Looking Through A Mirror Darkly:

Looking Through a Mirror Darkly Christopher Lynn Autmon, 2001-01-21 This small collection of poems and short stories has been almost twelve years in the making from writing and revising to its publication The poetry salutes God and Jesus Christ along with the celebration of love and life The poetry reminds us also that we are human with human emotions sensations desires and feelings It is hoped that the poetry will strike a chord with readers spirit and stir his soul to think of love faith and hope The short works are written with an attempt to examine the unpredictability of life and have people face the unknown when confronted with it There are elements of romance drama mystery plus horror in the stories you will read hence the title of the work In any given moment we have the unknown and unexpected sometimes to our delight while at other times to our horror Pray that you discover delight and fascination in reading this book *Now Through a Glass Darkly* Edward Peter Nolan, 1990 Nolan explores the way Roman and medieval authors used the mirror as both instrument and metaphor *Inhabited by Grace* William O. Daniel, 2019-09-17 What does it mean to inhabit the life of liturgy What does it mean to be inhabited by Christ This book offers a way to rethink what we do when we pray so that we do not so much call on God for help but join in a conversation Readers will learn how to think about God through certain habits and practices how posture effects our perceptions of God and Christ how feasting on Christ in the Eucharist shapes our understanding of the body both our individual bodies and the body of the Church The author also offers tools for forming a deliberate rule of life to ground readers in the transcendent life of liturgy Readers will recognize the inseparability of the tables of their homes and the Eucharistic Table relating daily life with Eucharistic life Dr Daniel connects the language of the Book of Common Prayer with the everyday realities of ordinary life compelling the worshiper to discern how daily practices correspond with or fight against her participation in the Eucharistic economy *Seeing Darkly* John Sparhawk Jones, 1904 **A View from the Cosmic Mirror** Gary Gemmill, 2010-10-26 All of us have hidden parts within us These are the things about ourselves that we do not see our haunting darkness and our illuminating light We often hide from our own flaws But we also can hide from our own undeveloped talents and vital spirit Most of us would like to discover a more whole and complete self To do this we must clearly see the accurate reflection of ourselves in the people and objects around us What it takes is to discover our unseen but true reflection in the cosmic mirror Come join us Begin your journey down a new path In this fascinating self empowerment guide coauthors Gary Gemmill Ph D and George Kraus Ph D provide a template for our transformation and growth One of the most important books of our generation In a word powerful Clearly illustrates the profundity and absurdity of our relationships with others Takes the reader beyond the polarities of our conflicts with others to a place of renewal and hope for a more unified and peaceful world Philip Lichtenberg Ph D Director of the Gestalt Therapy Institute of Philadelphia and author of *Encountering Bigotry Befriending Projecting Persons in Everyday Life* *Leaving God Behind* David Arthur Auten, 2020-09-18 With warmth wisdom and compassion David Arthur Auten invites us to reclaim the secretive intuitive

nature of authentic becoming In a time when many are increasingly disenchanted with traditional demarcations between belief and unbelief the sacred and secular Auten offers a refreshing account of what faith can look like beyond the bounds of religion Those thirsting for reacquaintance with true selfhood and the ability to heed the gift of their own inner voice will find consolation and inspiration in the author s story of leaving behind the church ministry and also God not in exchange for an atheist or even humanist outlook but as an act of faith itself Transgressive insightful and candid *Leaving God Behind* is a memoir of following God beyond God to a place of self compassion surrender and homecoming

Like Willows on a Riverbank Cristy Fox,2018-09-25 *Like Willows on a Riverbank* is a collection of short stories and devotionals meant to encourage uplift and inspire the reader It will hit all the right notes and chords filling your heart and playing its strings like an orchestra

Cain,2023 *Mirrors of the Divine* examines four early Christian authors Tertullian of Carthage Clement of Alexandria Gregory of Nyssa and Augustine of Hippo and analyzes their writings on vision and knowledge of God to show how they envisioned one s relationship to the world and how they imagined the unknown Emily R Cain explores how contradictory theories of sight shaped their cosmologies theologies subjectivities genders and discursive worlds and shows that early Christian arguments about the phenomenon of visual perception are deeply intertwined with broader debates about identity agency and epistemology

