Looking For Loopholes Processes Of Incorporation Of Illegal Immigrants In The Netherlands:

Irregular Migrants in Belgium and the Netherlands Masja Meeteren, 2025-10-01 In *Irregular Migrants in Belgium and the Netherlands* Masja van Meeteren studies the different ways in which irregular migrants live in Belgium and the Netherlands. The book offers an empirically grounded theoretical critique of the dominant research practice that focuses on survival strategies, relies on comparisons of migrant communities and overemphasizes structural explanations. Instead, *Irregular Migrants* takes irregular migrants' aspirations as a starting point of analysis. Based on this innovative research approach, key questions are answered regarding the lives of irregular migrants: How can we understand their patterns of economic and social incorporation, the transnational activities they engage in, and the significance of different forms of capital? Drawing on intensive participant observation as well as more than two hundred in-depth interviews with irregular migrants and representatives of organizations that are involved with them, *Irregular Migrants* develops much needed contextualized insights. As such, it sheds new light on previous research findings and various deadlocked scholarly debates on irregular migrants in Western societies.

Illegal Residence and Public Safety in the Netherlands Arjen Leerkes, 2009 *Illegal Residence and Public Safety in the Netherlands* is een onderzoek naar de gevolgen van de steeds drastischere maatregelen om illegaal verblijf in Nederland tegen te gaan. EU lidstaten als Nederland hanteren steeds zwaardere voorwaarden voor immigratie vanuit niet westerse landen en niet Europese landen. Arjen Leerkes onderzocht in hoeverre het verblijf en de migratie van illegale immigranten gevolgen hebben voor de publieke veiligheid en criminaliteit in Nederland. Zijn illegale immigranten eerder geneigd tot criminaliteit of weerhoudt hun juridische status hen er juist van.

Looking for Loopholes Joanne Pauline Leun, 2001 **Illegal Immigration in Europe** F. Düvell, 2005-12-15 The processes of globalization, increasing human mobility and European integration have led to immigration, and in particular illegal immigration, being among the top international policy, economic and security concerns. This book analyzes the causes of illegal immigration in Europe together with the history and political economy of the phenomenon. It offers an assessment of contemporary political responses and proposes an alternative approach aiming at a more sustainable solution.

An Introduction to Immigrant Incorporation Studies Jan Rath, Marco Martiniello, 2025-10-01 Focusing mainly on the European experience, including Eastern Europe, this important volume offers an advanced introduction to immigrant incorporation studies from a historical, empirical and theoretical perspective. Beyond incorporation theories, renowned scholars in the field explore incorporation in action in different fields, policy issues and normative dimensions.

Irregular Migration in Europe Anna Triandafyllidou, 2016-05-06 *Irregular Migration in Europe* contributes to our knowledge of the scale and nature of the much discussed but under researched phenomenon of irregular migration in Europe whilst improving our understanding of the dynamics of irregular migration and its relation to European societies and economies. Presenting a comparative analysis of the experiences and policies of different EU member states, this book draws on an extensive range of sources, many of which

have so far been absent from English language analyses to offer an overall picture of irregular migration in twelve EU member states This volume will be of interest to policy makers and researchers within the fields of migration sociology and social anthropology political science European integration and European studies political science and public administration

Research Handbook on Irregular Migration Ilse van Liempt, Joris Schapendonk, Amalia Campos-Delgado, 2023-03-02 Moving away from state categorizations on irregular migration this Research Handbook critically examines processes and dynamics that generate and reproduce irregularity and discusses who may count as an irregular migrant The Routledge Handbook on Crime and International Migration Sharon Pickering, Julie Ham, 2017-07-14 The Routledge Handbook on Crime and International Migration is concerned with the various relationships between migration crime and victimization that have informed a wide criminological scholarship often driven by some of the original lines of inquiry of the Chicago School Historically migration and crime came to be the device by which Criminology and cognate fields sought to tackle issues of race and ethnicity often in highly problematic ways However in the contemporary period this body of scholarship is inspiring scholars to produce significant evidence that speaks to some of the biggest public policy questions and debunks many dominant mythologies around the criminality of migrants The Routledge Handbook on Crime and International Migration is also concerned with the theoretical empirical and policy knots found in the relationship between regular and irregular migration offending and victimization the processes and impact of criminalization and the changing role of criminal justice systems in the regulation and enforcement of international mobility and borders The Handbook is focused on the migratory fault lines between the Global North and Global South which have produced new or accelerated sites of state control constructed irregular migration as a crime and security problem and mobilized ideological and coercive powers usually reserved for criminal or military threats Offering a strong international focus and comprehensive coverage of a wide range of border criminal justice and migration related issues this book is an important contribution to criminology and migration studies and will be essential reading for academics students and practitioners interested in this field **Navigating Borders** Ilse van Liempt, 2007 A fascinating study provides an inside perspective into human smuggling processes

