasies of a return to Egypt with the celebration of a love-intoxicated wilderness discourse? What effect does the cumulative trauma of slavery, the miracles of Exodus and the revelation at Sinai have on a nation that is beginning to speak?

In *Bewilderments*, one of our most admired biblical commentators suggests fascinating answers to these questions.
