Traders, 2019-08-19 Most financial trading books read more like an infomercial than a book; this is different. Would you jump out of an airplane without a parachute? Then why would you start making trades online before you learned what you were doing? It's crazy. But with deep discount brokers making it look so easy for individual investors, it's no wonder consumers today are lulled into a false sense of security. You can't rely on outdated textbooks and strategies anymore. But if you adapt, you can make a considerable fortune with these new market conditions. Here's just a fraction of what you'll discover inside. The best brokerage accounts for swing traders, setting this up right can save you 1000 a year in commissions. How social media moves asset prices and how to always be first to act on these. Do this and you'll almost always ensure lower entry prices than your competition. The only 3 strategies you need for swing trading success despite what everyone else tells you: it's these 3 which will bring 90% of your profits. How to always ensure the right entry position for a trade. How to spot under or overvalued stocks with 99% accuracy. The magic trading number. If you win this percentage of your trades, you'll make massive profits lower than you think. The secret to finding your trading edge: hint, the risk-reward ratio isn't enough. When to invest and more important, when NOT to invest like Warren Buffett. The 10 best traders to follow on Twitter for maximum
