Velarde Tiller,1996

Nevada Myths and Legends Richard Moreno,2019-09-01 From the mystery of a U S Senator s death was he kept on ice until after the election to a haunting of the Governor s mansion this selection of fourteen stories from Nevada s past explores some of the Silver State s most compelling mysteries and debunks some of its most famous myths *Violence over the Land* Ned BLACKHAWK,2009-06-30 American Indians remain familiar as icons yet poorly understood as historical agents In this ambitious book that ranges across Utah Nevada New Mexico Colorado and eastern California a region known as the Great Basin Ned Blackhawk places Native peoples squarely at the center of a dynamic and complex story as he chronicles two centuries of Indian and imperial history that profoundly shaped the American West On the distant margins of empire Great Basin Indians increasingly found themselves engulfed in the chaotic storms of European expansion and responded in ways that refashioned themselves and those around them Focusing on Ute Paiute and Shoshone Indians Blackhawk illuminates this history through a lens of violence excavating the myriad impacts of colonial expansion Brutal networks of trade and slavery

forged the Spanish borderlands and the use of violence became for many Indians a necessary survival strategy particularly after Mexican Independence when many became raiders and slave traffickers Throughout such violent processes these Native communities struggled to adapt to their changing environments sometimes scoring remarkable political ends while suffering immense reprisals Violence over the Land is a passionate reminder of the high costs that the making of American history occasioned for many indigenous peoples written from the vantage point of an Indian scholar whose own family history is intimately bound up in its enduring legacies **Assimilation, Resilience, and Survival** Samantha M. Williams, 2022-05

Assimilation Resilience and Survival illustrates how settler colonialism propelled U S government programs designed to assimilate generations of Native children at the Stewart Indian School 1890 1980 The school opened in Carson City Nevada in 1890 and embraced its mission to destroy the connections between Native children and their lands isolate them from their families and divorce them from their cultures and traditions Newly enrolled students were separated from their families had their appearances altered and were forced to speak only English However as Samantha M Williams uncovers numerous Indigenous students and their families subverted school rules and tensions arose between federal officials and the local authorities charged with implementing boarding school policies The first book on the history of the Stewart Indian School Assimilation Resilience and Survival reveals the experiences of generations of Stewart School alumni and their families often in their own words Williams demonstrates how Indigenous experiences at the school changed over time and connects these changes with Native American activism and variations in federal policy Williams s research uncovers numerous instances of abuse at Stewart and Assimilation Resilience and Survival addresses both the trauma of the boarding school experience and the resilience of generations of students who persevered there under the most challenging of circumstances Trenton Canyon Mining Project , 1998
