Satans Mules

Judith Spencer, Austin Fowler

Satans Mules:

The Curse of Satan's Collar John W. Miller, 2008-04-29 He was big the biggest of the litter big enough to wrestle bears and he did two maybe more but he killed many When he woke up in that black inky night he couldn't see thought he was blind and had a massive hangover from his Daddy's Cherry Jump moonshine A buzzard had died in his mouth and with it came rotten dog breath A headache like someone had hit him with a pole axe made him feel like he was dead dead as four o'clock And did he smell Wow His torn bib overalls were soaked in sour mash Other than not knowing where he was he still thought he was alright and that too was a problem Was there any hope or any salvation Luckily he had been weather hardened by war He stood up and he tired to walk but ran into something It knocked him down When he fell he heard something rattle It was a trace chain attached to a leather dog collar around his neck But in the inky dark he couldn't see his hand in front of him He got up again and found the trace chain wrapped around a tree and locked Shocked he screamed out Goddamn I'm chained to a tree then screamed louder They have chained me to a tree like a wild cur dog Now mad as hornet with his stinger busted he felt around and found something else about the tree This time he screamed even louder Son of a bitch It's my goddamn tree Who in the hell would chain me to my own tree He sat back down against the family tree stunned and then realized It's got to be my family Chained me like a goddamn cur dog to a tree But which one of them would have the nerve to do this to ME Then he realized it could be only one person He stood up and screamed Mama Then he fell down again pounded the ground cried like his heart tore out He got up off the ground went into a wild man's rage then fainted with exhaustion Then he got sick tried to walk but threw up all over himself And the chain snatched him back and down into his vomit it was all over him like those bugs He pounded the ground with his fist wondering how in the world he had gotten here and where he was Again and again he got up Each time he tried to walk in another direction but the chain snatched him off his feet and back down on the ground and into his rotten vomit It didn't matter what direction he walked Finally exhausted he couldn't get back on his feet Still he kept asking himself Where in the hell am I and who in the hell put this collar on me All night he shouted and wallowed in his vomit like an itchy old fat hog taking a bath in new mud He heard no one come in the dark silent black night Thank God His vomit smell finally ran the goddamn bugs off his body and away

The Praying South and the Fighting South are two of our most popular images of white southern culture. In *Subduing Satan* Ted Ownby details the tensions between these complex and often opposing attitudes. Ownby's recreation of male recreation is rich and fascinating. He paints the saloon and the street, the cockfighting and dogfighting rings as realms of distinctly male vices enjoyed lustily by men seeking to escape the sweet virtue of the Southern Christian home. A bold new thesis, Ownby gives us guideposts in the ongoing search for the meaning of southern history. *Journal of Southern History* I suspect that for many years ahead Ted Ownby's *Subduing Satan* will serve as the standard guide on how to write religious social history. Bertram Wyatt Brown, University of Florida. This is one of the freshest and most interesting books written about the American South in years. By focusing on the cultural conflicts of everyday life, Ownby gets us right to the heart of white culture in the South between Reconstruction and the 1920s. Edward L. Ayers, University of Virginia.
