Looking For Mr Nobody The Secret Life Of Goronwy Rees

R. C. S. Trahair, Robert L. Miller

Looking For Mr Nobody The Secret Life Of Goronwy Rees:

Looking for Mr. Nobody Jenny Rees, 2000 Goronwy Rees 1909 1979 was one of the most gifted and promising figures in the constellation of British poets journalists and intellectuals of the 1930s that included Louis MacNeice W H Auden C Day Lewis Isaiah Berlin and Anthony Blunt Like many liberals of his generation he was shocked by the effects of the Depression and correspondingly sympathetic to the Communist regime in Russia Guy Burgess of the Cambridge spies Burgess Maclean Philby and Blunt admitted his espionage to Rees His association with Burgess was to blight the rest of Rees's life When Burgess defected in 1951 and Rees denounced him to MI5 Rees was viewed more as a spy out to save his own skin than as an honorable citizen His anonymous sensationalist articles in *The People* denouncing Burgess's political activities and all but naming names condemned him with the British intellectual community not for his politics but for his betrayal of a friend Colleagues and acquaintances accused him of trying to initiate a McCarthyite witch hunt He lost his job His academic career was ruined In *Looking for Mr Nobody* Jenny Rees deals with many of the old charges made against her father in her search for the answer to her own question Was he too a spy Had he joined up with Burgess and Blunt and passed secrets to the Soviet Union Her quest for the truth reveals a fascinating portrait of a brilliant but flawed man of letters handsome and seductively charming caught up in the radical political commitments of the 1930s Communist Party membership and his tortured relationship with the notorious Cambridge spies In a straightforward unsentimental manner the author reviews the main aspects of Rees's career professional affiliations his conflict with academic enemies and his anti Communist writings for *Encounter* after the war While Fleet Street continued to denounce Rees as a suspected Soviet agent his daughter went to the only place that could give his ghost rest to the files of the KGB in Moscow There she found proof that as his friends had always believed he had never been recruited by the KGB and whatever intelligence links he may have had with Burgess were severed in 1939 Jenny Rees's book reads like a parable of the Cold War It provides additional insight into the troubled decade of the 1930s and will be of interest to students of politics and the Cold War social history and the general reader concerned with moral and intellectual dilemmas of modern times The introductory essay by Diana Trilling places this riveting story in the context of place and time Jenny Rees Goronwy Rees's eldest child has been a newspaper journalist for most of her working life She has been a reporter and feature writer for the *Daily Mail* the *Daily Express* and the *Daily Telegraph*

Looking for Mr. Nobody Jenny Rees, 2018-01-16 Goronwy Rees 1909 1979 was one of the most gifted and promising figures in the constellation of British poets journalists and intellectuals of the 1930s that included Louis MacNeice W H Auden C Day Lewis Isaiah Berlin and Anthony Blunt Like many liberals of his generation he was shocked by the effects of the Depression and correspondingly sympathetic to the Communist regime in Russia Guy Burgess of the Cambridge spies Burgess Maclean Philby and Blunt admitted his espionage to Rees His association with Burgess was to blight the rest of Rees's life When Burgess defected in 1951 and Rees denounced him to MI5 Rees was viewed more as a spy out to save his own

skin than as an honorable citizen His anonymous sensationalist articles in The People denouncing Burgess's political activities and all but naming names condemned him with the British intellectual community not for his politics but for his betrayal of a friend Colleagues and acquaintances accused him of trying to initiate a McCarthyite witch hunt He lost his job His academic career was ruined In Looking for Mr Nobody Jenny Rees deals with many of the old charges made against her father in her search for the answer to her own question Was he too a spy Had he joined up with Burgess and Blunt and passed secrets to the Soviet Union Her quest for the truth reveals a fascinating portrait of a brilliant but flawed man of letters handsome and seductively charming caught up in the radical political commitments of the 1930s Communist Party membership and his tortured relationship with the notorious Cambridge spies **The Secret World** Hugh

