Faith Building Nuggets for Ordinary People Maryellen Christmas,2020-06-04 Having faith and using it is essential towards pleasing God God has given every man a measure of faith Without faith we often fail to see God s miraculous power demonstrated Jesus Christ the same yesterday and today and forever Hebrew 13 8 is absolutely a true statement He is looking for people who will allow Him to work through them so that His name may be illuminated God will not overlook you He seeks to nd them who are willing and obedient For there is no respect of person with God Romans 2 11 Just as He used people in days of old from all walks of life He will do the same today People like you and me During the process He will develop His character in us He will use all who avail themselves to him as He strengthens them just as He strengthens those He used in Biblical times Ordinary People God is forever faithful to everyone who put his or her trust in Him Do not stand back while second guessing God Yes He still speaks to people Ask Him to keen your discernment of spirits that you may recognize His voice whenever He is speaking to you

Nuggets of Faith Beatty Carmichael,2022-04-11 This book is a compilation of personal thoughts and revelations I ve had during my devotion times with the Lord These are my thoughts as is thoughts originally written down for my own benefit And while I believe most of these Nuggets are inspired by the Lord and are for the most part theologically accurate some may be from my own thoughts especially as I work out my understandings on various topics I originally compiled these in book form primarily to share with family and friends in hopes they will benefit from them as much as I have It took five years to write these Nuggets Don t just read each one then move on to the next one Take a pen or highlighter mark things that stand out study and review each one and focus on it Read it as part of your devotion time and ask the Lord to help you see and understand the truths he wants you to know You ll see a pattern of progression with these Nuggets They are in chronological order of when and how the Lord gave them to me You ll see them go from simpler truths to deeper and more profound truths as the Lord deepens my understanding of his truths I pray that as you go through and study these Nuggets you will grow in deeper understanding of God s truths I pray they will help instill a deeper walk of righteousness in your life an increase in denying yourself and a greater pursuit of intimacy with

the Lord than you've ever experienced before. At the back of the book you'll find a handy index of each verse referenced in the Nuggets. This will make it easy to look up specific verses you may encounter as you read God's word and go straight to the Nuggets tied to those verses if you desire. My hope and prayer is you will get as much from these as I have personally. Be blessed. Beatty Carmichael

Bible Nuggets Jennings (Jay) Turner, 2024-01-18 I recorded these nuggets so that they may be an encouragement and blessing to others. When reading the Bible sometimes a thought or truth has seemed to me to be revealed. I have written down some of these in the hope that others might be blessed as they have blessed me. *Nuggets of Faith* John W. Schildt, 1997

The Logic of Faith Antonio L. McDaniel, 2011-08-24 Behold, I give you faith. Now you have the ability to move and live and breathe in confidence that everything you touch will work; all that you think about will become a positive influence and change lives; you will even become wealthy in the process. It would be absolutely wonderful for God to make that pronouncement to us, and it becomes so. Fortunately, and to what may be the ultimate paradox, the kind of faith we seek will only come by trials, perseverance, and yes, it is a journey that we all must take. Faith increases as it is used and grows exponentially when it is tested. The true depth of these tests of faith does not come because you decide to seek or pursue God; more, these tests come because faith is alive and demands to be fed, even challenged. Admittedly, faith does appear to be somewhat illogical, but most goals or feats of greatness are often met with resistance. In the end, when the goal has been met, the feat obtained, and the journey completed, it is only then, in clear hindsight, that you realize that this was a test of your faith. Subsequently, as you reflect on your travels, you think about all the things that you would have changed or done differently, only to later realize that if things were different, you may not be who you are. The Logic of Faith is a reasonable step along the path of your journey through personal experiences, some good, some not so good. I share my experiences and trials of faith so you can be enlightened and encouraged as you continue on your journey of understanding. Once you embrace and unite with your faith, the world will truly become your oyster, and it will not matter where you are or what you are facing. My wife Phyllis and our two sons, Ryan and Corban, are enjoying our journey of faith together, a journey that currently has us residing in Katy, Texas, and a faith that
