The Big Nap Ayelet Waldman,2002-07-02 Smart witty mystery from the author of Bad Mother and Love and Treasure Juliet Applebaum is smart fearless and completely candid about life as a full time mom with a penchant for part time detective work Sue Grafton Ever since her four month old son was born Juliet hasn t slept for more than fifteen minutes at a stretch Has she given birth to some sort of mutant vampire She s beginning to wonder It s been ages since she took her three year old daughter to the park Just one more reason why she s a front runner for the Worst Mother of the Year award Her workaholic husband is spending way too much time with his perky

oh so pretty producing partner Juliet's sure her own post pregnancy pounds are at least partly to blame She's started answering the door topless Don't even ask And now her son's babysitter a beautiful young Chasidic woman has vanished Juliet can't help wondering if Fraydle was fleeing something even scarier than her screaming squalling charge Like her upcoming arranged marriage maybe It's certainly possible Especially since Juliet saw her furtively chatting with a non Chasidic man shortly before she disappeared Or perhaps something much more sinister has occurred Why else would Fraydle's family be so reluctant to call in the police To find out the truth Juliet with her over tired kids in tow will have to travel from her havoc filled home in Los Angeles to a Chasidic enclave in Brooklyn In search of answers In pursuit of justice And in desperate need of a big long nap Ayelet Waldman is the author of Love and Other Impossible Pursuits and other acclaimed works of both fiction and nonfiction as well as the Mommy Track Mysteries including such titles as Nursery Crimes and A Playdate with Death And Murder Makes Three Ayelet Waldman,2015-08-04 NOW IN ONE VOLUME THE FIRST THREE MOMMY TRACK MYSTERIES Nursery Crimes Bored with playdates and trips to the park Juliet Applebaum a public defender turned stay at home mom gets off the mommy track to hunt down the murderer of a preschool principal The Big Nap When her infant son's babysitter disappears an exhausted Juliet and her over tired kids travel to Brooklyn to find answers justice and maybe the chance to get a nice long nap A Playdate with Death Juliet is happy to be getting some kid free time at the gym until her peppy personal trainer dies under mysterious circumstances Always up for a reason to get out of the house Juliet jumps at the chance to investigate **Players at the Game of People** John Brunner,2013-02-18 War hero jet setter gourmet Godwin Harpinshield was all of those and more his life was a game played among the Beautiful People whose fame wealth and power set them above the law and beyond the laws of nature Because of a simple bargain that all the Beautiful People made Godwin's every desire was his for the asking Seduced by luxury Godwin never doubted his fortune never wondered about his mysterious patrons Then the game turned ugly Suddenly the ante was raised and the game was real The stakes were his future his sanity and possibly his very soul All Godwin Harpinshield had to discover was What were the rules of the game And who or what were the other players The International Banana Trade Julian Roche,1998-11-03 The unique characteristic of the international banana trade is distinguished from other commodity trades by the intensity of its politics and the importance of a small number of companies which have dominated the trade for over a hundred years This book provides a comprehensive guide to the trade in the world's most popular fruit Covering all aspects of the trade from patterns of production and consumption to pricing trends from details of the companies involved to consideration of international political constraints Analysts and policy makers within the trade or governmental organisations economists food retailers marketing professionals and students of international affairs need look no further for a reliable reference guide to this complex trade Origins and growth of the world trade The role of the multinationals and other companies Analysis of individual producer countries **Banana Streak Virus** Tsitsi Rosa Catherine Ndowora,1998 Fighting the Banana Wars

and Other Fairtrade Battles Harriet Lamb, 2008-12-02 It started very small and full of hope But its daring campaigns have placed Fairtrade goods at the heart of the supermarket shelves From bananas and coffee beans to cotton and chocolate Fairtrade has grown to become an important global movement that has revolutionised the way we shop As Harriet Lamb Chief Executive of Fairtrade International explains in this extensively revised and updated edition of her inspirational book Fairtrade is about a better deal for workers and farmers in the developing world It's about making sure the food on our plates and shirts on our backs don't rob people in other countries of the means to feed or clothe themselves She explores the journey through an often unjust system that Fairtrade items make from farm to consumer And she uncovers the shocking cost of our demand for cheaper food There is much still to be done But by hard work and high ideals Fairtrade is starting to transform the lives of over 7 million farmers workers and their families and is a powerful symbol of how extraordinary change can be achieved against all the odds by us all *Narratives and Journeys in Rock Art: A Reader* George Nash, Aron

Mazel, 2018-11-19 Why publish a Reader Today it is relatively easy and convenient to switch on your computer and download an academic paper However as many scholars have experienced historic references are difficult to access Moreover some are now lost and are merely references in later papers This can be frustrating **Banana Wars** Steve Striffler, Mark

Moberg, 2003-11-20 The history of banana cultivation and its huge impact on Latin American history politics and culture

Star-Crossed L. Loryn, 2018-12-29 He was sent to kill him but when he saw his face he couldn't pull the trigger After the death of his first love and his father the only thing Ajax had left was work and memories And he's okay with that until a person from his past walks back into his life at the worst possible moment The problem is he's been alone so long that he doesn't know what to do or say Plus he's not even sure if he wants to open himself up just to lose another person Is it really worth it Orion's in a situation His father hates him his husband uses him and when he sees a way out he takes it even though it means traveling with an assassin a beautiful assassin who threatens to take his life at every turn But anything is better than what he had before right Right This novel is a STAND ALONE novel but it helps if you read the prequel before jumping into this story **The Political Ecology of Bananas** Lawrence S. Grossman, 1998 This study of banana contract farming in the Eastern Caribbean explores the forces that shape contract farming enterprises everywhere _capital the state and the environment Employing the increasingly popular framework of political ecology which highlights the dynamic linkages between political economic forces and human environment relationships Lawrence Grossman provides a new perspective on the history and contemporary trajectory of the Windward Islands banana industry He reveals in rich detail the myriad impacts of banana production on the peasant laborers of St Vincent and the Grenadines Grossman challenges the conventional wisdom on three interrelated issues central to contract farming and political ecology First he analyzes the process of deskilling and the associated significance of control by capital and the state over peasant labor Second he investigates the impacts of contract farming for export on domestic food production and food import dependency And third

he examines the often misunderstood problem of pesticide misuse Grossman's findings lead to a reconsideration of broader debates concerning the relevance of research on industrial restructuring and globalization for the analysis of agrarian change Most important his work emphasizes that we must pay greater attention to the fundamental significance of the environmental rootedness of agriculture in studies of political ecology and contract farming Assyrians Richard Morris,1991
