Godfather: The Intimate Francis Ford Coppola Gene D. Phillips, Author Gene D Phillips blends biography studio history and film criticism to provide the most comprehensive work available on Francis Ford Coppola Phillips gained access to the reticent director and his colleagues and examined Coppola s private production journals and screenplays He reviewed rare copies of Coppola s student films his early excursions into soft core pornography and his less celebrated productions such as One from the Heart and Tucker The Man and His Dream Phillips also illuminates the details of the production history of the harrowing 238 day shoot of Apocalypse Now and explains how The Godfather was almost cast without the now iconic Marlon Brando **Let Loose the Lions** Jamie Groccia,2013-02-20 There is no available information at this time This will be updated once information is available The Poetical Works of Thomas Moore, etc. With a portrait Thomas Moore,1870

The Body of the Queen Regina Schulte,2006-04-01 How many bodies does a queen have What is the significance of multiple bodies How has the gendered body been constructed and perceived within the context of the European courts during the course of the past five centuries These are some of the questions addressed in this anthology a contribution to the ongoing debate provoked by Ernst H Kantorowicz in his seminal work from 1957 The King s Two Bodies On the basis of both textual self presentations and visual representations a gradual transformation of the queen appears A sacred providential figure in medieval and early modern period an ideal bourgeois wife during the late 18th and 19th Centuries and a star like representation of royalty during the past century Twentieth century mass media has produced the celebrity and film star queens personified by the contested and enigmatic Nefertiti of ancient Egypt the mysterious Elizabeth Sisi of Austria Grace Kelly as Queen of both Hollywood and Monaco and Romy Schneider as the invented Empress The Routledge History of Emotions in the Modern World Katie Barclay,Peter N. Stearns,2022-08-09 The Routledge History of Emotions in the Modern World brings together a diverse array of scholars to offer an overview of the current and emerging scholarship of emotions in the modern world Across thirty six chapters this work enters the field of emotion from a range of angles Named emotions love anger fear highlight how particular categories have been deployed to make sense of feeling and their evolution over time Geographical perspectives provide access to the historiographies of regions that are less well covered by English language sources opening up global perspectives and new literatures Key thematic sections are designed to intersect with critical historiographies demonstrating the value of an emotions perspective to a range of areas Topical sections direct attention to

the role of emotions in relations of power to intimate lives and histories of place as products of exchanges across groups and as deployed by new technologies and medias The concepts of globalisation and modernity run through the volume acting as foils for comparison and analytical tools The Routledge History of Emotions in the Modern World is the perfect resource for all students and scholars interested in the history of emotions across the world from 1700

The Long Half-Lives of Love and Trauma Helen Epstein, 2019-07-31 This intrepid memoir tracks sexual harassment and sexual abuse in the life of a veteran American journalist It also describes the long and ultimately successful psychotherapy the author undertook to heal

The Long Half Lives of Love and Trauma invents its own genre wrote Sherry Turkle The author suspects sexual abuse in her childhood and investigates with the toolkits of an historian and ethnographer The result is a memoir that is what Eva Hoffman calls a true labor of memory in which the story of the body is inseparable from the narrative of the self This memoir is the third of a non fiction trilogy following Helen Epstein's Children of the Holocaust Conversations with Sons and Daughters of Survivors Putnam 1979 and Where She Came From A Daughter's Search for Her Mother's History Little Brown 1997 both widely translated As Gloria Steinem wrote In Epstein's hands truth becomes not only stranger than fiction but more magnetic Clear eyed fearless taboo breaking This trilogy is unusual not only because nearly 40 years separate the first and last volumes with the second positioned midway at the 20 year mark but also because the works differ so greatly in style structure and content The Long Half Lives of Love and Trauma's major contribution is its willingness to talk openly and place forefront a personal trauma of sexual abuse in its post Holocaust context Helen Epstein has consistently rejected sanitizing Jewish history including women's history She has refused to keep secrets that she knew needed to be told and she has avoided idealization nostalgia and hagiography Irena Klepfisz Tablet Magazine Epstein takes the reader through her decades long process of self discovery understanding and healing accomplished through a strong bond of friendship a solid and supportive family and the powerfully restorative effects of psychoanalysis written with page turning clarity openness and complete honesty This is a ground breaking memoir in style and in its contribution to the issues of sexual abuse Berkshire Eagle This book invents its own genre Eminent journalist Helen Epstein suspects sexual abuse in her childhood and investigates with the full arsenal of what is available to her as an adult the literature on trauma and false memory the tools of psychoanalysis as well as a sophisticated understanding of its limitations the toolkits of an historian and ethnographer And access to a key witness That rare story in which everyone becomes more human and multi dimensional as it unfolds Sherry Turkle author of Reclaiming Conversation The Power of Talk in a Digital Age In this poignant vividly written and fearlessly frank memoir Helen Epstein probes with sensitivity and insight the multi layered ambiguities of love intimate relationships and post Holocaust American lives More than a chronicle of events this is a true labor of memory in which the story of the body is inseparable from the narrative of the self Eva Hoffman author of Lost in Translation In midlife well settled in marriage and motherhood Epstein is impelled to revisit the legacy of her childhood As she risks both her own sanity and the

