As a group they return to the forest but find nothing—no sign of a crash at all. Dollie knows what she saw though. Something fell to earth and she's going to find out what. A few days later she returns to the scene. She sits on a log and waits eventually calling out to see if anyone might answer. Her voice reveals a set of tiny ears sticking up out of the leaves and with a careful approach Dollie discovers a small rabbit. This rabbit though is unlike any she's ever seen. He has strange ears, his name is Willie and he appears to be an alien from outer space whose spaceship unfortunately crashed. Willie is whip smart and clever. He soon takes Dollie, her mother and their friends on an unforgettable adventure that is truly out of this world.

But Kat's worried that she and her bone marrow may not be up to the job. She can't even complete homework and she's facing other rejection, lost friendships, a lost spot on the soccer team, and lots of heartache from her crush on her former best friend Evan. Kat doesn't know if her bone marrow will save Beep or whether she can save herself. Let alone keep her promise to Beep that she'll enjoy life and always eat dessert first. *Dessert First* is a funny, moving story about coping, appreciating sweetness, and learning to forgive.

This Changes Everything Tyler Merritt, 2025-01-14. From the author of *I Take My Coffee Black*, a sobering, humorous memoir about learning to let go and embrace the sanctity of life after being diagnosed with cancer. When Tyler Merritt was diagnosed with cancer, everything he thought he knew about what mattered in life changed. *This Changes Everything* is a humorous and optimistic love letter to this beautiful life. Though he made it through a highly invasive surgery and thought he was in the clear, Tyler soon realized that the cancer had other plans.

It wasn't a question of if the tumor would come back for an encore his doctors told him It was a question of when Laced with Tyler's trademark humor love of pop culture and arguably too many musical theater references *This Changes Everything* is a story about how wrestling with the idea of death can birth a whole new outlook on life how we live it and the urgency that comes when you grasp that time is a precious commodity
