God Who Walks The Earth Today **Sri Sathya Sai Vahini - Voice of the Divine Phenomenon** Bhagawan Sri Sathya Sai Baba, 1992-01-01 This must be said of this book It is the authentic Voice of the Divine Phenomenon that is setting right the moral codes and behaviour of millions of men and women today And so it merits careful and devoted study The Lord has declared that when ethical standards fall and man forgets or ignores His glorious destiny He will Himself come down among men and guide humanity along the straight and sacred path The Lord has come He is guiding those who accept the guidance He is calling on all who have strayed away to retrace their steps Baba's love and wisdom know no bounds His grace knows no obstacle He is no hard taskmaster His solicitude for our welfare and real progress is overwhelming Bhagavan has announced Himself as the Divine Teacher of Truth Beauty and Goodness By precept and example through His writings and discourses letters and conversations He has been instilling the supreme wisdom and instructing all mankind to translate it into righteous living inner peace and universal love When the Ramakatha Rasa Vahini the uniquely authentic nectarine stream of the Rama story was serialized in full in the Sanathana Sarathi Bhagavan blessed readers with a new series which He named Bharathiya Paramartha Vahini Stream of Indian Spiritual Values While these precious essays on the basic truths that fostered and fed Indian culture for ages before history began were being published Bhagavan decided to continue the flow of illumination and instruction under a more comprehensive name Sathya Sai Vahini The Stream of Divine Grace the Ganga from the Lotus Feet of the Lord This book contains the two Vahinis merged in a master stream Inaugurating these series Bhagavan wrote for publication in the Sanathana Sarathi Moved by the urge to cool the heat of conflict and to quench the agonizing thirst for knowledge about yourself with which you are afflicted see here it comes the Sathya Sai Vahini wave after wave with the Sanathana Sarathi as the medium between you and me With infinite compassion this Sathya Sai incarnation of the Omniwill is freeing millions of people in all lands from disease distress despair narcotics narcissism and nihilism He is encouraging those who suffer gloom through wilful blindness to light the lamp of love to see the world and the lamp of wisdom to see themselves This is a tantalizing true false world its apparent diversity is an illusion it is ONE but it is cognized by the maimed multiple vision of humans as Many says Bhagavan This book is the twin lamp He has devised for us Lord Krishna aroused Arjuna from the gloomy depression into which he led his mind at the very moment when duty called on Arjuna to be himself the famed warrior ready and eager to fight on behalf of right against might Krishna effected the cure by reminding him of the Atma that was his reality and of Himself being the Atma that he was Bhagavan says that we too are easily prone to get caught in the coils of cleverness and the meshes of dialectical logic The key to success in spiritual endeavour and what is life worth if it is not dedicated to that high endeavor is philosophical inquiry and moral advance both culminating in the awareness of the Atma the source and sum of all the energy and activity that is We are all motivated by fear doubt and attachments just as Arjuna was We are all hesitant at the crossroad between this and That the wave and the ocean But created by Him we are the miracle of miracles Bhagavan says What is not in man cannot be anywhere outside him

What is visible outside him is but a rough reflection of what really is in him The Atma is free It is purity It is fullness It is unbounded Its centre is the body but its circumference is beyond the beyond Man has been endowed with a superintellect which can recognize the existence of the Atma strive to bring it into his awareness and succeed However very few are human enough to seek to know who they are why they are here wherefrom and where they go from here They move about with temporary names encased in evanescent ever changing bodies So Bhagavan accosts us Listen Children of Immortality Listen Listen to the message of the sages who had the vision of the most majestic Person the Purushothama the Foremost and the First who dwells beyond the realms of illusion and elusion O ye human beings You are by nature ever full You are indeed God moving on earth Is there a greater sin than calling you sinners When you accept this appellation you defame yourselves Arise Cast off the humiliating feeling that you are sheep Do not be deluded into that idea You are Atma You are drops of nectar immortal truth beauty goodness You have neither beginning nor end All things material are your bondslaves you are not bondslaves as you imagine now Bhagavan says Through the unremitting practice of truth righteousness and fortitude the Divinity qui escent in the individual has to be induced to manifest itself in daily living transforming it into the joy of truly loving Know the Supreme Reality breathe It bathe in It live in It Then It becomes all of you and you become fully It A material object is not self expressive It depends wholly on the capacity for knowledge chith sakthi of the individual Atma for its manifestation prakasa The relative world of objects is dependent upon the relative consciousness of the individual Atma jivi When the object is further scrutinized and the true basis of the Plural ity is grasped Brahman or the Oversoul as the first Principle is acknowledged as a logical necessity Subsequently when sense control mind cleansing concentration and inner silence are achieved what appeared as a logical necessity dawns upon the purified consciousness as a Positive Permanent Impersonal Will Prajnanam Brahma whose expression is all this Sathya Sai Vahini reveals to us in unmistakable terms that the self in man is no other than the Overself or God We are told that this is true not only of mankind but of all beings Everywhere and anywhere In fact Will causes