Bad Childhood---Good Life Laura Schlessinger, 2006-01-03 In this important book Dr Laura Schlessinger shows men and women that they can have a Good Life no matter how Bad their Childhood For each of us there is a connection between our early family dynamics and experiences and our current attitudes and decisions Many of the people Dr Laura has helped did not realize how their histories impacted their adult lives or how their choices in people repetitive situations and decisions even their emotional reactions were connected to those early negative experiences playing a major role in their current unhappiness For these people and millions like them too much time is dedicated to repeating the ugly dynamics of childhood in a vain attempt to repair or cope with deep hurt and longings Too often they use their emotional pain to control others or excuse their own inappropriate and destructive behaviors Some turn to therapy only to find themselves trapped in their self pitying victim mode robbed of optimism confidence and growth Dr Laura will help you realize that no matter what circumstances you came from or currently live in you are ultimately responsible for how you react to them The acceptance of this basic truth is the source of your power to secure the Good Life you long for In her signature straightforward style with real life examples Dr Laura shows you what you will gain by not being satisfied with an identity as a victim or even as a survivor but striving to be a victor In *Bad Childhood Good Life* Dr Laura will guide you to accept the truth of the assaults on your psyche and soul understand your unique coping style and how it impacts your daily thoughts and actions and help you embrace a life of more peace and happiness *Bad Childhood Good Life* comes from a compassionate and personal place Dr Laura also reveals some of her own experiences with a difficult childhood and what efforts it took to attain a Good Life She writes My resilience has paid off and I m doing the best I can with what I ve got Now you can too

Death of All Life on Earth Don McComber, 2020-04-27 This is the first of four books about how humans won the war on carbon and accidentally caused the death of all things living When Carbon Dioxide began to decrease in the atmosphere first the trees and plants didn t grow then slowly died starting in high latitudes and working inexorably toward the equator All of the wild and domestic animals were either killed for food or starved In the course of a dozen years billions of humans starved to death or were killed by eaters This story is about a young

woman on whom every horrible heart rending tragedy was heaped and yet she somehow almost singlehandedly gave mankind a tiny chance of survival Hang on tight to this apocalyptic tale as it drags you through hope and heartbreak then tragedy and finally triumph
