Santiago A Myth Of The Far Future:

Santiago Michael D. Resnick, Mike Resnick, 1986 Songbird a bounty hunter Virtue Mackenzie a free lance reporter and the Swagman a jewel thief all search for Santiago a mysterious outlaw out on the Galactic Rim **Santiago** Mike Resnick, 2022-09-13 When you're the most wanted man alive your legend never dies An adventure of interplanetary law and disorder from the multiple Hugo and Nebula Award winning author Santiago is a legend known far and wide across the galaxy as the greatest killer and thief alive He's the subject of songs the faceless wanted poster on the wall the bogeyman that parents name to scare their children into behaving And he's the target of every bounty hunter in the universe Sebastian Nightingale Cain has quite the reputation himself Known as the Songbird he's a former revolutionary who has killed hundreds of criminals for the right price But one has always eluded him Santiago Now Cain has gotten a lead on the elusive outlaw and it's too hard to resist In a race against a rival bounty hunter Cain's quest will take him to the far flung Frontier planets where he'll encounter aliens and evangelists journalists and cyborgs all of whom have a stake in finding or protecting Santiago But unraveling the threads of Santiago's life might get Cain tangled up in something far bigger than he ever imagined This is one of those once in a lifetime never to be duplicated stories that ensnare you in such a wondrous universe that you never ever want to leave It will spawn a half dozen sequels and two dozen or more imitators that will feed on our enrapture but there will be only one Santiago The Evening Sun *The Return of Santiago* Mike Resnick, 2004-04-19 They say his father was a comet and his mother a cosmic wind that he juggled planets as if they were feathers and wrestled with black holes just to work up an appetite They say he never slept that his eyes burned brighter than a nova that his shout could level mountains That he killed a thousand men and saved a hundred worlds They called him Santiago Bandit assassin rebel thief he strode across the galactic rim blazing a legend as rich and wild as the Inner Frontier itself Then at the height of his glory he vanished leaving behind a trail as elusive as starlight in the empty realms of space Now a century later the name of Santiago is once again whispered along the Galactic Rim *The Return of Santiago* Mike Resnick, 2022-09-13 There's a new bard in the galaxy and he's looking for a hero The Hugo and Nebula Award winning author returns to the frontier that spawned a legend Danny Briggs is a simple yet conflicted thief To successfully ply his trade Briggs can't draw attention to himself but he longs to do something worth remembering Luck is on his side when he hits the mother lode discovering the original manuscript of the balladeer who wandered the spaceways a century ago recording the adventures of larger than life heroes villains and misfits including Santiago Briggs doesn't want to sell the manuscript he wants to add to it All he needs is his century's version of Santiago a man who may be on the wrong side of the law but the right side of justice To find this protagonist Briggs partners up with Santiago's last descendant a dancer named Waltzin Matilda They comb through the universe's good bad and ugly looking for a new folk hero to inspire the masses It's not easy but Briggs is willing to pay the price even though there's one on his head Pecos Bill and Wild Bill Hickok would feel right at home with such characters as

takes us back to his wild and wooly Inner Frontier in this tall tale of an adventure novel On the planet Henry II orbiting the twin suns of Plantagenet and Tudor at the very edge of the great black hole at the center of the Milky Way there is a tavern called The Outpost Through the doors of The Outpost have come the greatest heroes villains and adventurers of the galaxy to drink to brag and to swap tales The Outpost is neutral territory where fighting is forbidden and blood enemies can have a drink together and tell stories of battles past After all bounty hunters con men itinerant preachers thieves and assassins have more in common with each other than they do with the rest of the mundane galaxy But their pleasant life of recalling murder and mayhem is interrupted by an alien invasion and to save their way of life these rugged individualists must try to work together for a change [Resnick at Large](#) Mike Resnick, Robert J.