Quo Vadis? Manfred F. R. Kets de Vries,2021-03-11 Written at a time of global pandemic when we have been forced to confront age old existential questions Why are we here Where are we going perhaps for the first time *Quo Vadis* is extraordinarily relevant to leaders managers and anyone who wants to bring meaning and authenticity into their work and life Manfred Kets de Vries argues that we need to address these fundamental and disturbing questions if we are to live fully and meaningfully Too many people wake up on a Monday morning and do the same things they have done every Monday They go to work and function on autopilot without questioning their purpose But how can we make sure our lives are rich and fulfilling How do we know we re on the right track This is a book about death and the fear of death about angst and absurdity but it is also about endurance honesty well being responsibility living with hard truths creating meaning

and happiness Quo Vadis makes us look full on at the things we prefer not to see It is a short book that pulls no punches but is far from bleak Instead Kets de Vries shows that our life is enriched and our ability to make meaning and find happiness is increased when we acknowledge the inevitable price we have to pay for knowing our own mind and understanding our inevitable end *What I Drew in Church* Rebecca McKillip Thornburgh,2015-08-06 I m a children s illustrator I sing with my church choir Every week or every week I appear in church I draw funny little pictures on my church bulletins This is a collection of almost 300 silly drawings made over eleven ish years Bunnies bees goblins fairies talking mice and walking teacups All good for a great giggle **Imagination, Meditation, and Cognition in the Middle Ages** Michelle Karnes,2017-12-20 In *Imagination Meditation and Cognition in the Middle Ages* Michelle Karnes revises the history of medieval imagination with a detailed analysis of its role in the period s meditations and theories of cognition Karnes here understands imagination in its technical philosophical sense taking her cue from Bonaventure the thirteenth century scholastic theologian and philosopher who provided the first sustained account of how the philosophical imagination could be transformed into a devotional one Karnes examines Bonaventure s meditational works the *Meditationes vitae Christi* the *Stimulus amoris* Piers Plowman and Nicholas Love s *Myrroure* among others and argues that the cognitive importance that imagination enjoyed in scholastic philosophy informed its importance in medieval meditations on the life of Christ Emphasizing the cognitive significance of both imagination and the meditations that relied on it she revises a long standing association of imagination with the Middle Ages In her account imagination was not simply an object of suspicion but also a crucial intellectual spiritual and literary resource that exercised considerable authority **Scripture, Metaphysics, and Poetry** Robert MacSwain,2016-04-01 This book offers a critical edition of arguably the greatest work of English theology in the 20th century Austin Farrer s Bampton Lectures published as *The Glass of Vision* in 1948 Farrer was an interdisciplinary genius who made original contributions to philosophy theology and biblical studies as well as to our understanding of the role of imagination in human thought and Christian doctrine According to Farrer the three primary themes of these lectures are scripture metaphysics and poetry individually and in relation to each other The lectures defend his famous theory of divine revelation through images rather than propositions or events a provocative account of the place of metaphysical reasoning in theology and a literary approach to the Biblical text that was decades ahead of its time and is still controversial *The Glass of Vision* has generated a rich and interesting interdisciplinary conversation that has lasted for decades starting with commentators such as Helen Gardner and Frank Kermode In addition to Farrer s full text this critical edition also contains an introduction to the significance and context of Farrer s thought and a selection of thirty years worth of commentary by leading British and European theologians and literary scholars David Brown Ingolf Dalferth Hans Haug Douglas Hedley David Jasper and Gerard Loughlin Of interest to literary and biblical scholars theologians and philosophers this book holds particular value for those exploring the nature of imagination in contemporary thought and scholarship **Love's Oneing**

Kerrie Hide,2022-11-08 Grounded in Christian love mysticism Love s Oneing gives voice to the luminous consciousness that awakens from within our oneness in God in contemplation With great sensitivity the book offers nuanced insight into the marriage of kenosis and desire in contemplation through the rich tapestry of writings from nine mystics Julian of Norwich the Cloud of Unknowing author Meister Eckhart Mechthild of Magdeburg Clare of Assisi John of the Cross Teilhard de Chardin Beatrice Bruteau and Ilia Delio With the delicate eye of a spiritual director immersed in mystical literature Kerrie Hide situates these mystical teachings within contemplative prayer whilst offering a scholarly exploration of contemplative practice to embody the insights Deeply grounded in traditional and contemporary mystical classics Hide celebrates how the Christian mystical tradition lays a foundation for the evolutionary growth of communion consciousness and the insights of quantum science highlighting key moments in contemplation that when surrendered into open into divine love Born of intellectual reflection lived experience and contemplative wisdom Love s Oneing makes a unique contribution to the existing literature on contemplation at a time when the recovery of the mystical dimension of life is crucial for the future of our planet in this climate crisis moment Messianic Meditations Cathy Hargett,2023-06-30 *Liberation* Stanley Alfred Mellor,1929
