On Pain and Suffering Abba Hasan,2024-04-08 Driven by a detailed hermeneutical investigation of the Qur'anic story of creation this book questions the hybrid Biblical Qur'anic narrative that gradually erased the lines that define the authentic Qur'anic account Abba Hasan argues that humanity's divine status is the bedrock from which to investigate the meaning of human religiosity and address the problem of pain and suffering The detailed analysis in this book answers many linguistic and logical pending questions in the Qur'an and is a serious departure from popular Muslim narratives that seek to alleviate our pain and suffering **Disease Is an Expiation of the Sins** Dr. Mira Bajirova,2019-07-29 Disease is an expiation of the sins Every sin is a disobedience to God The sins involve the evil jinn demons When a person commits the sin a black spot appears on his heart If he repents asks for the forgiveness gives up with the sins restores the people's rights and honor who

were wronged and follows the Qur'an and Sunnah Almighty Allah will purify his heart But if a person continues with the sins his heart will become black and he will be doomed Indeed there is in the body a piece of flesh which if it is sound then the whole body is sound and if it is corrupt then the whole body is corrupt It is the heart Bukhari Unquestionably by the remembrance of Allah hearts are assured Qur'an Ar-Rad 13:28 Sins remove God's blessings life health fertility wealth provisions knowledge memory Refraining from the sins is more important than performing good deeds Whatever is good is from Allah while evil and sin are from ourselves and Satan Fatwas of Ibn Baz The only one God Allah the Creator of the heavens and earth and everything between seen and unseen sent the Noble Qur'an and His last messenger to all mankind as a healing for what is in the breasts and guidance and mercy and warning about the day of judgment and hellfire No calamity has descended except by disobedience and no calamity is repelled except by repentance Ali Ibn Abi Talib Know for certain that when you break no one will heal you except you Ibn Al-Qayyim More than 90% of the diseases are caused by the evil jinn but doctors have no knowledge Healthcare needs serious reform as went astray instead of healing it contributes to the progression of the disease and death as it excites the hidden evil jinn and excited jinn spread more the disease Satan can be cast out only by Ruqya and Negative Ions both in the Noble Qur'an The Ultimate Cure from all diseases is with Almighty God Ruqya Negative Ions and Prophetic Medicine Whoever abandons the Qur'an would abandon treating sickness and seeking healing through it Ibn Al-Qayyim

The Explanation of the Qur'an Is Allah's One Religion Book Al-Masri, 2020-08-18 My explanations are only an attempt to present this Holy Miracle Book This interpretation trial to extract the exact deep meaning of these texts verses ayah and surah of this Final Testament Quran This attempt is for every one searching for the truth in this world in a mannerly civilized dialogue while respecting each others beliefs and looking for the real second birth for each one of us Since no one has gotten the chance to read about all other faiths this Miracle Book will bring to you all this information which will lead us to find the One Religion Allah SW wanted the Quran to be a miracle and proof It was sent as a challenge for the non-believers And if you want to challenge someone to prove superiority you must challenge them in something they excel at You cannot challenge a weak or disabled person in weightlifting which would prove nothing You have to challenge a weightlifter So when the Quran came and challenged the Arabs in their own language and prevailed it did not mean that the Arabs at that time were weak in language arts To the contrary it is a testimony that they excelled in their language and mastered it at a high Shakespearean level So when the Quran prevailed over them linguistically it became a real triumph The purpose of the revelation of the Quran was not to reveal scientific explorations or to explain the secrets of creation These matters remain hidden in its verses and are revealed in their proper time It is when the scientific minds are active in the search and study of such areas that Allah SW makes these verses shine with their true meaning This makes each scientific revelation in the Quran more appropriate for its time and more impactful as it is delivered when the scientific minds are ready for it The Prophet left the explanations of the Quran which are not related to matters of duties and religious law to

