Mistress Ruby Ties It Together:

Mistress Ruby Ties It Together Robin Shamburg, 2001-02-20 Equal parts memoir how to and social satire *Mistress Ruby Ties it Together* is a guided tour through New York's underworld where the author worked as a professional dominatrix to subsidize her writing career As *Mistress Ruby* this former Catholic school girl took confessions from some of the country's most powerful men Within the sanctity of the dungeon they revealed to her their darkest lusts fears and frailties as well as their sincere desire to connect with the opposite sex Each of these provocative essays provides an insider's view of human deviation together they present a startling portrait of our everyday selves *Mistress Ruby* is a striking candid and humorous look behind the dungeon doors to a darker and often unexplored side of human nature *Bust*, 2001 **New Books on Women and Feminism**, 2001 [Book Review Index](#), 2003 Vols 8 10 of the 1965 1984 master cumulation constitute a title index *Bitch*, 2006 **The Ruby in Her Navel** Barry Unsworth, 2017-11-14 In twelfth century Norman Sicily King Roger presides over Palermo in the aftermath of the Second Crusade For the time being Latins and Greeks Arabs and Jews are living together in uneasy harmony Within this milieu young Thurstan Beauchamp serves faithfully as a civil servant of the king his daily environment filled with tiny accountings schemes machinations and bribes When he is dispatched to investigate a conspiracy against the king he will find his loyalties tested and when he encounters both his childhood sweetheart and a seductive dancer his heart torn An extraordinary tale of ambition politics and the loss of innocence set against the glittering backdrop of medieval Europe *The Ruby in Her Navel* powerfully traces the clash of civilizations from its historical origins with deep resonances for today [Kate Atkinson](#) Armelle Parey, 2022-11-15 This timely in depth study of award winning Kate Atkinson's work provides a welcome comprehensive overview of the novels play and short stories It explores the major themes and aesthetic concerns in her fiction Combining close analysis and literary contextualisation it situates her multifaceted work in terms of a hybridisation of genres and innovative narrative strategies to evoke contemporary issues and well as the past Chapters offer insights into each major publication from *Behind the Scenes at the Museum* to *Big Sky* the latest instalment in the Brodie sequence through the celebrated *Life After Life* and subsequent re imaginings of the war in relation to the key concerns of Atkinson's fiction including self narrativisation history memory and women's lives **The Diva's Ruby** F. Marion Crawford, 2022-08-10 In *The Diva's Ruby* F. Marion Crawford weaves a tale of intrigue and heritage set against the vivid backdrop of Central Asia Crawford's narrative revels in rich descriptions capturing the cultural essence of a little known Tartar city through the story of Baraka whose beauty and destiny transcends the entrenched secrecy of her community's treasured ruby mine His literary style characterized by a lush almost Orientalist fascination with the region allows readers to traverse a path few Europeans of his time had imagined let alone inscribed into literature Baraka's story unfolds in a confluence of romance and mystery inviting audiences into a realm where generational secrets intersect with personal destiny within a framework of traditional storytelling Crawford's language bears the ornate hallmarks of his period

yet it remains accessible to the modern reader providing a window into the literary context of the late 19th and early 20th centuries The author Francis Marion Crawford was a prolific writer whose experiences living abroad in Italy and his travels to India and the East undoubtedly influenced *The Diva's Ruby* His fascination with different cultures and historical periods breathes life into the novel as Crawford imbues his narrative with the exoticism and adventure that characterize much of his work Born to an artistic family and educated from an early age in the nuances of history and the humanities Crawford's storytelling is both a tribute to and a product of his rich personal and intellectual background which lends veracity and depth to the enthralling tale of Baraka Recommended for lovers of historical fiction and those intrigued by tales of exotic locales and lost treasures *The Diva's Ruby* offers more than a mere adventure it is an exploration of the ways in which secrets can shape the lives of individuals and the destinies of communities Readers will be drawn not only to the allure of the undiscovered ruby mine but also to the profound human story of a woman whose beauty defies the conventions and constraints of her world Crawford's book is thus both a journey through a meticulously crafted past and a contemplative dive into the complexities of cultural inheritance and personal identity

Brill's Content ,2001-02 **Burying the Lead** Mal Jay Hyman,2019-03-01 The Cold War ushered in a time of secrecy and willing media cooperation to keep those secrets But even after winning that war the vault of secrets remains firmly locked especially surrounding John F Kennedy's murder Even for those who fundamentally oppose the current presidential administration notions of a national security state and fake news must be examined to maintain a functional democracy This book explains the rapid decline in confidence in government that started after the assassination of JFK The mainstream media failed to go beyond repeating the official story and by 1991 they along with academe and the government had stopped investigating altogether It was filmmaker Oliver Stone whose film fueled public outrage and led to the JFK Act to declassify all of the remaining documents Almost four million pages of documents were then released that even Congress had not yet seen The JFK Act stated that all files must be released by October 2017 yet thousands are still withheld on the grounds of national security This volume examines the tight alliances that have allowed this cover up for more than 50 years President Kennedy declared in October 1963 that men who create power make an indispensable contribution to a nation's greatness but the men who question power make a contribution just as indispensable especially when they are disinterested for they determine whether we use power or power uses us
