Looking For Dr Condom:

Looking for Dr. Condom William E. Kruck, 1978 *Looking for Dr. Condom* William E. Kruck, 1981 The Doctor Looks at Marriage and Medicine, 1928 The Fate of the Forest Susanna B. Hecht, Alexander Cockburn, 2011-01-15 The Amazon rain forest covers more than five million square kilometers amid the territories of nine different nations It represents over half of the planet's remaining rain forest Is it truly in peril What steps are necessary to save it To understand the future of Amazonia one must know how its history was forged in the eras of large pre Columbian populations in the gold rush of conquistadors in centuries of slavery in the schemes of Brazil's military dictators in the 1960s and 1970s and in new globalized economies where Brazilian soy and beef now dominate while the market in carbon credits raises the value of standing forest Susanna Hecht and Alexander Cockburn show in compelling detail the panorama of destruction as it unfolded and also reveal the extraordinary turnaround that is now taking place thanks to both the social movements and the emergence of new environmental markets Exploring the role of human hands in destroying and saving this vast forested region The Fate of the Forest pivots on the murder of Chico Mendes the legendary labor and environmental organizer assassinated after successful confrontations with big ranchers A multifaceted portrait of Eden under siege complete with a new preface and afterword by the authors this book demonstrates that those who would hold a mirror up to nature must first learn the lessons offered by some of their own people Whore Biographies, 1700-1825, Part I Vol 4 Julie Peakman, 2024-12-11 Focuses on autobiographies and biographies of courtesans directories of whores erotic poems dedicated to harlots jocular descriptions of prostitutes and jest books on strumpets These provide sources for the study of sexuality gender women's studies and the literature and history of the eighteenth century **Eighteenth-Century British Erotica, Part I vol 3** Patrick Spedding, 2024-10-28 This set reprints many of the 18th century's most notorious works including eight from The Fifteen Plagues of a Maiden Head 1707 that resulted in highly publicized court battles and in some cases helped shape laws on censorship that survived into modernity **Casanova's Guide to Medicine** Lisetta Lovett, 2021-06-09 Forget the stereotype Giacomo Casanova's 1725-1798 reputation as libertine has sadly eclipsed his talents as scholar linguist prolific writer and manqué doctor Fortunately for us he wrote his memoirs at the end of his life on the advice of his doctor to control his propensity to depression Although these often have been harvested for information on political cultural and social aspects of his time the insights they give about medical practice and the lived experiences of illness have been largely neglected This book addresses this deficiency through exploring in detail what Casanova wrote on a variety of conditions that include venereal disease and female complaints duelling injuries suicide skin complaints and stroke and even piles These descriptions provide alternately grim and amusing insights about public health measures the doctor-patient relationship medical etiquette and the dominant medical theories of the era To help the reader understand the historical significance of the medical subjects covered the author integrates throughout the book an extensive historical

Condos & Condoms Eva M. Alexander,2015-01-26 In her collection of short stories that are both poignant and amusing Eva Alexander cleverly places diverse characters in front of everyday challenges that test their emotions fortitude and character Tommy believes he is doing his best his own way But what no one knows is that he is battling many personal demons Vicky a beautiful and talented singer is about to realize the consequences of placing her trust in the wrong person Condos Condoms is a collection of short stories that celebrates life friendship heartache and joy through a cast of characters who just want to find their way in a challenging world *Street Sex Workers' Discourse* Jill McCracken,2013-04-17

Incorporating the voices and insights of street sex workers through personal interviews this monograph argues that the material conditions of many street workers the physical environments they live in and their effects on the workers bodies identities and spirits are represented reproduced and entrenched in the language surrounding their work As an ethnographic case study of a local system that can be extrapolated to other subcultures and the construction of identities this book disrupts some of the more prevalent academic and lay understandings about street prostitution by providing a thorough analysis of the material conditions surrounding street work and their connection to discourse McCracken offers an explanation of how constructions can be made differently in order to achieve representations that are generated by the marginalized populations themselves while placing responsibility for this marginalization on the society in which these people live *AF Press Clips*