Trevor-Roper, 2014-10-30 During World War II Britain enjoyed spectacular success in the secret war between hostile intelligence services enabling a substantial and successful expansion of British counter espionage which continued to grow in the Cold War era Hugh Trevor Roper's experiences working in the Secret Intelligence Service MI6 during the war left a profound impression on him and he later observed the world of intelligence with particular discernment To Trevor Roper who was always interested in the historical dimension of the present and was fully alive to the historical significance of the era in which he lived the subjects of wartime intelligence and the complex espionage networks that developed in the Cold War period were as worthy of profound investigation and reflection as events from the more distant past Expressing his observations through some of his most ironic and entertaining correspondence articles and reviews Trevor Roper wrote vividly about some of the greatest intelligence characters of the age from Kim Philby and Michael Straight to the Germans Admiral Canaris and Otto John The coherence depth and historical vision which unites these writings can only be glimpsed when they are brought together from the scattered publications in which they appeared and when read beside his unpublished private reflections The Secret World unites Trevor Roper's writings on the subject of intelligence including the full text of The Philby Affair and some of his personal letters to leading figures Based on original material and extensive supplementary research by E D R Harrison this book is a sharp revealing and personal first hand account of the intelligence world in World War II and the Cold War **Affirming** Isaiah Berlin, 2017-09-07 IB was one of the great affirmers of our time

John Banville New York Review of Books The title of this final volume of Isaiah Berlin's letters is echoed by John Banville's verdict in his review of its predecessor Building Letters 1960-75 which saw Berlin publish some of his most important work and create in Oxford's Wolfson College an institutional and architectural legacy In the period covered by this new volume 1975-97 he consolidates his intellectual legacy with a series of essay collections These generate many requests for clarification from his readers and stimulate him to reaffirm and sometimes refine his ideas throwing substantive new light on his thought as he grapples with human issues of enduring importance Berlin's comments on world affairs especially the continuing conflict between Israel and the Palestinians and the collapse of Communism are characteristically acute This is

also the era of the Northern Ireland Troubles the Iranian revolution the rise of Solidarity in Poland the Chernobyl nuclear disaster the fall of the Berlin Wall Ayatollah Khomeini's fatwa against Salman Rushdie the spread of Islamic fundamentalism and wars in the Falkland Islands the Persian Gulf and the Balkans Berlin scrutinises the leading politicians of the day including Reagan Thatcher and Gorbachev and draws illuminating sketches of public figures notably contrasting the personas of Alexander Solzhenitsyn and Andrey Sakharov He declines a peerage is awarded the Agnelli Prize for ethics campaigns against philistine architecture in London and Jerusalem helps run the National Gallery and Covent Garden and talks at length to his biographer He reflects on the ideas for which he is famous especially liberty and pluralism and there is a generous leavening of the conversational brilliance for which he is also renowned as he corresponds with friends about politics the academic world music and musicians art and artists and writers and their work always displaying a Shakespearean fascination with the variety of humankind Affirming is the crowning achievement both of Berlin's epistolary life and of the widely acclaimed edition of his letters whose first volume appeared in 2004

Encyclopedia of Cold War Espionage, Spies, and Secret Operations Richard Trahair, 2012-01-10 The only comprehensive and up to date book of its kind with the latest information

Encyclopedia of Cold War Espionage, Spies, and Secret Operations R. C. S. Trahair, Robert L. Miller, 2013-10-18 The only updated Cold War spy encyclopedia in print

Eliot, 2021-08-31 This volume covers the production of Eliot's play *The Family Reunion* the publication of *The Idea of a Christian Society* and the joyous versifying of *Old Possum's Book of Practical Cats* After exhausting himself through nights of fire watching in the London wartime blackout he travels the country attends meetings of The Moot delivers talks and advises a fresh generation of writers including Cyril Connolly Keith Douglas Kathleen Raine and Vernon Watkins Major correspondents include W H Auden George Barker William Empson Geoffrey Faber John Hayward James Laughlin Hope Mirrlees Mervyn Peake Ezra Pound Michael Roberts Stephen Spender Tambimuttu Allen Tate Michael Tippett Charles Williams and Virginia Woolf Four Quartets Eliot's culminating masterpiece is discussed in detail