relationships she holds most dear Epstein illustrates the complex moral and psychological effects of trauma and the gritty process of recovery Judith Herman M D author of *Trauma and Recovery* Helen Epstein's career has been devoted to tracking how political and cultural history penetrates family life over generations Her books have been models of investigation This new memoir plants an even deeper stake into the search through personal trauma This is heroic writing and belongs in the canon of accounts of mothers and daughters of wounds lost in the depth of childhood and the valiant determination of a woman to live in uncertainty with grace Patricia Hampl author of *I Could Tell You Stories* In this riveting book Helen Epstein probes the dark corners of her childhood with sensitivity and remarkable candor This memoir reads like a detective story and asks questions that affect us all how does our sexual nature get formed or deformed and how can it change Unflinching writing Anne Karpf author of *The War After Living with the Holocaust* Courageously peeling back layers of her own psyche Helen Epstein describes how one is able to withstand and survive trauma and perhaps even more difficult to heal from it While tracing her own trajectory Epstein offers a riveting cultural history of America in the late twentieth century Helen Fremont author of *After Long Silence* Helen Epstein has crafted an unclassifiable masterwork of nonfiction from the materials of personal memory family history romance and trauma Never in her distinguished career has Epstein written more openly or more beautifully David Hajdu author of *Positively 4th Street The Lives and Times of Joan Baez Bob Dylan Mimi Baez Fari a and Richard Fari a* Candid and penetrating Epstein meticulously unravels the fabric of her past A relentlessly probing memoir of a search for self knowledge Kirkus

Portraits John Berger, 2016-10-25 A rich and lovely exploration of art history from the world renowned art critic behind *Ways of Seeing* Slate A diverse cast of artists comes to life in this jargon free study Zadie Smith hails as among the greatest books on art I've ever read One of the world's most celebrated art writers takes us through centuries of drawing and painting revealing his lifelong fascination with a diverse cast of artists Berger grounds the artists in their historical milieu in revolutionary ways whether enlarging on the prehistoric paintings of the Chauvet caves or Cy Twombly's linguistic and pictorial play In penetrating and singular prose Berger presents entirely new ways of thinking about artists both canonized and obscure from Rembrandt to Henry Moore Jackson Pollock to Picasso Throughout Berger maintains the essential connection between politics art and the wider study of culture The result is an illuminating walk through many centuries of visual culture featuring 100 black and white images from one of the contemporary world's most incisive critical voices A wonderful artist and thinker Susan Sontag

In Search of Lost Time - The Complete Seven-Book Series Marcel Proust, 2023-12-28 Marcel Proust's monumental series *In Search of Lost Time* is a profound exploration of memory time and consciousness elegantly rendered in rich introspective prose Spanning seven volumes this literary masterpiece intricately weaves the narrator's reflections on the intricacies of life societal change and the fleeting nature of love Proust's style is characterized by long flowing sentences and vivid imagery allowing readers to

immerse themselves in the psychological depths of his characters and the nuances of their experiences within the Belle époque era Through detailed observations and a unique narrative structure Proust invites readers to contemplate the passage of time and its intimate effects on human identity and relationships Marcel Proust 1871 1922 a prominent French novelist drew upon his own life experiences and social milieu to craft this extensive work His background in the affluent Parisian elite and his struggles with illness presented him with a unique perspective on the transience of life and the power of recollection Influenced by his own introspective nature Proust became fascinated with the workings of memory which served as a catalyst for this profound exploration of human experience Readers seeking a deep philosophical engagement with themes of time loss and desire will find *In Search of Lost Time* an essential addition to their literary canon Proust's insights into the human condition resonate with timeless relevance making this complete seven book series an indispensable journey for anyone eager to delve into the complexities of life and memory In this enriched edition we have carefully created added value for your reading experience A comprehensive Introduction outlines these selected works unifying features themes or stylistic evolutions The Author Biography highlights personal milestones and literary influences that shape the entire body of writing A Historical Context section situates the works in their broader era social currents cultural trends and key events that underpin their creation A concise Synopsis Selection offers an accessible overview of the included texts helping readers navigate plotlines and main ideas without revealing critical twists A unified Analysis examines recurring motifs and stylistic hallmarks across the collection tying the stories together while spotlighting the different work's strengths Reflection questions inspire deeper contemplation of the author's overarching message inviting readers to draw connections among different texts and relate them to modern contexts Lastly our hand picked Memorable Quotes distill pivotal lines and turning points serving as touchstones for the collection's central themes

Painting, Poetry, and the Invention of Tenderness in the Early Roman Empire Hérica Valladares, 2020-12-17 Tenderness is not a notion commonly associated with the Romans whose mythical origin was attributed to brutal rape Yet as Hérica Valladares argues in this ground breaking study in the second half of the first century BCE Roman poets artists and their audience became increasingly interested in describing depicting and visualizing the more sentimental aspects of amatory experience During this period we see two important and simultaneous developments Latin love elegy crystallizes as a poetic genre while a new style in Roman wall painting emerges Valladares book is the first to correlate these two phenomena properly showing that they are deeply intertwined Rather than postulating a direct correspondence between images and texts she offers a series of mutually reinforcing readings of painting and poetry that ultimately locate the invention of a new romantic ideal within early imperial debates about domesticity and the role of citizens in Roman society
