Standing Up, Speaking Out Matthew R. Meier, Casey R. Schmitt, 2016-10-14 In recent decades some of the most celebrated and culturally influential American oratorical performances have come not from political leaders or religious visionaries but from stand up comics Even though comedy and satire have been addressed by rhetorical scholarship in recent decades little attention has been paid to stand up This collection is an attempt to further cultivate the growing conversation about stand up comedy from the perspective of the rhetorical tradition It brings together literatures from rhetorical cultural and humor studies to provide a unique exploration of stand up comedy that both argues on behalf of the form's capacity for social change and attempts to draw attention to a series of otherwise unrecognized rhetors who have made significant contributions to public culture through comedy
