# Longs Peakits Story And A Climbing Guide

**Bob Godfrey,Dudley Chelton**

## **Longs Peak's Story And A Climbing Guide:**

Longs Peak Paul Nesbit, 2015-05-21 The Twelfth Edition of the classic guide to climbing Longs Peak the tallest peak in Rocky Mountain National Park first published in 1946 This edition features the Rocky Mountain National Park Centennial logo Includes geology history a guide to climbing the highest peak in Rocky Mountain National Park climbing history and statistics with a topographic map of the Longs Peak trail on the back cover Convenient 6 x 9 size fits in your pack to carry up the trail This new edition revised and updated to 2015 by Stan Adamson editor of the 9th 10th and 11th editions **Longs**

**Peak** Paul William Nesbit, 1969 **Longs Peak ; Its Story and a Climbing Guide** Paul William Nesbit, 1966 **Longs Peak** Dougald MacDonald, 2004 Avid climber Dougald MacDonald has gathered histories hair raising tales and personal journeys to tell of this prominent peak in the Rocky Mountain National Park Reflections on mountaineering geology and wildlife are presented with historic images and gorgeous full color contemporary photography The ten best hiking and climbing routes plus See It Yourself activities offer great ways for both novices and seasoned climbers to explore the great mountain Longs Peak: Its Story and a Climbing Guide Paul Nesbit, 2023-03-15 This historic book first published in 1946 is now in its 13th edition For more than 75 years it has been the standard reference for those planning to hike or climb Longs Peak the highest peak in Rocky Mountain National Park This edition has been updated to include new information since 2015 the date of the last edition Mountaineering Literature Jill Neate, 1986 Long established as a standard reference work worldwide this is a thorough bibliography of all mountaineering books that are of practical use to climbers or for reading pleasure or historical interest Documenting more than 2000 books of mountaineering literature it also includes nearly 900 climber's guidebooks a sampling of more than 400 works of mountaineering fiction plus journals and bibliographies

Chronicles Index, 1986 *Democracy's Mountain* Ruth M. Alexander, 2023-09-26 At 14 259 feet Longs Peak towers over Colorado's northern Front Range A prized location for mountaineering since the 1870s Longs has been a place of astonishing climbing feats and unsurprisingly of significant risk and harm Careless and unlucky climbers have experienced serious injury and death on the peak while their activities equipment and trash have damaged fragile alpine resources As a site of outdoor adventure attracting mostly white people Longs has mirrored the United States tenacious racial divides even into the twenty first century In telling the history of Longs Peak and its climbers Ruth M Alexander shows how Rocky Mountain National Park like the National Park Service NPS has struggled to contend with three fundamental obligations to facilitate visitor enjoyment protect natural resources and manage the park as a site of democracy Too often it has treated these obligations as competing rather than complementary commitments reflecting national discord over their meaning and value Yet the history of Longs also shows us how over time climbers the park and the NPS have attempted to align these obligations in policy and practice By putting mountain climbers and their relationship to Longs Peak and its rangers at the center of the story of Rocky Mountain National Park Alexander exposes the significant role outdoor recreationists have had as both citizens and

privileged adventurers in shaping the peak's meaning, use and management. Since 2000 the park has promoted climber enjoyment and safety, helped preserve the environment, facilitated tribal connections to the park and attracted a more diverse group of visitors and climbers. Yet Alexander argues more work needs to be done. Alexander's nuanced account of Longs Peak reveals the dangers of undermining national parks' fundamental obligations and presents a powerful appeal to meet them fairly and fully. Longs Peak Paul William Nesbit, 1953 **Climb** Bob Godfrey, Dudley Chelton, 2019-04-11 This book is a collection of rock climbing experiences which captures the essence, the challenge and the spirit of the sport at its best. It describes the historical interplay between events and personalities in Colorado rock climbing and shows how the concept of the impossible was redefined. Longs Peak Paul William Nesbit, 1946 Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office, 1974 **Rocky Mountain National Park, Colorado** Edwin C. Alberts, 1963 *Hiking Circuits in Rocky Mountain National Park* Jack P. Hailman, Elizabeth D. Hailman, 2003-06-09 Hiking Circuits in Rocky Mountain National Park is the first guide dedicated entirely to the loop trails of Rocky Mountain National Park trails that return hikers to their starting point without the necessity of retracing steps or walking on roads. Having explored the park extensively for over 30 years, Jack and Elizabeth Hailman describe and map 33 circuits and component loops with detailed driving instructions to the access points. Circuits range from a 15 minute stroll around a lake to strenuous all-day outings in the high country and even a few multi-day backpacking trips. Side trips are often recommended for viewing a scenic waterfall, summit lake or other natural feature. A convenient table lists circuits by walking time, allowing hikers to choose loops designed to fit their schedules. Each account includes a map, directions to the trailhead, trail distance, estimated hiking time, elevation range, exertion rating, segment descriptions for both clockwise and counter-clockwise hikes, and trail notes about the wildflowers, animals and other natural history features encountered by the authors. Maps show the loop route, short access trails where applicable, routes of optional side trips, trail junctions, point-to-point walking distances, elevations of the trail points and more. Included are appendices for natural history, local hiking supply stores and fee schedules, with an extensive bibliography for reading and reference. The Magnificent Mountain Women Janet Robertson, 2020-08-05 Since the Pikes Peak gold rush in the mid-nineteenth century, women have gone into the mountains of Colorado to hike, climb, ski, homestead, botanize, act as guides, practice medicine and meet a variety of other challenges, whether for sport or for livelihood. Janet Robertson recounts their exploits in a lively, well-illustrated book that measures up to its title. The Magnificent Mountain Women Arlene Blum provides a new introduction to this edition. Halfway to Heaven Mark Obmascik, 2009-05-12 Fat, forty-four, father of three sons and facing a vasectomy, Mark Obmascik would never have guessed that his next move would be up a 14,000-foot mountain. But when his twelve-year-old son gets bitten by the climbing bug at summer camp, Obmascik can't resist the opportunity for some high-altitude father-son bonding by hiking a peak together. After their first joint climb, addled by the thin air, Obmascik decides to keep his head in the clouds and try scaling all 54 of Colorado's 14,000-foot mountains.

