New York Magazine, 1971-11-29 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

Gore Vidal's America Dennis Altman, 2005-10-28 Gore Vidal is one of the most significant American writers of the second half of the twentieth century having produced a large number of best selling novels essays plays and pamphlets which have impacted on major political and social debates for fifty years He is both a serious writer and a television and movie celebrity whose increasingly acerbic picture of the United States guarantees he is both revered and reviled Gore Vidal's America examines the ways in which Vidal's writings on history politics sex and religion throw into focus our understandings of the United States but also recognizes his versatility and inventiveness as a creative writer some of whose novels Julian Myra Breckinridge Lincoln Duluth are among the important literary works of their time Ranging from Vidal's early defence of homosexuality in The City and the Pillar 1948 to his most recent writings on the war in Iraq this book provides a unique perspective on the evolution of post World War II American society politics and literature As Altman writes Difficult not to see in the results of the 2004 elections where the Republican right gained in both the White House and the Senate proof of Vidal's worse fears namely that the impact of imperial adventure big money and religious moralism would increasingly imperil the American Republic

Shirley Jackson: A Rather Haunted Life Ruth Franklin, 2016-09-27 Winner National Book Critics Circle Award Biography Winner Edgar Award Critical Biographical Winner Bram Stoker Award Nonfiction A New York Times Notable Book A Washington Post Notable Nonfiction Pick of the Year Named one of the Best Books of the Year by Entertainment Weekly NPR TIME Boston Globe NYLON San Francisco Chronicle Seattle Times Kirkus Reviews and Booklist In this thoughtful and persuasive biography award winning biographer Ruth Franklin establishes Shirley Jackson as a serious and accomplished literary artist Charles McGrath New York Times Book Review Instantly heralded for its masterful and thrilling portrayal Boston Globe Shirley Jackson reveals the tumultuous life and inner darkness of the literary genius behind such classics as The Lottery and The Haunting of Hill House In this remarkable act of reclamation Neil Gaiman Ruth Franklin envisions Jackson as belonging to the great tradition of Hawthorne Poe and James New York Times Book Review and demonstrates how her unique contribution to the canon so uncannily channeled women's nightmares and contradictions that it is nothing less than the secret history of American women of her era Washington Post

Franklin investigates the interplay between the life the work and the times with real skill and insight making this fine book a real contribution not only to biography but to mid 20th century women s history Chicago Tribune Wisely rescu ing Shirley Jackson from any semblance of obscurity Lena Dunham Franklin s invigorating portrait stands as the definitive biography of a generational avatar and an American literary genius *Masculinity and the Paradox of Violence in American Fiction, 1950-75* Maggie McKinley,2016-10-20 An examination of the relationship between violence and masculinity in works by Richard Wright Norman Mailer Saul Bellow James Baldwin and Philip Roth highlighting the inherent paradox whereby masculinity in this fiction is both asserted and undermined by acts of aggression *New York Magazine* ,1971-11-29 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **The Global Frontier** Eric Strand,2023-06-20 Americans often associate travel with luxury a cosmopolitan lifestyle and relaxation They travel to get away from it all Most fail to consider that modern American travel began in the straitened circumstances of the 1930s when President Franklin D Roosevelt encouraged citizens to tour the United States so as to stimulate the economy The Federal Writers Project composed guidebooks for each state and tourism became a form of national solidarity After World War II the Western frontier of self reinvention and spatial expansion opened up through the explosion of the global travel industry The Global Frontier shows that a variety of postwar literary travelers sought personal freedom and cultural enrichment outside their nation s borders including Black female and queer writers But the price of incorporation into a transnational leisure class was complicity in postwar American imperialism and the rejection of 1930s social commitments Eric Strand argues that capitalist globalization has enabled creative expression for marginalized identities and that present day humanists are the descendants of writers such as William S Burroughs Saul Bellow Richard Wright and Elizabeth Bishop Yet this personal liberation has accompanied a vast growth of social inequality which can only be addressed by reorienting toward progressive nationalism and an activist state *Saul Bellow and the Decline of Humanism* Michael K. Glenday,1990 **Black Women, Agency, and the New Black Feminism** Maria del Guadalupe Davidson,2017-02-17 The powerful Beyonc formidable Rihanna and the incalculable Nikki Minaj Their images lead one to wonder are they a new incarnation of black feminism and black women s agency or are they only pure fantasy in which instead of having agency they are in fact the products of the forces of patriarchy and commercialism More broadly one can ask whether black women in general are only being led to believe that they have power but are really being drawn back into more complicated systems of exploitation and oppression Or are black women subverting patriarchy by challenging notions of their subordinate and exploitable sexuality In other words who is playing who Black Women Agency and the New Black Feminism identifies a generational divide between

traditional black feminists and younger black women While traditional black feminists may see for example sexualized images of black women negatively and as an impediment to progress younger black women tend to embrace these new images and see them in a positive light After carefully setting up this divide this enlightening book will suggest that a more complex understanding of black feminist agency needs to be developed one that is adapted to the complexities faced by the younger generation in today s world Arguing the concept of agency as an important theme for black feminism this innovative title will appeal to scholars teachers and students interested in black feminist and feminist philosophy identity construction subjectivity and agency race gender and class
