Wisdom for Life Nuria Calduch-Benages, 2014-04-01 Professor Maurice Gilbert SJ is widely acknowledged as one of the leading authorities on biblical wisdom literature in particular the Book of Ben Sira and the Wisdom of Solomon on which he has produced many publications This Festschrift the third one in his honor brings together twenty four essays written by both established scholars who are friends and colleagues of Professor Gilbert and younger members of the field who wrote their doctoral dissertation under his guidance at the Pontifical Biblical Institute in Rome There he was rector 1978 1984 and full professor until his retirement 1975 2011 The volume is divided into six main sections focusing respectively on Proverbs Job Qoheleth Sirach Wisdom of Solomon and Psalms Some essays display rigorous attention to textual and linguistic issues whereas others deal with more theological questions fear before God joy in Qoheleth arguments for justice in Wisdom of Solomon or focus on the comparison between two books for instance Qoheleth and Sirach Sirach and Genesis Sirach and Tobit , *Meditation on the Divine Legitimacy of Man* Bogdan J. Wnuk, 2009-07-02 Meditation is the result of departing from and returning to Christianity It is about tasting again the salt of Jesus teachings and rejoicing in imitating him in our eternal life which for us christians begins down here on earth and will continue on in heaven The Catholic Church which I served as an altar boy from the age of 6 to the age of 18 made me a legalistic robot with little or no free will I was engulfed in guilt and despair that I will never amount to anything good spiritually One day I quit trying to become a good catholic and went on a journey of discovery of other more attractive religions only to find along the way that Jesus is the way **Visions of Eternity** Michael R Bundy, 2017-06-20 sions of Eternity is the companion volume to Prophets without Honour Matador 2011 which explored the forgotten melodies of Charles Marie Widor Louis Vierne and Charles Tournemire The present work continues that study but with regard to the largely unknown choral works and operas by these same composers it also expands upon the mores of Parisian Musical society 1870 1939 and discusses in greater detail than before the prevalent influences and restrictions which might have had a bearing on a young composer Widor s printed and unpublished works are discussed as are those of his pupil Louis Vierne alongside a more detailed and possibly provocative discussion of the latter s life and loves and their relevance to that composer s compositions His completely unknown cantate lyrique Praxino is also revealed The greater part of Visions of Eternity is given over to a discussion of the influences that affected another of Widor s pupils Charles Tournemire in both temporal and theological terms His individual musical language discussing both his use of traditional Latin and Indian chants quixotic character and amours are also investigated This is a book of great musical relevance for it deals with composers and issues which greatly influenced later French musicians particularly Maurice Durufl Jean Yves Daniel Lesur Jean Langlais and Olivier Messiaen these in turn passed their knowledge to more contemporary composers Whilst this book has been researched in great depth its content is delivered with a light occasionally humorous touch This is not a dry academic work but one for both the cognoscenti and enthusiast alike **Jeering Dreamers** John
