**Japanese-American Incarceration Camps** Ronald Bishop,2015-06-03 Though much has been said about Japanese American incarceration camps little attention is paid to the community newspapers closest to the camps and how they constructed the identities and lives of the occupants inside Dependent on government and military officials for information these journalists rarely wrote about the violation of the evacuees civil rights Instead they concentrated on the economic impact the camps and the evacuees who would replace workers off to enlist in the military and work for defense contractors would have on the areas they covered Newspapers like the Cody Enterprise and Powell Tribune in Wyoming the Lamar Daily News and the Casa Grande Dispatch regularly published overly optimistic updates on the progress of construction the size of the contractor payrolls and the amount of materials used to build the camps Ronald Bishop and his coauthors reveal how journalists positioned the incarceration camps as a potential economic boon and how evacuees were framed as another community group there to contribute to the region s economic well being *Community Newspapers and the Japanese American Incarceration Camps* examines the rhetoric and journalistic approach of the local papers and how they informed the communities just outside their walls This book will appeal to scholars of history and journalism **Savage SUN 10 (DVD).** , **Fetichism** Fritz Schultze,1885 **Savage Sun** Cassie Edwards,2009 After losing everything in the aftermath of the Civil War Rowena Dowell accepts the invitation of a family friend to live in a rough Arkansas logging camp where she finds unexpected love in the arms of a handsome Cherokee chief Original *My Sad Song* Herbert Amarasinghe,2013-01-12 Its better to light a candle than to curse the darkness the wise old saying had been on my mind over the years So finally I lit the candle by writing my biography The book tells all about a boy born to a middle class rural family in the British colonial Ceylon Living in an era of strict cultural taboos and ancient practices his young life was utterly intricate Torn from the bosom of his family he departs from his cozy village home to a faraway school to suffer under sadistic teachers In a miserable boardinghouse he struggles with nasty bullyboys and battles along with constant homesickness The family tragedies worsen

his misery drowning him in grief and hence confusion Later recovering and developing a great vision of life takes him out of misery to a successful university career To begin a new twist of fate he leaves his motherland to spend a quiet family life in New Zealand Then his family disappointments take him across the Tasman to Australia Living here for over a few decades he becomes a helpless victim of numerous adverse life events forcing him to a solitary single life Now he finds his way to survive the loneliness through his profound determination engaged in generosity Later when he expedites a romance overseas the surrounding enemies ruin it resulting in the tragic loss of his great lover leaving him in deep sorrow In dismay with a failed mission overseas and now aimless he returns to Australia Grieving silently and living a low profile suddenly his health deteriorates leaving a little ray of hope of life Eventually he recovers slowly and agonizingly bringing his life back to solitude again This is a vivid story written true to his memories in sequel and full of haunting childhood fomenting adolescence ghosts of numerous failures and finding ways to survive the great losses disappointments and loneliness through his determination Also interestingly the writer relates his times to important events took place in the outer world during these periods a kind of a historical account This is a dramatic life journey of a mans own purpose and meaning of battling along So those readers who seek a variety would find this book full of interesting episodes cultural background and differences in the light of the Westerners eyes Finally its a unique presentation and not the norm in traditional book stores

*Narrating Postcolonial Arab Nations* Lindsey Moore,2017-10-30

*Narrating Postcolonial Arab Nations* significantly enhances the interface between postcolonial literary studies and the hitherto under-studied Arab world. Lindsey Moore brings together canonical and less familiar Arab novels and memoirs from the last half century to consider colonial continuities and consequences. Literary narratives are shown to oppose repressive versions of nationalism and to track desire lines toward more hospitable nations. The literatures discussed in this book enable a deeper historical understanding of twenty-first century Arab uprisings and their aftermaths. The book analyzes four rich sites of literary production: Egypt, Algeria, Lebanon, and Palestine. Moore explores ways in which authors critique particular nation-state formations and decolonizing histories engage the general problematic of the nation and redefine repurpose and transcend national literary canons. Chapter One contrasts Egyptian literary representations of popular revolt with official revolutionary discourse. Chapter Two addresses the enduring legacy of anti-colonial violence in Algeria and the place of Albert Camus in its literature. Chapter Three uses narratives of gender violence on the Beirut front line to reveal the divisibility and intersectional identity politics of postcolonial nation-states. Chapter Four emphasizes ways in which Palestinian memoirs insist upon remembering towards a postcolonial future. The book provides detailed analysis of literary narratives by Etel Adnan, Rabih Alameddine, Alaa al Aswany, Rachid Boudjedra, Albert Camus, Rashid al Daif, Assia Djebar, Ghada Karmi, Naguib Mahfouz, Jean Said Makdisi, Edward Said, Boualem Sansal, Raja Shehadeh, Miral al Tahawy, and Latifa al Zayyat. It is an indispensable volume for students and scholars of Postcolonial Arab and World literatures.

**The Sacred Year** Mike Yankoski,2023-12-19 In his life and writing, Michael Yankoski walks a tightrope between action and contemplation and behold, in ways we can all learn from, he manages to find a sort of essential balance. Philip Yancey, author of *What's So Amazing About Grace*. This book is a joy to the soul and a delight to the heart. It is destined to become a classic within the genre of contemporary spiritual and religious writing. Phyllis Tickle, compiler of *The Divine Hours*. Frustrated and disillusioned with his life as a Christian motivational speaker, Michael Yankoski was determined to stop merely talking about living a life of faith and start experiencing it. The result was a year of focused engagement with spiritual practices, both ancient and modern, that fundamentally reshaped and revived his life. By contemplating apples for an hour before tasting them, attentiveness, eating on just 2.00 a day, simplicity, or writing letters of thanks, gratitude, Michael discovered a whole new vitality and depth through the intentional life. Guided by the voice of Father Solomon, a local monk, Yankoski's *Sacred Year* slowly transforms his life. Both entertaining and profound, his story will resonate with those who wish to deepen their own committed faith, as well as those who are searching, perhaps for the first time, for their own authentic encounter with the Divine.
