*The Young Nurse (A Gay Love Story)* Raiden King, My marriage to my wife ended once the kids left the house All of a sudden we didn't know each other We divorced It was amicable It's not exactly a new story Here I am forty three and in shape Not to get too cocky but let's just say I'm the kind of man my age who is very eligible The problem Every woman I've dated I've had no interest in What exactly is wrong with me Then I got sick I had to stay in the hospital That's where I met Taden my young handsome male nurse And everything in my life changed He asked if I needed help getting into the shower and he helped me undress His touch lingered on my skin like electricity But I'm not gay I'm attracted to women So why do I find myself thinking about Taden every waking minute Why do I fantasize about him in my dreams And why do I desperately want to tell him so he can touch me again The Young Nurse is a steamy explicit stand alone M/M gay romance book that depicts a budding passionate and unexpected love a man learning new things about his sexuality pain temptation and a happy ending

*Avalanche: A Love Story* Julia Leigh, 2016-08-01 An intensely personal narrative of loss hope and longing for a child In this brave and lucid account Julia Leigh broaches a challenging life event often left undiscussed how the struggle to have a child can take an agonizing toll Leigh's experience at the vanguard of medical science is acutely rendered physically and emotionally transmitting what it feels like to so desperately wish for a child while knowing that the odds are stacked against you From the daily shots she puts herself through at home to hopes raised and dashed and finally to the decision to stop treatment Avalanche bears witness to Leigh's raw desire suffering strength and in the end transformation a shift to a different kind of love The reader looks behind the scenes of a clinic and discovers how things really work reality is a far cry from the slick marketing of the billion dollar infertility industry As for so many women Leigh's treatment failed but her ghost child lingers in memory

*The Nurses* Alexandra Robbins, 2016-04-19 A New York Times bestseller A funny intimate and often jaw dropping account of life behind the scenes People Nurses is the compelling story of the year in the life of four nurses and the drama unsung heroism and unique sisterhood of nursing one of the world's most important professions nurses save lives every day and one of the world's most dangerous filled with violence trauma and PTSD In following four nurses Alexandra Robbins creates sympathetic characters while diving deep into their world of controlled chaos It's a world of hazing nurses eat their young Sex not exactly like on TV but surprising just the same Drug abuse disproportionately a problem among the best and the brightest and a constant temptation And bullying by peers by patients by hospital bureaucrats and especially by doctors an epidemic described as lurking in the shadowy dark corners of our profession The result is a page turning shocking look at our health care system

*A Love Affair with Cancer* John W. Pattison, 2006-08 For anyone a cancer diagnosis elicits fear and an explosion of emotion John W. of cancer and its mind numbing consequences A true yet poignant and tearful story but also funny and inspirational Everyone needs inspiration in life and John was no different Throughout his journey his was music and a band called Hawkwind and who remained a constant driving force during his troubled cancer journey His fate was woven into the tapestry of life On more than one occasion he was forced to confront his own mortality yet he made something of an unexpected recovery but only eight years after that recovery he is devastated by the news that all parents fear his daughter has terminal leukaemia leaving him once again to walk the long lonely road of emotional turbulence However despite the opinion of the medical experts Donna goes into a spontaneous remission to become an international swimmer A unique chronicle unlike any other cancer story ever told Cancer took hold of his life and manipulated it into what he has become today a clinical nurse specialist in haematology caring for other individuals with the same cancers that he and Donna had suffered many years earlier it truly is a love affair with cancer A story of heart warming exuberance that will stimulate every emotion **A**

Rosaria,2022-07-21 This is a dissertation that focuses on the nurse in connection with the child and family It also explores the numerous descriptions of the nurse in Greek art along with the investigation of Greek classical literature and the inscriptions to ascertain and present the position and characteristics of the nurse as a contribution to the private life of the Greeks The subject here dealt with is viewed solely from the social standpoint though the writer recognizes its value from the literary and psychological sides [A Nurse's Story](#) Tilda Shalof,2010-02-05 The team of nurses that Tilda Shalof found herself

working with in the intensive care unit ICU of a big city hospital was known as Laura s Line They were a bit wild smart funny disrespectful of authority but also caring and incredibly committed to their jobs Laura set the tone with her quick remarks Frances from Newfoundland was famous for her improvised recipes Justine the union rep wore t shirts emblazoned with defiant slogans like Nurses Care But It s Not in the Budget Shalof was the one who had been to university The others accused her of being sooo sensitive They depended upon one another Working in the ICU was both emotionally grueling and physically exhausting Many patients quite simply were dying and the staff strove mightily to prolong their lives With their skill dedication and the resources of modern science they sometimes were almost too successful Doctors and nurses alike wondered if what they did for terminally ill patients was not in some cases too extreme A number of patients were admitted when it was too late even for heroic measures A boy struck down by a cerebral aneurysm in the middle of a little league hockey game A woman rescued too late from a burning house It all took its toll on the staff And yet on good days they thrived on what they did Shalof describes a colleague who is managing a crashing patient I looked at her Nicky was flushed with excitement She was doing five different things at the same time planning ahead for another five She was totally focused in her element in control completely at home with the chaos There was a huge smile on her face Nurses like to fix things If they

Morgan,2021-03-14 This book was birth out of a burning desire to share a little girl's dream to orchestrate and compose her destiny The evidence of being orphan gets you to thinking fast deep and methodical I want to take you on a journey of a child very much aware that the odds of having a decent life was going to dim to dead and that life was not going to be a bowl of cherries if she didn't pick those cherries herself     **The Nurse in Greek Life ...** Sister Mary Rosario Gorman,1917     **Detective Inspector Huss** Helene Tursten,2003 Detective Inspector Irene Huss is called to the scene of an apparent suicide A wealthy financier he was connected through an old boys network to the first families of Sweden But the society suicide turns out to have been a carefully plotted murder     *The Unveiled Mind of a Nurse* Esther Faye Warren,2000-12 Imagine reading an account of childhood suffering and its emotional spiritual intellectual and ultimately physical impacts by someone who has not only conquered its ill affects but has treated others with similar struggles and now offers her own education and wisdom in this beneficial volume The Unveiled Mind of a Nurse is a searing honest account of one woman's journey through the darkness of child abuse including but not limited to sexual abuse its outgrowth into incest and ultimately into severe adult confusion manifesting itself in psychological disturbances and physical desolation Warren says Despite the fulminating outplay of sexuality during manic depression with schizoid thoughts I do consider sexuality a physiological and emotional need when maturity ensues And Warren's strong spirit with the help of loving friends and family bonds has carried her through the bleak times and helped her persevere beyond recovery to complete this book In spreading her hard earned wisdom Esther Faye Warren hopes to help others learn to break the chain by breaking the patterns implicitly learned in abusive situations and reversing that behavior against the odds     *New York Court of Appeals.
