Aidan realized not everyone could see what he could and not everyone shared his exceptional gift for healing In this remarkable memoir Aidan vividly recalls how the presence of Angels sustained him through years of great turmoil when his happy carefree world turned into one of misery and torment As he recalls the sexual and mental abuse he suffered at the hands of two teachers in his Christian Brothers primary school and the isolation which followed Aidan tells how the Angels helped him find his way back to life and through the power of divine healing taught him how to bring light and love into his life and the lives of many others
