United States National Museum, Victor Burke, 1962 Revision of the Fishes of the Family Liparidae , 1930 **Revision of
the Fishes of the Family Liparidae (Classic Reprint)** Victor Burke, 2018-02-25 Excerpt from Revision of the Fishes of the
Family Liparidae Descriptions The specific descriptions are written in a uniform manner in order to facilitate comparisons In
the measurements the length is given in millimeters and refers to the distance between the tip of the snout and the tip of the
caudal fin The other measurements are given in tenths Of the length Of the body minus the caudal fin and of the length Of
the head The comparative measurements Of certain parts proved to be of little or no value Of these some have been included
and others omitted Of those omitted we refer to the length Of the caudal fin snout to dorsal snout to vent pectoral to dorsal
interorbital width and disk to vent We have omitted some measurements in the species Of one genus and included them in
the species of other genera because they proved to be Of greater value See diagram illustrating the method of taking
measurements The number given after Locality refers to Alba tross stations unless otherwise stated About the Publisher
