Mister Got To Go And Arnie:

Mister Got to Go and Arnie Lois Simmie, 2001 *Mister Got To Go and Arnie* is an exciting and amusing sequel to the much loved bestseller *Mister Got To Go*. The Cat That Wouldn't Leave *Got To Go* is a large grey cat who lives in an old vine covered hotel across from the beach in downtown Vancouver. One day *Got To Go*'s pleasant life at the Sylvia Hotel is turned upside down when Arnie, a very small, very noisy dog arrives. No more afternoon naps on the warm wide windowsill in the office of the manager Mr Foster, no more brushing his whiskers against Mr Foster's toothbrush and no way of escaping the constant barking of Arnie. Fortunately, after a series of misadventures, Mr Foster comes up with a crafty plan to find a new home for Arnie. Cynthia Nugent's illustrations capture the warmth of this charming story and the splendour of the Sylvia Hotel. *Mister Got To Go* has won several awards including a Canadian Children's Book Centre Outstanding Book Award. *Mister Got to Go And Arnie* Lois Simmie, 2004-04-01 *Got To Go*'s position as the Sylvia Hotel cat is jeopardized when the hotel manager Mr Foster gets an annoying dog, but when Arnie does not stop pestering the guests, Mr Foster comes up with a better plan for Arnie.

Mister Got to Go Lois Simmie, 1995 On a dark and soggy night a bedraggled cat finds its way into the ivy covered Sylvia Hotel in Vancouver's fashionable West End. Before long *Mister Got To Go* has become not only a fixture at the hotel but a valuable employee.

Reading the World's Stories Annette Y. Goldsmith, Theo Heras, Susan Corapi, 2016-08-11 *Reading the World's Stories* is volume 5 in the *Bridges to Understanding* series of annotated international youth literature bibliographies sponsored by the United States Board on Books for Young People (USBBY). USBBY is the United States chapter of the International Board on Books for Young People (IBBY), a Switzerland based nonprofit whose mission is to bring books and children together. The series promotes sharing international children's books as a way to facilitate intercultural understanding and meet new literary voices. This volume follows *Children's Books from Other Countries* (1998), *The World through Children's Books* (2002), *Crossing Boundaries with Children's Books* (2006) and *Bridges to Understanding: Envisioning the World through Children's Books* (2011) and acts as a companion book to the earlier titles. Centered around the theme of the importance of stories, the guide is a resource for discovering more recent global books that fit many reading tastes and educational needs for readers aged 0-18 years. Essays by storyteller Anne Pellowski, author Beverley Naidoo, and academic Marianne Martens offer a variety of perspectives on international youth literature. This latest installment in the series covers books published from 2010-2014 and includes English language imports as well as translations of children's and young adult literature first published outside of the United States. These books are supplemented by a smaller number of culturally appropriate books from the US to help fill in gaps from underrepresented countries. The organization of the guide is geographic by region and country. All of the more than 800 entries are recommended, and many of the books have won awards or achieved other recognition in their home countries. Forty children's book experts wrote the annotations. The entries are indexed by author, translator, illustrator, title, and subject. Back matter also includes international book awards, important organizations, and research collections, and a

can't wait for the end of the world Sam's the grandson caught in the middle but looking hard for a way out With this heartbreaking cast of characters Lois Simmie assembles a true fictional tour de force a roller coaster of a novel that just won't let up until the final page As Matthew deals daily with the eccentric tenants of his building and struggles to resist the powerful temptation to hit the bottle again he's not necessarily in a reflective mood Lord knows he's got his own troubles But as sobriety takes a bit more root in him and he begins to look outward he sees that he's not the only one with problems In fact maybe others people that he loves in his own way and still in their own ways love him have problems bigger than his But these are people he's let down in the past with his cowardly ways with his weakness with his self absorption It's going to take every ounce of courage that he's got all the wisdom he can muster all the wherewithal he's not sure he possesses to try to make a difference It was too late once But if he fails this time it really is goodbye Great Cat Stories Roxanne Willems Snopek,2011-03-24 Cats have fascinated and delighted humankind for millennia Mysterious and enchanting or affectionate and playful they immeasurably enrich the lives of their human companions In this collection of stories about exceptional cats Roxanne Willems Snopek explores the loving relationship between cats and their people A dedicated woman founds an organization to care for feral cats on the cold hostile streets of Saskatoon A clever cat becomes a famous columnist with just a little help from his writer owner A stray cat moves into a Vancouver hotel and decides to stay becoming the subject of a bestselling children's book In Ottawa an elderly man selflessly maintains a long tradition of caring for the cats of Parliament Hill From cats that heal and console the ailing to cats that survive only through the love of their caregivers the stories of these memorable pets will warm the hearts of all animal lovers *Saskatchewan Writers* University of Regina.