Beautiful Idiots and Brilliant Lunatics Rob Baker, 2015-11-15 London's forgotten scandals secrets and personalities from the twentieth century told by the writer of the popular blog *Another Nickel in the Machine*

Wolfenden's Witnesses Brian Lewis, 2016-04-08 The Wolfenden Report of 1957 has long been recognized as a landmark in moves towards gay law reform What is less well known is that the testimonials and written statements of the witnesses before the Wolfenden Committee provide by far the most complete and extensive array of perspectives we have on how homosexuality was understood in mid twentieth century Britain Those giving evidence individually or through their professional associations included a broad cross section of official professional and bureaucratic Britain police chiefs policemen magistrates judges lawyers and Home Office civil servants doctors biologists including Alfred Kinsey psychiatrists psychoanalysts and psychotherapists prison governors medical officers and probation officers representatives of the churches morality councils and progressive and ethical societies

approved school headteachers and youth organization leaders representatives of the army navy and air force and a small handful of self described but largely anonymous homosexuals This volume presents an annotated selection of their voices

Guy Burgess Stewart Purvis, Jeff Hulbert, 2016-01-28 Cambridge spy Guy Burgess was a supreme networker with a contacts book that included everyone from statesmen to socialites high ranking government officials to the famous actors and literary figures of the day He also set a gold standard for conflicts of interest working variously and often simultaneously for the BBC MI5 MI6 the War Office the Ministry of Information and the KGB Despite this Burgess was never challenged or arrested by Britain's spy catchers in a decade and a half of espionage dirty scruffy sexually promiscuous a slob conspicuously drunk and constantly drawing attention to himself his superiors were convinced he was far too much of a liability to have been recruited by Moscow Now with a major new release of hundreds of files into the National Archives Stewart Purvis and Jeff Hulbert reveal just how this charming establishment insider was able to fool his many friends and acquaintances for so long ruthlessly exploiting them to penetrate major British institutions without suspicion all the while working for the KGB Purvis and Hulbert also detail his final days in Moscow so often a postscript in his story as well as the moment the establishment finally turned on him outmanoeuvring his attempts to return to England after he began to regret his decision to defect

Misdefending the Realm Antony Percy, 2017 This is the story of how the Soviet Union successfully infiltrated the UK government in the years leading up to WW2 and specifically when the USSR was an ally of Nazi Germany August 1939 June 1941 Historians have previously argued that this success was due to the existence of a Communist super mole within MI5 and that in the fight against Fascism multiple indulgences towards communists were an unavoidable strategy The reality was very different When a key Soviet defector warned of the deep insertion of agents within the corridors of power the Comintern were obliged by the Hitler Stalin pact to launch an aggressive counteroffensive in 1940 Britain's Security Service was persuaded that the threat from communist subversion was minimal When this most damaging espionage was detected MI5's officers engaged in an extensive cover up to conceal their deficiencies Exploiting recently declassified material and a broad range of historical and biographical sources Antony Percy here reveals how the Soviet Union caught up so swiftly with Western expertise and weaponry and so removed a key Western advantage over its Communist adversary as the Cold War ensued

The Sword and the Shield Christopher Andrew, 2000-08-29 The Sword and the Shield is based on one of the most extraordinary intelligence coups of recent times a secret archive of top level KGB documents smuggled out of the Soviet Union which the FBI has described after close examination as the most complete and extensive intelligence ever received from any source Its presence in the West represents a catastrophic hemorrhage of the KGB's secrets and reveals for the first time the full extent of its worldwide network Vasili Mitrokhin a secret dissident who worked in the KGB archive smuggled out copies of its most highly classified files every day for twelve years In 1992 a U S ally succeeded in exfiltrating the KGB officer and his entire archive out of Moscow The archive covers the entire period from the Bolshevik Revolution to

