Schull,2015-12-15 Chilean poet Pablo Neruda was more than just a writer He was also an activist politician and Nobel Peace Prize winner Through direct quotations facts and excerpts of his work the life of Pablo Neruda is told in a way that is intriguing captivating and most of all inspiring *El quehacer docente* Vásquez Rodríguez, Fernando,2013-10-11 A partir de la combinación armoniosa del trabajo de aula y del trabajo de escritorio emerge en este nuevo conjunto de escrituras del profesor Fernando Vásquez la utopía de un maestro más exigente consigo mismo y con su oficio Con cada texto se entreteje una mirada distinta del quehacer docente

como oportunidad y desafío para ejercer el pensamiento innovar en las didácticas aplicar la inventiva y la creatividad recuperar la memoria pedagógica potenciar el talante investigador de una tarea docente que compite ya no solo en el ámbito local sino también en el regional y el internacional. Así ha quedado esa poca en la que en el país cualquier persona podía desempeñarse como profesor pues se creía que se nacía con el don casi mágico del arte de enseñar. Hoy se es consciente de que en cuestiones de docencia nadie nace sino que se hace. Para ser buen maestro hay que pasar por el aprendizaje riguroso de la profesión lo que conlleva la inmersión en largos años de estudio de pregrado y posgrado consagrados a profundizar en las artes didácticas en las teorías pedagógicas y en las disquisiciones propias de las ciencias de la educación.

Selected Poems of Pablo Neruda Pablo Neruda, 1961 Collection of poems by the Chilean poet contains analysis *Letras con sabor* Maria Angels Viladot, 2009 *Political Poetry in the Wake of the Second Spanish Republic* Grant D. Moss, 2017-12-06 From notions of art for art's sake to committed poetry it may seem that poets cannot achieve reconciliation between the politics and poetry. However among committed Communist poets of the 20th century of the Spanish speaking world three poets stand out as examples of a search to bring together their political and their poetic commitments: Rafael Alberti, Nicolás Guillén and Pablo Neruda. *Political Poetry in the Wake of the Second Spanish Republic* analyzes the simultaneous development of politics and poetics in these three Spanish language poets as it was nurtured by the Second Spanish Republic 1931-1939. Beginning in these years Alberti, Guillén and Neruda strove to tackle the challenge of committing to their own independent poetic projects and to their politics at the same time. Later these three poets maintained their Communist Party affiliation until their deaths and produced collections of quality poetry. Despite the differences in their overall poetic trajectories and projects the ability to maneuver between politics and poetry without sacrificing either one is common among them. Because of their unique experiences during the time of the Second Spanish Republic in Spain each author explicitly denounced the injustices that the opposing Francoist forces had committed against the Republic. After the fall of the Republic in 1939 Alberti, Guillén and Neruda continued to intertwine their politics with their poems only in a less obvious manner. Therefore each could solidify his position within the poetic canon while at the same time each could maintain his position as a committed or at least card-carrying Communist.
