## **Nutrition And Climatic Stress With Particular Reference To Man:**

**Nutrition and Resistance to Climatic Stress** Harold Hanson Mitchell, Marjorie Edman, 1949     Nutritional Needs in Cold and High-Altitude Environments Committee on Military Nutrition Research, Institute of Medicine, 1996-05-29 This book reviews the research pertaining to nutrient requirements for working in cold or in high altitude environments and states recommendations regarding the application of this information to military operational rations It addresses whether aside from increased energy demands cold or high altitude environments elicit an increased demand or requirement for specific nutrients and whether performance in cold or high altitude environments can be enhanced by the provision of increased amounts of specific nutrients     **Nutritional Needs in Hot Environments** Institute of Medicine, Committee on Military Nutrition Research, 1993-02-01 This volume examines the current state of knowledge concerning the influence of a hot environment on nutrient requirements of military personnel A parallel concern is ensuring that performance does not decline as a result of inadequate nutrition The committee provides a thorough review of the literature in this area and interprets the diverse data in terms of military applications In addition to a focus on specific nutrient needs in hot climates the committee considers factors that might change food intake patterns and therefore overall calories Although concern for adequate nutrition for U S soldiers in Saudi Arabia prompted the initiation of this project its scope includes the nutrient needs of individuals who may be actively working in both hot dry and hot moist climates     **National Nutrition Policy Study, 1974** United States. Congress. Senate. Select Committee on Nutrition and Human Needs, 1974     Research in Foods, Human Nutrition, and Home Economics at the Land Grant Institutions United States.
