Upgrade Me Brian Clegg, 2008-07-22 Biologically human beings haven t changed in 100 000 years but thanks to our

amazing brains we can upgrade ourselves to add capabilities that took other creatures millions of years to evolve Thanks to this unnatural evolution we are already Human 2.0 In the effort to stay alive reproduce and make more of brains we have transformed ourselves Now with a better understanding of the mechanisms of the body cloning gene therapy bionics and other technologies our rate of change is getting ever faster This process of upgrading is nothing new It has been around for millennia and it raises some provocative questions What will the future hold Will our drive to upgrade continue to give positive benefits or will it result in destruction Where is our evolutionary survival heading Sure to cause much debate

UPGRADE ME is science journalist Brian Clegg's ambitious and brilliant account of humanity's need to upgrade The Power Within You Setjhaba Msibi, 2012-03 Sometimes we spend time and focus on the problems instead of searching for The Power Within Us You don't need a high IQ University or College degree to discover the spirit of love that lives inside of you There is great power that enables you to face your problems poverty lack of money and loneliness This empowering and motivating book contains life principles that Setjhaba has learnt and it will make you realize how you are loved by the Universe After reading this book you will learn that all things we need or want starts within before they manifest to the outside We are born to be successful and everyone has the power to attract good life and prosperity The book talks about A young boy born in poverty but believed in success until its manifestation Love is an invible force of attraction called GOD How to experience abundance How to focus in your dream and believe in it Elevating your thinking Determining your destiny Discovering peace within you