this unreal multiplicity of Cosmos on the One that He is He can by the same Will end the phenomenon Being God is behind becoming and becoming merges in being This is the eternal play says Bhagavan As Bhagavan writes the supreme end of education the highest purpose of instruction is to help us to be come aware of the universal immanent Impersonal Sathya Sai Baba in His role as the Teacher of Teachers is instructing us herein for this supreme adventure of the soul Seekers on this pilgrimage have in Him a compassionate guide and guardian for He is the embodiment of the very Will that planned the Play As we are led through the valley of this Vahini by Bhagavan holding us by the hand He exhorts us to admire appreciate and adore the seers and sages of many lands who pioneered this realm and laid limits bounds preparatory disciplines and practices to smooth the path and hasten the discovery of truth He writes of the Vedas and later spiritual texts of the forms of worship that have stood the test of centuries of loyal acceptance and of disciplinary codes for the four stages of human life and for humans with pronounced inborn characteristics the vertically

uplifting pure sathwic the horizontal expansive emotional rajasic and the declining dull thamasic He clarifies the role of karma action and its consequence Like a frail ship caught in a stormy sea man climbs up a gigantic wave and reaches its froth edged peak The next moment he is hurled into the trough only to rise again The rise and fall are both consequences of his own deeds They design the palace and the prison for man Grief and joy is the resound the reflection or reaction of one s own actions The individual soul jivi can escape both by cultivating the attitude of a witness not involved in the activities it has to do Bhagavan writes of yoga as the process of coming together of the individual soul jivatma and the Highest Atma Paramatma the Self and the Overself He elaborates on the path of love devotion bhakthi of selfless activity karma of mastery over the mind of sublimation of consciousness wisdom jnana Bhagavan analyses the rights and responsibilities of the individual and society and reveals to us that they have the one underlying purpose of spiritual fulfilment To sum up Sathya Sai Vahini is the Gita given to us by the Person who as the eternal charioteer Sanathana Sarathi is eager and ready to hold the reins of our senses mind consciouness ego and intellect and to guide us safely to the Abode of Supreme Peace Prasanthi Nilayam the goal of all mankind May we all be blessed by His love and grace Bhagavan Sri Sathya Sai Baba Curth Orefjaerd,1995-01-01 Sathya Sai Baba has many millions of devoted followers not only in India but the world over But who is this intriguing Sathy Sai Baba Bhagavan Sri Sathya Sai Baba My Divine Teacher is the first hand account of the author s path to Sai Baba his relationship with Sai Baba and how Sai Baba helped him to a new and spiritual life It describes in details about his experience when he was able to reach wonderful levels of cosmic consciousness and cosmic visions The book is based on the author s personal experiences during his several visits to India which allowed him to live close to Sai Baba Curth Orefjaerd here presents a picture of his own way to new insights and knowledge It will prove to be a fascinating experience not only to Sai devotees but also to the general public **Summer Showers In Brindavan 1972 to 2002** Sri Sathya Sai Media Centre,2022-11-19 Message from Bhagawan Sri Sathya Sai Baba Philosophy is the butter churned out of knowledge But since human aspirations and ideals which change from place to place and time to time decide which aspects of knowledge are included in the churning process it is often incomplete or inadequate or contradictory Generally speaking religious beliefs and practices folkways customs and traditions educational methods art forms etc help the formulation of the underlying philosophy Believing that the world as cognised during the waking state is real and that the highest goal is the attainment of happiness in that world man accumulates the instruments and symbols of that happiness he fashions after his own taste and inclination according to the dictates of his own reason the laws ideals institutions and principles that would bolster that happiness This attempt leads to a philosophy which can be named Western But can the goal of Life be just this to struggle amidst the waves of joy and grief that rise and fall in this visible objective world to be carried along the current of desire gathering food shelter comfort and pleasure and finally to flounder into the jaws of death Consider what is happening now in the name of progress art is degraded into immoral and sensuous entertainment educational advance results not in

advance of humility and reverence but in rampant indiscipline arrogance and irreverence The emphasis long placed on the development of character and the promotion of virtue through education has now been dropped In their place are enthroned as ideals worldly success self aggrandisement and high living Laws rules and regulations are multiplying fast but there is no sign of unrighteousness and injustice being diminished Greed is growing beyond control the advance of science is marked not by a proportionate advance in peace and happiness but by a phenomenal increase in terror unrest and anxiety With his thousand faced curiosity man is analysing and utilising the outer world but the inner world which is basic is ignored and forgotten Human life is a composite of the secular and the spiritual But now the flesh is coddled while the spirit is consigned into oblivion As a result neither the individual nor society nor the nation can hope to have peace and security The framework of Creation is an amalgam of right and wrong joy and grief cold and warmth so it is against Nature to expect only right or only joy only wrong or only grief It is not possible to uproot right wholly from the world nor is it possible to uproot wrong wholly free from grief in any form The burden of