Savage Frontier The Apache Wars Saga:

The Apache Wars Saga Book 3: Savage Frontier Len Levinson, 2011-11-16 It's 1854. In the East, tension between North and South pulled the country apart with a weak President helpless to stop it and Secretary of War Jefferson Davis following his own agenda. But in the West, a different threat arose. A new generation of Apache leaders were taking over who would no longer talk peace with the White Eyes. Instead, they would fight with the courage, daring, and brilliance that was the Apache pride. First Lieutenant Nathaniel Barrington was already a battle-scarred veteran of the Apache Wars. But nothing in his passion-driven life as a man and fighting life as a soldier prepared him for the love that flamed in the shadow of the gathering storm or for the violence sweeping over the Southwest in the greatest test the U.S. Army ever faced and the hardest choice Barrington ever had to make. **Savage Frontier** Frank Burleson, 2013

The Apache Wars Saga Book 2: War Eagles Len Levinson, 2011-11-16 In the North, a lanky lawyer named Abraham Lincoln was recovering from a brutal political setback. In the South, eloquent U.S. Senator Jefferson Davis was risking all in a race for governor of his native Mississippi. And far to the Southwest, the future of the frontier was being decided as the U.S. Army under Colonel Bull Moose Sumner faced the growing alliance of Native Americans led by the great Mangas Coloradas and determined to defend their ancestral lands. For First Lieutenant Nathaniel Barrington, it was his first test as a professional soldier following orders he distrusted in an undeclared war without conscience or quarter and his test as a man when he met the Apache woman warrior Jocita in a night lit by passion that would yield to a day of dark decisions. **War Eagles**

The Apache Wars Saga Book 1: Desert Hawks Len Levinson, 2012-01-24 The year was 1846 and the great American Southwest was the prize in an epic conflict. The U.S. Army and the army of Mexico met in a battle that would shape the course of history while the legendary Apache warrior chief Mangas Coloradas looked on determined to defend his ancestral lands and age-old tribal traditions against either of the invaders or both. On this bloody battlefield, young Lieutenant Nathaniel Barrington faced his first great test of manhood as he began a career that would take him to the heart of the conflict sweeping over the West from Texas to New Mexico and plunge him into passions that would force him to choose between two very different frontier beauties. This enthralling first novel of The Apache Wars Saga captures the drama and real history of a struggle in which no side wanted to surrender in a series alive with all the excitement and adventures of brave men and women, white and Native American, who decided the future of America.

The Apache Wars Saga Book 6: Night of the Cougar Len Levinson, 2011-11-16 For twelve years he rode as an officer of the United States Army. For one year he served as an apprentice warrior of the Apaches. Torn between two loyalties, Nathaniel Barrington prays he has found the peace he sought for so long. By the side of Clarissa, his star-crossed mate, he marks his stake as a rancher on land no one else dares claim deep in Apache territory. But Barrington's respite is short-lived. For the Apache nation is caught between the pincers of the bluecoats from the north and the Mexicans from the south. And under the fiery leadership of Geronimo, Barrington's brother-warrior, the tribe is ready to

break free Bloodshed abduction and revenge strike close to Barrington's home and heart Now taking the name Sunny Bear the White Apache Nathaniel Barrington will don the skin of a cougar and venture out on a hunting foray that will leave him prey to every man's greatest fear Night of the Cougar The spectacular sixth novel of the authentic Apache Wars Saga series that includes Desert Hawks War Eagles Savage Frontier White Apache and Devil Dance *The Apache Wars Saga Book 4: White Apache* Len Levinson, 2011-11-16 It is 1857 Under President James Buchanan the battle lines for America's coming conflagration are being violently drawn As the burning questions of slavery scorches the nation another savage war takes shape in the West In the far off New Mexico territory bluecoated soldiers hurl a challenge against the implacable Mimbreno Apaches surrender or die And in the Indians ranks stands the brave called Sunny Bear the powerful blond haired warrior and medicine man Once his name was Nathaniel Barrington one of the finest officers in the United States Army Now his visions guide him and his new tribe on daring raids against his former countrymen Amid the smoke of battle and in desire's fiercest blaze he must choose between the two proud peoples who fight for his loyalty and the two impassioned women who vie for his soul White Apache **The Apache Wars Saga Book 5: Devil Dance** Len Levinson, 2011-11-16 The year 1858 dawns bloodred in the untamed Southwest even as in the East the country moves towards civil war Leadership of the most warlike Apache tribe has passed to the great warrior chief Cochise who burns to avenge the poisoning of an Indian child Meanwhile the U S Army is out to end Apache power with terror instead of treaties NO ESCAPE As these two great fighting forces circle for the kill on a map stained by massacre and ambush former dragoon officer Nathaniel Barrington finds no escape from the clash of cultures he sought to flee He is drawn west again to be tempted by a love as forbidden as it is irresistible and to be torn between the military that formed him as a fighting man and the hold the Apaches have on his heart and soul Devil Dance The dramatic fifth novel of the authentic Apache Wars Saga that includes Desert Hawks War Eagles Savage Frontier and White Apache **The Rat Bastards Book 9: Do or Die** Len Levinson, 2011-11-16 Death is in their blood The enemy wants them dead Their own side wants them to shape up They're the Rat Bastards They steal Lie Kill And they never respect the rules The stuntman The Indian The gangster The bum The most awesomely effective fighting team in the history of man to man mayhem And now they're all that stands between the Japs and their plan to retake the bloody Pacific island of Bougainville The Rat Bastards **Savage Frontier Volume 1** Stephen L.
