

# WHAT IS THE HORIZON?

The **horizon** is the line we see where the sky appears to meet the earth or the sea.

It is the visual boundary that delimits our field of vision.

When we gaze at the horizon, we witness the sky and the earth coming together in a straight line that extends into infinity.

It serves as a symbol of the vastness of the world around us, inviting exploration beyond what meets the eye.

The **horizon** provides a sense of perspective, reminding us of the immensity and diversity of the environment that surrounds us.