known as the Fourteeners and to do them in less than one year The result is *Halfway to Heaven* Pulitzer Prize winning journalist Obmascik's rollicking witty sometimes harrowing often poignant chronicle of an outrageous midlife adventure that is no walk in the park although sometimes it's *A Walk in the Woods* but with more sweat and less oxygen Half a million people try climbing a Colorado Fourteener every year but only twelve hundred have reported summiting them all Can an overweight stay at home dad become No. 1? 201 With his ebullient personality and sparkling prose Obmascik brings us inside the quirky colorful subculture of mountaineering obsessives who summit these mountains year after year Honoring his concerned wife's orders not to climb alone Obmascik drags old friends up the slopes some of them lifelong flatlanders tasting thin air for the first time and lures seasoned Rockies junkies into taking on a huffing puffing newbie by bribing them with free beer lunches and car washes Among the new friends he makes are an ex drag racer trying to perform a headstand on every summit the lead oboe player in a Hebrew salsa band and a climber with the counterproductive pre climb ritual of gulping down four beers and a burrito Along the way Obmascik experiences the raw rowdy and rarely seen intimacy of male friendship braced by the double intoxicants of adrenaline and altitude Though danger is always present the Colorado Fourteeners have killed more climbers than Mount Everest Mark knows his aging scalp can't afford the hair raising adventures of Jon Krakauer's *Into Thin Air* and his quest becomes a story of family friendship and fraternity In Obmascik's summer of climbing he loses fifteen pounds finds a few dozen man dates and gains respect for the history of these storied mountains home to cannibalism gold rushes shoot outs and one of the nation's most famed religious shrines As much about midlife and male bonding as it is about mountains *Halfway to Heaven* tells how weekend warriors can survive them all as they reach for those most distant things the summits of mountains and a teenage son And as one man exceeds the physical achievements of his youth he discovers that age like summit height is just a number

*It Happened In Rocky Mountain National Park* Phyllis J. Perry, 2018-12-15 From an out of control wildfire that nearly destroyed a town to a serial spouse killer in Estes Park *It Happened in Rocky Mountain National Park* looks at intriguing people and episodes from the history of Colorado's largest national park Learn how two teens attempt to scale the Diamond a sheer granite cliff so dangerous that climbing it used to be outlawed resulted in one of the most complicated rescues in the park's history Read about the life and untimely demise of Rocky Mountain Jim who was badly scarred by a grizzly bear attack and earned a reputation as an eccentric but highly skilled wilderness guide And meet Harriet Peters an unusually tenacious girl who summited 14,259 foot tall Longs Peak at the tender age of eight

**National Parks Bulletin** ,1963      National Union Catalog ,1970 Includes entries for maps and atlases      *Mountains of North America* ,1984

## Unveiling the Energy of Verbal Artistry: An Psychological Sojourn through **Longs Peakits Story And A Climbing Guide**

In some sort of inundated with screens and the cacophony of immediate communication, the profound energy and psychological resonance of verbal art usually disappear in to obscurity, eclipsed by the continuous onslaught of sound and distractions. Yet, set within the musical pages of **Longs Peakits Story And A Climbing Guide**, a interesting perform of literary brilliance that pulses with fresh emotions, lies an wonderful trip waiting to be embarked upon. Published by way of a virtuoso wordsmith, this interesting opus courses viewers on an emotional odyssey, delicately exposing the latent possible and profound impact stuck within the delicate web of language.
