Savage Devotion:

SAVAGE DEVOTION KAYLA. GERDES, 2025 **Savage Devotion** Cassie Edwards, 2000 Janice leaves behind her life of luxury in San Francisco and sets sail to find a simpler life in Washington When her ship sinks in a tempest she is rescued by a muscular Skokomish Indian Despite his reputation as a fearsome savage Janice finds a gentle caring companion The Secret Life of Things Mark Blackwell, 2007 This collection enriches and complicates the history of prose fiction between Richardson and Fielding at mid century and Austen at the turn of the century by focusing on it narratives a once popular form largely forgotten by readers and critics alike The volume also advances important work on eighteenth century consumer culture and the theory of things The essays that comprise *The Secret Life of Things* thus bring new texts and new ways of thinking about familiar ones to our notice Those essays range from the role of it narratives in period debates about copyright to their complex relationship with object riddled sentimental fictions from anti semitism in *Chrysal* to jingoistic imperialism in *The Adventures of a Rupee* from the it narrative as a variety of whore s biography to a consideration of its contributions to an emergent middle class ideology **Eden's Promise** Cassie Edwards, 2010-05-10 Eden Whitney is the most delectable woman Zach Tyson has ever found trussed up in the hold of his pirate ship He knows a priceless treasure when he sees one and Zach has no intention of sharing For one taste of Eden and Zach knows he will find his own private paradise The Women's West Susan Armitage, Elizabeth Jameson, 1987 Uses selections from diaries public records letters interviews and fiction to describe the experiences of women in the West including Indians servants waitresses prostitutes and farmers

Savage Devotion AJME. WILLIAMS, 2024-06-27 Don t even think about running sweetheart A silken threat his voice slithers around me You belong to me Sold to the Brotherhood Betrayed by my sister and ex I clawed my way free leaving a trail of gunfire and a darkness deeper than the basement cell Now I wake a captive in a gilded cage Damian Chicago s most ruthless mob boss claims me with a single word Mine His touch offers a twisted security but the danger hasn t ended Now with a secret life blossoming within me the real battle begins Can a ruthless mob boss become a father before his world explodes Readers note *Savage Devotion* is a full length standalone spicy mafia romance Perfect for you if you love age gaps pregnancy *The Fine Green Line* John Newport, 2010-01-20 What happens when a man leaves home for a year to pursue his dream One day playing a particularly spectacular round of golf husband and father John Paul Newport suddenly tastes what it s like to be a pro Deciding to take a year off and hit the road playing golf s mini tour circuit Newport embarks on a wild trip through America s fairways Over the course of his journey inside the somewhat shady often hilarious underbelly of professional golf he uncovers a world of people so totally addicted to golf to the delusion of achievable perfection that they sacrifice everything else to the quest He also discovers the nature of his own obsession with the game and how this constant pursuit of perfection on the golf course reflects the same challenges and frustrations one encounters in life What does it take to master such an intricate unpredictable game In golf as in life why is one so consistently incapable of acting up to one s

clearly established potential As Newport struggles to cross that Fine Green Line the infinitely subtle yet critical difference between the top golf professionals and those who never quite make it he realizes that life like golf doesn't let you get away with anything This is a story about letting go of fear facing challenges and embracing risks a compelling personal journey that captures many of the frustrations and elations of midlife both on and off the course **Radical Parody** Daniel T. O'Hara,1992 Gore Vidal known for such best sellers as *The City and the Pillars* *Burr* *Lincoln* and *Myra Breckinridge* is a household name The controversial Vidal ran for Congress in 1960 and set sparks flying with his public debates challenging William F Buckley and Norman Mailer Although one of America's most admired and prolific writers Vidal has been steadfastly ignored or impugned by many critics This is partly owing to the vast scope of his writings which include more than twenty novels half a dozen plays dozens of screenplays countless essays and book reviews political commentary and short stories how do the critics approach such a writer There has also been backlash against Vidal whose radical polemics and undisguised contempt for those whom he has called the hacks and hicks of academe have hardly endeared him to the critical establishment Gore Vidal *Writer Against the Grain* is the first collection of critical essays to approach this important American writer in an attempt to rectify the unwarranted underestimation of his work Jay Parini has drawn from the best of previously published criticism and commissioned fresh articles by leading contemporary critics to construct a comprehensive portrait of Vidal's multifaceted and memorable career Writers as diverse as Harold Bloom Stephen Spender Catharine R Stimpson Richard Poirier and Italo Calvino examine Vidal's work in their own highly individual ways and each finds a different Vidal to celebrate chide recollect or view close up Also included is a recent interview with Parini in which Vidal discusses his career and his troubled relationship with the reviewers The Vidal that finally emerges from these essays is a writer of undeniable weight and importance As readers will agree Gore Vidal *Writer Against the Grain* establishes his rightful role as one of the premier novelists and leading critical observers of this century **Cosette** Victor Hugo,1887 Shows the political social and religious upheaval that followed the Napoleonic Wars and Europe's great democratic revolutions Jean Valjean a peasant has spent 19 years in prison for stealing a loaf of bread for his starving children This chronicles his life from the French provinces to the battlefield of Waterloo and the ramparts of Paris during the Uprising of 1832 East is East T.