the 1980s and includes revelations concerning almost every country in the world But the KGB's main target of course was the United States Though there is top secret material on almost every country in the world the United States is at the top of the list As well as containing many fascinating revelations this is a major contribution to the secret history of the twentieth century Among the topics and revelations explored are The KGB's covert operations in the United States and throughout the West some of which remain dangerous today KGB files on Oswald and the JFK assassination that Boris Yeltsin almost certainly has no intention of showing President Clinton The KGB's attempts to discredit civil rights leader in the 1960s including its infiltration of the inner circle of a key leader The KGB's use of radio intercept posts in New York and Washington D C in the 1970s to intercept high level U S government communications The KGB's attempts to steal technological secrets from major U S aerospace and technology corporations KGB covert operations against former President Ronald Reagan which began five years before he became president KGB spies who successfully posed as U S citizens under a series of ingenious disguises including several who attained access to the upper echelons of New York society

The Love-charm of Bombs Lara Feigel, 2013-07-09 A portrait of World War II era London by five literary volunteers documents their experiences as ambulance drivers firefighters and other civilian aids through the course of a single night in September 1940 20 000 first printing

Looking-Glass Wars: Spies on British Screens since 1960 Alan Burton, 2018-01-31 Looking Glass Wars Spies on British Screens since 1960 is a detailed historical and critical overview of espionage in British film and television in the important period since 1960 From that date the British spy screen was transformed under the influence of the tremendous success of James Bond in the cinema the spy thriller and of the new style spy writing of John le Carr and Len Deighton the espionage story In the 1960s there developed a popular cycle of spy thrillers in the cinema and on television The new study looks in detail at the cycle which in previous work has been largely neglected in favour of the James Bond films The study also brings new attention to espionage on British television and popular secret agent series such as Spy Trap Quiller and The Sandbaggers It also gives attention to the more realistic representation of spying in the film and television adaptations of le Carr and Deighton and other dramas with a more serious intent In addition there is wholly original attention given to nostalgic spy fictions on screen adaptations of classic stories of espionage which were popular in the late 1970s and through the 1980s and to historical spy fiction dramas which treated real cases of espionage and their characters most notably the notorious Cambridge Spies Detailed attention is also given to the secret state thriller a cycle of paranoid screen dramas in the 1980s which portrayed the intelligence services in a conspiratorial light best understood as a reaction to excessive official secrecy and anxieties about an unregulated security service The study is brought up to date with an examination of screen espionage in Britain since the end of the Cold War The approach is empirical and historical The study examines the production and reception literary and historical contexts of the films and dramas It is the first detailed overview of the British spy screen in its crucial period since the 1960s and provides fresh attention to spy films series and serials never