be revealed by time This real story with two separate events first one starts with a rich man who owned a vast estate but had no heir to inherit this wealth His nephew filled with greed conspired against and killed him When night fell he threw the body at the doorstep of another village in order to frame them for his uncle's murder The next morning as people saw the body they naturally accused the village of his murder And despite their denial the relatives of the victim insisted on blaming them After the matters escalated and the two villages clashed they decided to resort to Prophet Moses so that he may ask Allah SW to resolve the issue and identify the murderer The second event Allah SW was helping a pious man on his straight path This man from among the Children of Israel kept Allah SW in mind in all his business and social dealings As death approached him all he had was a baby cow and his only heir at the time was his little boy He was unsure about whom he should entrust his small fortune to Who would be best to take care of the calf until his son is able to take care of it for himself and his mother He pondered long then turned to the heavens and supplicated Lord I entrust this cow to you protect it for my son until he grows older Then he said to his wife I have entrusted the cow to Allah SW I didn't find anyone more trustworthy than Him She asked So where is it now He replied I left it to roam free in the fields Shortly after he died When the son grew older his mother told him the story He asked Where can I find that cow after all these years His mother replied your father entrusted the cow to the Lord Rely on Him and search for it The young man supplicated Lord of Abraham return to me what my father had entrusted to you and then set out searching for it He found the cow exactly as his mother described it to him This cow was also the only one that perfectly fit Allah's description to the quarreling villagers Thus when they found they set out to purchase it at any price The young man agreed to sell it in exchange for its weight in gold When the villagers slaughtered this cow and struck the dead victim with it he was resurrected to declare the name of his killer Thus the name of this chapter The Cow affirms the central issue of resurrection in all faiths leading to the One Religion creed In addition the story also teaches us that parents righteousness plays a great role in the protection of their children Through the good deeds of the parents Allah SW facilitates the affairs of the children and protects them from harm When the righteous man entrusted all he had to Allah SW Allah SW blessed protected and nurtured it so that his son may find great treasure when he grew older Being upright and righteous is the best insurance one can give his or her children as it instills Allah's blessing and protection into every aspect of the child's life

Lorraine Peterson, 2006-08 Since Oxford University Press's publication in 2000 of Michael Emerson and Christian Smith's groundbreaking study Divided by Faith DBF research on racialized religion has burgeoned in a variety of disciplines in response to and in conversation with DBF This conversation has moved outside of sociological circles historians theologians and philosophers have also engaged the central tenets of DBF for the purpose of contextualizing substantiating and in some cases contesting the book's findings In a poll published in January 2012 nearly 70% of evangelical churches professed a desire to be racially and culturally diverse Currently only around 8% of them have achieved this multiracial status To an unprecedented degree evangelical churches in the United States are trying to overcome the deep racial divides that persist

in their congregations Not surprisingly many of these evangelicals have turned to DBF for solutions The essays in Christians and the Color Line complicate the research findings of Emerson and Smith s study and explore new areas of research that have opened in the years since DBF s publication The book is split into two sections The chapters in the first section consider the history of American evangelicalism and race as portrayed in DBF In the second section the authors pick up where DBF left off and discuss how American churches could ameliorate the problem of race in their congregations while also identifying problems that can arise from such attempted amelioration

Satan Roars! Sandra Mackey, 2020-10-21 Satan Roars Whispering His Lies By Sandra Mackey The Bible is not about Satan The Bible is God s message to his earthly family about his Son Jesus Christ However since humanity s fall in the Garden of Eden Satan has been trying to steal God s precious human creatures for his own evil purposes precious human creatures that God s own son died to save Among other reasons he does this to keep us from glorifying God and spreading the good news of the gospel This book is a mystery of opposites and contradictions as we recognize the spiritual war taking place in our individual lives and in our world at large Spiritual realities include God the Father God the Son and God the Holy Spirit as well as God s messengers and agents whoever or whatever they may be Yet they also include Satan as he prowls around seeking to destroy those who believe and obey God He also has his messengers and agents and if we believe that in this age there continues to be active participation in our lives by angels or other spirit beings we can t take the good and reject the evil Nor should we accept the evil and resist the good There is ample evidence of both forces at work among us However none of this will be frightening for children of God Believers understand that this earth is not our home We were created for the new heaven and new earth that Jesus Christ has prepared for us I believe that heaven will be a home of endless joy and love and that once again we will have access to the Tree of Life without any interference from Satan Believers must know that this is our great hope to live righteously here on earth In fact because of our complete faith and hope in what is to come we live with anticipation as if we were already there Dear children do not let anyone lead you astray He who does what is right is righteous just as he is righteous He who does what is sinful is of the devil because the devil has been sinning from the beginning The reason the Son of God appeared was to destroy the devil s work 1 John 3 7 8
