analizar el proceso de conformación de la subjetividad moderna en relación con los universos del trabajo el consumo la educación y la familia examinando también cómo ha contribuido todo ello a conformar una determinada identidad pública y unas particulares vivencias y representaciones del tiempo Todo este proceso será tratado en relación con dos de las principales dinámicas que en tensión constante lo han acompañado Una tendente a romper continuamente los moldes de lo heredado rompiendo también con las instituciones que lo representaban para así poner en escena una individualidad que se quiere liberada de toda atadura con el pasado La otra vinculada a una conciencia subjetiva que paradójicamente sabe de la necesidad porque así ha sido socializada de que para conseguir esta liberación precisa de la integración en el entramado institucional que la propia modernidad ha conformado En las últimas tres décadas del pasado siglo estas dos dimensiones se han ido poco a poco separando hasta resquebrajarse rompiendo aquel equilibrio inestable Por las grietas que así se han abierto ha asomado la silueta del sujeto moderno Un sujeto que creyéndose liberado y queriendo liberarse con más fuerza que nunca de toda herencia anterior ha visto como ese deseo ya no hay nadie que lo contenga sino que por el contrario es aclamado por todas partes con la misma intención liberadora Lo que ha conducido a una creciente sensación de desarraigamiento también a una progresiva desconexión entre las generaciones Las dos primeras partes de esta obra estarán consagradas a analizar todo este proceso En la tercera se propondrá una reflexión sobre cómo enfrentar la situación en la que este proceso ha desembocado sabiendo que la liberación y la integración siempre se requerirán mutuamente para construir identidades más liberadas pero también más arraigadas Y aunque todo ello no nos liberará probablemente de los sacrificios y de las angustias que conlleva el vivir quizás nos permita enfrentarlos de otro modo con más razones para seguir viviendo provistos de promesas integradoras y liberadoras que trasladar a nuestros descendientes
