

The worst thing a man can do
to a woman is to play with
her feelings, fiddle with
her heart, toy with her
emotions, misuse her and
then dump her to leave her
shattered and wounded
forever just because he has
another woman in his life

along the way What exactly is vanity and how does it factor into our personal and professional lives for better and for worse This book brings Smith s Theory of Moral Sentiments into conversation with William Makepeace Thackeray s Vanity Fair to offer an analysis of vanity and the objects proper and otherwise to which it may be directed Leading the way through the literary case study presented here is Becky Sharp the ambitious and cunning protagonist of Thackeray s novel Becky is joined by a number of other 19th Century literary heroines drawn from the novels of Jane Austen Charlotte Bront and George Eliot whose feminine and feminist perspectives complement Smith s astute observations and complicate his account of vanity The fictional characters featured in this volume enrich and deepen our understanding of Smith s work and disclose parts of our own experience in a fresh way revealing the dark and at times ridiculous aspects of life in Vanity Fair today as in the past
