Nightingales Under the Mistletoe: Christmas 1941 and the Nightingale nurses are facing their toughest winter yet. With shortages everywhere and each news bulletin announcing more defeats and losses the British people are weary and demoralised and The Nightingale Hospital is suffering too. Millie is recently widowed and dealing with the demands of her family's estate. It's not long before her old world of the Nightingale begins to beckon along with a long lost love. Jess would rather be nursing on the front line but finds herself sent to the country. It isn't long before the East End girl discovers there are battles to be fought on the home front too. Effie finds herself exiled to a quiet village but the quiet doesn't last for long as she soon finds excitement in the shape of a smooth talking GI. As Christmas approaches even the shelter of the countryside can't protect the girls from heartache.

The Silent Child Jeanne Magagna, 2018-05-08. This book arose out of the need to work with emotionally regressed non talking children who entered hospital in full retreat from the external world. It helps parents and professionals compassionately comprehend the child's difficulties in depending on someone to receive communication.

Islander people are warned that the cover and inside pages of this book contain images of people who have died We pay our respects to those who have passed away The Aboriginal tribe the Yolngu of North east Arnhem Land had always fiercely resisted intruders into their little known and untamed country Why then did Methodist missionaries seek them out One answer could be due to the Bible another could be that by the 1920s the future of the Aboriginal Yolngu people of North east Arnhem Land was dire due to European contact throughout the country What did happen to the Yolngu living by their own laws at the time of the arrival of the first Christian mission balanda foreigners who settled into Yolngu land Yolngu Rom law was enforced by the spear until the arrival of the missionaries carrying their Bibles and Crosses Although the missionaries were few the Australian Police then began to visit support new western laws that were being introduced to the Yolngu Justice was meted out by law courts and enforced by the power of the gun When the law was broken there was the possibility of imprisonment or even capital punishment With the arrival of the Methodist Overseas Mission offering modern conveniences and living conditions for the Yolngu other Yolngu clans living on the mainland became attracted to the idea of settling at Milingimbi The Methodist Mission became a buffer between the Yolngu and the encroaching dominant western society Yolngu communities began to grow and prosper unlike Aboriginal communities down south There the Europeans had fenced tribal lands and disempowered the Aboriginal people who had died in large numbers By the 1920s Europeans considered Aboriginal people to be a dying race which of course was incorrect