wrong and the agony of grief can be reduced however in proportion to the loyalty that man offers to sublime ideals and his efforts to put them into practice So long as man lives on the level of the beasts concentrating all his talents on the task of securing food shelter and other physical and material needs the unrest now rooted in his heart cannot be got rid of Therefore the path of Dharma or Righteousness which ensures inner purification and harmony should not be given up What is Dharma It is the way of higher life directed by the ideals one holds dear by the level of attainment one has reached by the status of the individual in society and the individual's own awareness of himself and his status Mere awareness of I am a human being will not guide him into the path of Dharma those who are aware only of this will be guided only into the path of feeding sleeping and the avoidance of fear from danger Awareness of I am a human being is only half the truth I am not a beast is the other half Always remind yourself of what you are as well as what you are not when this is done when activities are in accordance with that awareness man will be manifesting the full significance of the name he is known by When man has resolved to understand his reality by the method of enquiry he must avoid the error of condemning the points of view held dear by others It is not right to deny their validity He has to give value to all aspects consider all views for there is no clear cut distinction between mine and thine this and that other Truth is Knowledge Knowledge is Limitless Truth has to be discovered by analysing the complex mass of facts and things Indian Culture is the product of the experience of generations in the field of this Truth of Knowledge that is limitless that is seen through the vision of the Wise When students have the chance once to look upon this Culture to contact its living embodiments and expressions and to hold converse with its manifold manifestations all doubts regarding it will vanish from their minds It is a fact that persons who are too lazy to learn who have not grasped the validity of Vedanta or the relative reality of the world feel that Indian culture is at best a ruse to while away one's time We are not concerned with such persons They have such ideas because they do not know that Vedanta is their own history Animals are not conscious that they are alive they live

without being aware of life If man too leads life in this manner verily he is no better than a mere animal Your forefathers were being fed from infancy on breast milk reinforced by the mixture of sublime ideals and principles of righteousness As a result they stuck to the path of righteousness steadily in a commendable form They strove to help each other cooperated in all efforts to promote the welfare of others and sympathised when others suffered or incurred loss or injury They did not allow feelings of hatred revenge or violence to tarnish their minds They recognised that their chief duty was to devote themselves to activities conducive to the general good Today those who pride themselves on the enormous advance achieved by man and prance about prattling the stories of their paltry victories are only demonstrating by their behaviour that they are totally ignorant of the high principles followed in life by their forefathers What is the reason for the disappearance from the present generation of the sublime virtues of those days of sympathy and mutual aid of the peace and happiness that prevailed then No enquiry is probing into this problem Can a King declaring himself the master of a state fulfil all the wishes of his subjects Why he finds himself incompetent to fulfil even all his own wishes If he decides to pursue his fancies on the plea that he is the lord and master his subjects draw him down from the throne How does this happen However high a person's authority he has to bow his head to some laws and limits that are laid down to ensure proper exercise of that power They might have been laid down by the king himself but once accepted and announced he is bound to them as strongly as any one else If he acts in contravention of the covenant the subjects too would break away from the laws and limits that regulate their activities and behaviours and anarchy would result For the saying goes As the ruler so the ruled Therefore the law maker should obey the law he who lays down the limit should himself respect it This is the precious lesson the shining lamp of wisdom that the Ramayana is holding forth for the benefit of man This is the excellence of the culture and history of India Students have to be instructed on these monuments of Indian Culture and informed of the ideals which they embody Their intellects thus charged and cleansed have to be offered to the nations of the world as ideals to be emulated They themselves will be saved thereby they will serve as guides and leaders to others Intending to place before them the Truth to remove from their minds the ruinous beliefs that have sprouted there as a result of the craze for novelty in recent times and to uproot the specious arguments and fantastic doubts that are clinging to their reasoning faculty and resolving to imprint on the pure steadfast and conceit less hearts of the young the peace and joy that their forefathers were able to live in we have arranged to invite elders of invaluable experience in these fields and instruct youth on moral ethical spiritual physical and secular truths When such a sacred Yajna is held every year present day youth can easily understand and appreciate not only the Culture of India but also the Wisdom garnered by people of other lands Thus they will be rid of all feelings of separation and difference they will be equipped and made ready to demonstrate in their lives the Truth that has been revealed to them This Summer Course on Indian Culture and Spirituality has been planned and arranged with this belief and in this faith May this attempt achieve Victory May all beings derive therefrom Peace Happiness Prosperity and Security Baba This Volume is