previously considered **Historical Dictionary of British Spy Fiction** Alan Burton, 2016-04-04 The Historical Dictionary of British Spy Fiction is a detailed overview of the rich history and achievements of the British espionage story in literature cinema and television It provides detailed yet accessible information on numerous individual authors novels films filmmakers television dramas and significant themes within the broader field of the British spy story It contains a wealth of facts insights and perspectives and represents the best single source for the study and appreciation of British spy fiction British spy fiction is widely regarded as the most significant and accomplished in the world and this book is the first attempt to bring together an informed survey of the achievements in the British spy story in literature cinema and television The Historical Dictionary of British Spy Fiction contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 200 cross referenced entries on individual authors stories films filmmakers television shows and the various sub genres of the British spy story This book is an excellent access point for students researchers and anyone wanting to know more about British spy fiction **Spy and Counterspy** Ian Dear, 2013-07-01 The shadowy world of supposedly legalized spying has an enduring fascination for us all Spy and Counterspy reveals for the first time the web of spies that spanned the globe during and after the Second World War working for organisations like MI5 MI6 the CIA OSS Soviet Smersh NKVD Japanese Tokko and the German Gestapo These men and women lived extraordinary lives always on the edge of exposure and the risk of death Many of them were so in love with the Great Game of espionage that they betrayed their countries and acted as double and sometimes even triple agents in a complex deception that threatened the very grasp of power in government Their war in the shadows remained unrecognized until today *Stalin's Agent* Boris Volodarsky, 2015 This is the true story behind General Alexander Orlov the man who never was now revealed in full for the first time Stalinist henchman Soviet spy celebrated defector to the West and central character in the greatest KGB deception ever **Elizabeth Bowen** Patricia Laurence, 2019-12-03 Elizabeth Bowen A Literary Life reinvents Bowen as a public intellectual propagandist spy cultural ambassador journalist and essayist as well as a writer of fiction Patricia Laurence counters the popular image of Bowen as a mannered reserved Anglo Irish writer and presents her as a bold independent woman who took risks and made her own rules in life and writing This biography distinguishes itself from others in the depth of research into the life experiences that fueled Bowen's writing her espionage for the British Ministry of Information in neutral Ireland 1940 1941 and the devoted circle of friends lovers intellectuals and writers whom she valued Isaiah Berlin William Plomer Maurice Bowra Stuart Hampshire Charles Ritchie Sean O Faolain Virginia Woolf Rosamond Lehmann and Eudora Welty among others The biography also demonstrates how her feelings of irresolution about national identity and gender roles were dispelled through her writing Her vivid fiction often about girls and women is laced with irony about smooth social surfaces rent by disruptive emotion the sadness of beleaguered adolescents the occurrence of cultural dislocation historical atmosphere as well as undercurrents of violence in small events and betrayal and disappointment in romance Her strong visual imagination so much a part of the

texture of her writing traces places scenes landscapes and objects that subliminally reveal hidden aspects of her characters Though her reputation faltered in the 1960s 1970s given her political and social conservatism now readers are discovering her passionate and poetic temperament and writing as well as the historical consciousness behind her worldly exterior and writing

The Blunt Affair Jonathan Bolton, 2020-12-15 The case of the Cambridge spies has long captured the public's attention but perhaps never more so than in the wake of Anthony Blunt's exposure as the fourth man in November 1979 With the Cold War intensifying patriotism running high during the Falklands War and the AIDS crisis leading to widespread homophobia these notorious traitors were more relevant than ever This book explores how they were depicted in literature television and film throughout the 1980s Examining works by an array of distinguished writers including Dennis Potter Alan Bennett Tom Stoppard and John le Carr it sheds new light on the affair asking why such privileged young men chose to betray their country whether loyalty to one's friends is more important than patriotism and whether we can really trust the intelligence services

A Great Unrecorded History Wendy Moffat, 2025-10-16 A REVELATORY LOOK AT THE INTIMATE LIFE OF THE GREAT AUTHOR AND HOW IT SHAPED HIS MOST BE LOVED WORKS With the posthumous publication of his long suppressed novel Maurice in 1970 E M Forster came out as a homosexual though that revelation made barely a ripple in his literary reputation As Wendy Moffat persuasively argues in A Great Unrecorded History Forster's homosexuality was the central fact of his life Between Wilde's imprisonment and the Stonewall riots Forster led a long strange and imaginative life as a gay man He preserved a vast archive of his private life a history of gay experience he believed would find its audience in a happier time A Great Unrecorded History is a biography of the heart Moffat's decade of detective work including first time interviews with Forster's friends has resulted in the first book to integrate Forster's public and private lives Seeing his life through the lens of his sexuality offers us a radically new view revealing his astuteness as a social critic his political bravery and his prophetic vision of gay intimacy A Great Unrecorded History invites us to see Forster and modern gay history from a completely new angle

Thank you very much for reading **Looking For Mr Nobody The Secret Life Of Goronwy Rees**. Maybe you have knowledge that, people have search hundreds times for their favorite novels like this Looking For Mr Nobody The Secret Life Of Goronwy Rees, but end up in malicious downloads.
