Satan's Boots Don't Creak Don Lewis,2012-04-18 JD Banks a highly respected defense attorney in Manchester Pennsylvania agrees to defend the case of a man accused of murdering his wife Believing in the innocence of his client despite the mounting evidence against him Banks knows intuitively that the facts don t add up and that nothing is as it seems Could the killer be the person who was having an affair with the victim while her husband was in prison Did she know too much about her employer s involvement in an illegal scheme worth millions Was she aware of court corruption in Manchester Does the blame fall on the victim s association with a liberal woman s group Was the Mob somehow involved When Banks gets too close to the truth roadblocks are set up by a police department rife with corruption and mob warnings against continuing the investigation A suicide and two more murders all frustrate the search for the truth The most baffling case of Banks career takes a serpentine course through plots and sub plots riddles and an explosive trial to a shocking conclusion

*Devils in Sunday Hats* Joseph D'Urso, 2018-01-19 12th ANNUAL NATIONAL INDIE EXCELLENCE AWARDS FINALIST IN GENERAL FICTION God's pious found their Promised Land in backwater Clemency AL where decades pass without change and dreams go to die Hypocrites masquerade as saints thieves as benefactors and their children pay the price Levi works a dead end job to support his churchgoing alcoholic mother and wonders why he's been left behind Jonah's going nowhere held back by long lost glory days and an inglorious future But when Levi's affluent neighbors move back to town and Jonah gets to know the Reverend's darling daughter the future's looking brighter than ever However in living a tale of redemption coming of age and the death of the American dream they soon learn that the light at the end of the tunnel isn't always something to follow After all how can one be saved when all the preachers are just devils in Sunday hats

*The Games with Devils Are Over* Lucien Nzeyimana, 2012-03 This book is about love hate disappointment and betrayal Eros is represented by Jack's love towards Nikita His attraction to Nikita embodies the force of love The counterpart was hate as Nikita's feelings were all directed to the opposite side killers of her father brother and ex boyfriends Philia and agape helped Jack get along with his destroyers and rivals Jack is also fond of people who do the right thing His case is an example of true forgiveness He saw Dick Geram and Juvenhack as human beings worthy of respect He forgave and loved the very people whose desire was not only to destroy his family but also to annihilate a group of people Though Jack never liked their actions since childhood he still treated them with kindness love and respect Jack's life was marked by a conflict between folly and resignation Folly is portrayed by evils of oppression and dictatorship of Evildoers who ruled the postcolonial Burundi The main character of Dickson Rushatsihori is presented as the symbol of evil the prototype of Evildoers He is a rigid and corrupted individual who would never wish peace to his fellow citizens Rather than seeing Burundians living in harmony with one another this proponent of the status quo would only wish evil chaos and anarchy to his country The theme of folly is also

depicted in Jack's relationship with Nikita Chissocco. It is illustrated by Nikita's betrayal of his love for her. Nikita expresses her folly through abusive language, domestic violence, infidelities, and her collaboration with Evildoers such as Dick Juvenhack, Zim, and Geram to destroy her husband's dignity. Jack was forced to a war for the liberation of his mind, imprisoned in his own house. He hoped that folly and resignation would eventually coil up. He would not accept that his destiny was to suffer all his life. Folly and resignation finally collided, forcing Jack to defend his honor and dignity. By breaking up with Dick and Nikita's folly, he liberated himself from a heavy burden. He pulled himself together to reconstruct his life with more strength and courage. This captivating story is an account of one's life, yet it will touch those of so many. Not only does it bring into the fore the injustices of this world, it also shows that no matter what life throws at us, we all seek love and closeness with another human being.

*The DeVine Devils* by Jeremy Spillman, 2019-09-24, a dizzying adventure. One that deals with life, death, humor, loss, prejudice, love, and of course, music. I very simply loved it. Eric Church. It's the 1800s, a time when the Wild West earned its name. Young brothers Audie and Shane DeVine have settled into life with their missionary father at an Apache camp when they barely escape a brutal massacre by the US Army. Swearing vengeance, they spend the next decade of their lives with the Apache, honing their skills in music and in fighting with deadly accuracy. The DeVine Devils unwittingly become the most famous band of their time, thundering out a rhythm on guitar and drums that brings them notoriety, whiskey, women, and trouble. Will the brothers abandon their promise of revenge for a life of fame and fortune? Or will they use their talents to execute savage retribution? Follow the DeVine Devils on their dangerous and dark journey, filled with colorful characters and compelling music. This adventurous tale will have you hoping the words and music never stop. Jeremy does an amazing job of using that musical bond as a backbone to a dizzying adventure, one that deals with life, death, humor, loss, prejudices, love, and of course, music. I very simply loved it. Eric Church. Country Music Artist. The DeVine Devils is an exceptionally well-written and fantastically entertaining novel. Jeremy Spillman shines as an author with this release, pushing forward a fast-moving and wholly engrossing narrative, particularly in the dialogue of his characters. The plot is original, something that's not easy to find when talking about Western literature. Readers' Favorite. Prolific country songwriter Spillman moves into narrative fiction with a unique spin on the Wild West genre, combining outlaw violence with rock star fame. Nonstop action with two murderous heroes that Western fans will love. Kirkus Reviews. I read Jeremy Spillman's book because I know him and am a fan of his as a songwriter and as a man. I also love westerns, although they usually disappoint me as they are often formulaic and have no interesting female characters. I may have opened Jeremy's book with a sigh of trepidation, but I closed it with a sigh of true disappointment that it was over. It is funny, unpredictable, musical, mysterious, and yes, there are strong female characters. Badass, even. You will not have read another Western like it. Enjoy. Mary Steenburgen, Academy Award-winning Actress and Film Producer. I've been a fan of Jeremy Spillman as a songwriter for as long as I can remember. Like his songs, his debut book illustrates the perfect landscape across the imagination. You can almost feel the midwestern heat on your skin.
