Dear Ann—

The scenes in the first section should be as close as you can believe they are the result of my return to an ecology of my childhood—after more than ten years in California—and from my riding to teaching of ten more the year before.

The scenes in section two are pretty much my exact photos, though the shot five where she writes that can never be the "Yorkshire" landscape. Here you find like the two—my poems and Nonny's poem, and hope we told you both much love David.