Immigration Policy in Europe Virginie Guiraudon, Gallya Lahav, 2006-11-09 Previously published as a special issue of West European Politics this edited volume evaluates the extent to which a policy gap between inputs and outcomes exists with regard to immigration control In exploring an expanded migration policy field which includes the extreme right the media and actors this book goes beyond traditional analyses that focus on classical moments of policy making and instead seeks to understand the normative and cognitive context in which they operate Taking into account the recent work of migration scholars into variants of the disjuncture theme the comparative studies also highlight the variations across time countries regions and sectors The international list of contributors discuss refugee protection asylum and illegal migration in chapters that fall under three subject areas formulating policy implementing policy international policy making Immigration Policy in

Europe will be of great interest to students and scholars of European studies and British politics **Migration Control**

Logics and Strategies in Europe Claudia Finotelli, Irene Ponzo, 2023-04-24 Building upon the concept of migration regime this open access book brings together the works of scholars who have investigated logics and routines of action in the field of immigration control within a single and innovative theoretical framework The chapters cover a wide range of policy domains from visa policy to the externalisation of controls labour migration to asylum internal controls towards irregular migration to restrictions for intra EU mobility By unravelling organisational strategies and practices across Europe the book does not only contribute to dismantling the very idea of the European North South divide in migration but also shows how Europe really works in the field of migration in times of deep economic asylum and health crises In this perspective the book questions the widespread understanding of migration control outcomes as simply the result of more or less effective state policies without considering the embeddedness of the national policy goals and strategies in the dynamic interplay of different economies institutional cultures and geopolitical positions **New Directions in Feminism and Human Rights** Dana Collins, Sylvanna

Falcon, Sharmila Lodhia, Molly Talcott, 2019-07-09 On the sixtieth anniversary of the Universal Declaration of Human Rights feminists are at a critical juncture to re envision and re engage in a politics of human rights Interdisciplinary feminist conversations among scholar activists can both challenge and enrich new directions in feminism and human rights The scholarly and activist writings that comprise this collection advance both research and critical conversations about feminism and human rights by revealing the transformative potential of a feminist human rights praxis that embraces both critique and collective justice The editors method has been to move beyond a wholesale dismissal of human rights so that the book may begin new dialogues that envision transnational gender and antiracist social justice approaches This book features work that engages academic critiques of human rights frameworks yet goes further by exploring the potential of human rights activism from below These groundbreaking chapters and conversations provide evidence of the persistent challenges and the attendant possibilities inherent in feminist human rights activism and theorizing they offer this book underscoring the creative displays of grassroots resistance by women globally and affirming transnational feminist solidarity This book was published as a special issue of the International Feminist Journal of Politics **Crimmigrant Nations** Robert

Koulisch, Maartje van der Woude, 2020-03-03 As the distinction between domestic and international is increasingly blurred along with the line between internal and external borders migrants particularly people of color have become emblematic of the hybrid threat both to national security and sovereignty and to safety and order inside the state From building walls and fences overcrowding detention facilities and beefing up border policing and border controls a new narrative has arrived that has migrants assume the risk for government sponsored degradation misery and death Crimmigrant Nations examines the parallel rise of anti immigrant sentiment and right wing populism in both the United States and Europe to offer an unprecedented look at this issue on an international level Beginning with the fears and concerns of immigration that predate

the election of Trump the Brexit vote and the signing and implementation of the Schengen Agreement *Crimmigrant Nations* critically analyzes nationalist state policies in countries that have criminalized migrants and categorized them as threats to national security Highlighting a pressing and perplexing problem facing the Western world in 2020 and beyond this collection of essays illustrates not only how anti immigrant sentiments and nationalist discourse are on the rise in various Western liberal democracies but also how these sentiments are being translated into punitive and cruel policies and practices that contribute to a merger of crime control and migration control with devastating effects for those falling under its reach Mapping out how these measures are taken the rationale behind these policies and who is subjected to exclusion as a result of these measures *Crimmigrant Nations* looks beyond the level of the local or the national to the relational dynamics between different actors on different levels and among different institutions

