Marley Knott's Mountain Pam Nester Cloud, 2017-09-18 Long before man came to live on Marley Knott's Mountain it was foretold by a mountain circuit rider who came and held a tent revival around the foothills of that mountain that God would use that mountain to bring forth a multitude of souls to the Lord People had come far and wide to the revival and witnessed the power of God to heal and deliver their friends Everyone but a few scoffers received salvation How can this prophecy be true No one lived up on that big mountain The land was so rugged not many animals could roam up there much less people But God had a plan Not long afterward a man named Marley Knott brought in his big draft horses and bucksaws and hewed out a road up through that mountain He built his family a small cabin on the north side and they lived there until their deaths but no revival The prophecy had been talked about for years People speculated much about it Even called the old circuit rider a false prophet But God knew better Slowly ever so slowly people began to build small shacks up in the mountain to escape progress They were set in their ways and would not conform to change The road that Marley Knott hewed out provided a way to get up there and that is just what they did They loaded wagons often having to set some of their possessions off and come back later for them But they nevertheless trudged forward and soon families dotted the mountain Some couldn't cut the harsh winters and moved back down leaving but a remnant Those who stayed battled the elements and often lacked food put down roots so far down in that mountain they actually became part of the mountain no less the rocky ground

The Strong's Constance Kinney, 2011-04-14 At one time or another as creatures of creation we will all face a storm The storm may be rocky or it may be smooth It is up to us as beings of existence to recognize when a storm is approaching We all deal with our storms in our own personal manners of difference The Strong's is a story of a family who faced many storms No matter how great their faith remarkably carried them through each and every storm Walking into a storm blindsided indubitably causes destruction pain and even death As with any other challenge preparation is the key in overcoming unbearable situations We must ask ourselves if a mighty and great storm came into our lives today would we be able to weather it

The Invisible Mask Catherine Hope, 2019-05-09 Are you tired of feeling invisible and alone There are few things worse than hiding behind an invisible mask with a fake smile feeling unnoticed unwanted and desperately hoping that someone would notice the real you Most of my life I struggled to fit in and to be accepted I felt invisible and that I didn't have a voice Through my journey of finding acceptance and purpose I wrote my prayers to God in the form of poems and wrote moments that I encountered a lesson learned or a struggle I needed an outlet so I wrote What I didn't expect was by doing so I would find healing

acceptance and love I came to know of a loving Father who showed me that I wasn't invisible but loved by Him and had a purpose God had a purpose for my tears and put it on my heart to share my journey with others You deserve to be noticed cared for and valued You are not alone but loved My prayer is with this book others can and will find comfort and hope as my struggles point them to a Loving God Savior and Friend
