employee a petite bluestocking who seems to be hiding something though it isn't her talent playing the pianoforte or angelic singing voice Is she connected to the ghostly activity As Vincent and Sophia engage in playful banter and musical duets their connection deepens Vincent believes this could be the prelude to something more but he's just passing through Unwilling to betray her student Sophia tries to resist Vincent's charm He's on his way to Italy and as soon as the memoir is complete she will be on her way to employment far away from this manor by the sea It will break her heart to leave but she doesn't see a future for a bluestocking teacher and a viscount no matter how much he makes her heart sing In this lighthearted Regency romance love and laughter mingle with secrets and intrigue A slow burn strangers to friends to lovers story with more humor than heat just a little too naughty to call it sweet Author's note This story does not follow the current trend of the hero and heroine meeting in the first scene Or even the first chapter But when they do meet well I wrote the entire story around that scene Heat level 3 10

The Viscount's Hidden Treasure Shirley Karr, 2022-03-03 Can She Trust a Privateer Miss Harriet Chase has been in desperate financial straits since the closing of the Ladies Academy where she taught Marriage to Sir Percival would provide for her mother and younger brother and give her the safe stable life she craves But Percy won't propose unless she has a dowry The treasure left by her father before he died might provide it but it's in Spain A thief just stole Harriet's copy of the map She has to go find the treasure now Half the treasure belongs to the heir of her father's friend Viscount Sheffield Rumors swirl around Sheffield like the capes of his greatcoat that he's a privateer who's killed a dozen men and bedded over a hundred women He has a ship and can take her to Spain but can she trust him with her life her virtue her half of the treasure Nicholas Viscount Sheffield inherited nothing but the title and entailed estates his father gave away everything else Nick is eager to claim the treasure his father didn't want him to have even if he has to bring this timid but tenacious woman with him She has memorized what she thinks is the only copy of the treasure map As they follow clues sailing from London to Spain to Portugal they discover other hunters not just the thief are also racing to find the treasure Amidst their adventures Nick discovers the most important treasure is the woman at his side But this journey opens Harriet's eyes to a world of possibilities Will she still want a staid life with Percy or can Nick persuade her that he's the prize she wants A lighthearted Regency historical romance with a dash of adventure and spice