The Cultural Construction of Safety and Security Gemma Blok, Jan Oosterholt, 2025-10-01 This volume analyses cultural perceptions of safety and security that have shaped modern European societies The articles present a wide range of topics from feelings of unsafety generated by early modern fake news to safety issues related to twentieth century drug use in public space The volume demonstrates how safety is not just a social or biological condition to pursue but also a historical and cultural construct In philosophical terms safety can be interpreted in different ways referring to security certainty or trust What does feeling safe and thinking about a safe society mean to various groups of people over time The articles in this volume are bound by their joint effort to take a constructionist approach to emotional expressions artistic representations literary narratives and political discourses of un safety and their impact on modern European society

Race, Criminal Justice, and Migration Control Mary Bosworth, Alpa Parmar, Yolanda Vázquez, 2018 In an era of mass mobility those who are permitted to migrate and those criminalised controlled and prohibited from migrating are heavily patterned by race This volume places race at the centre of its analysis 14 chapters examine question and explain the growing intersection between criminal justice and migration control

Ethnic Amsterdam Liza Nell, Jan Rath, 2009 May this book contribute to a better understanding of the role of immigrants coming from more than 170 countries of the world during the last century in making Amsterdam the diverse city it is Job Cohen Mayor of Amsterdam

Cities and Social Movements Walter J. Nicholls, Justus Uitermark, 2016-12-27 Through historical and comparative research on the immigrant rights movements of the United States France and the Netherlands *Cities and Social Movements* examines how small resistances against restrictive immigration policies do or don't develop into large and sustained mobilizations Presents a comprehensive comparative analysis of immigrant rights politics in three countries over a period of five decades providing vivid accounts of the processes through which immigrants activists challenged or confirmed the status quo Theorizes movements from the bottom up presenting an urban grassroots account in order to identify how movement networks emerge or fall apart Provides a unique contribution by examining how geography is implicated in the evolution of social movements discovering how and why the networks constituting movements grow by tracing where they develop

Demonstrates how efforts to enforce national borders trigger countless resistances and shows how some environments provide the relational opportunities to nurture these small resistances into sustained mobilizations Written to appeal to a broad audience of students scholars policy makers and activists without sacrificing theoretical rigor **Women Migrant Workers** Zahra Meghani, 2015-10-05 This volume makes the case for the fair treatment of female migrant workers from the global South who are employed in wealthy liberal democracies as care workers domestic workers home health workers and farm workers An international panel of contributors provide analyses of the ethical political and legal harms suffered by female migrant workers based on empirical data and case studies along with original and sophisticated analyses of the complex of systemic structural factors responsible for the harms experienced by women migrant workers The book also proposes realistic and original solutions to the problem of the unjust treatment of women migrant workers such as social security systems that are transnational and tailored to meet the particular needs of different groups of international migrant workers Strategic Affection? Irma Thoen, 2007 Since the early days of humanity gifts as varied as valued objects hospitality and works of art have been an essential means of establishing and maintaining social ties Strategic Affection studies the exchange of gifts in order to explore the nature of seventeenth century Dutch social relations Looking at such widely divergent figures as schoolmasters artisans poets and nobles Irma Thoen compares seventeenth century Dutch gifts with contemporary gift exchanges to show that both strategy and affection are necessary elements of any social relations and that what changes most is not the system but the discourse of exchange Cracking Under Pressure Lynn Owens, 2009 An investigation of the squatters movement in Amsterdam which emerged in the late 1970s as a reaction to the housing shortage of the 1960s peaked in the early 1980s and then fell into a period of prolonged decline Focuses on issues relating to the decline of social movements Provided by publisher
