Samuel,2019-11-29 Widely considered the most complex of human emotions romantic love both shapes and reflects core societal values its expression offering a window into the cultural zeitgeist In popular culture romantic love has long been a mainstay of film television and music The gap between fictitious narratives of love and real life ones is however usually wide American s expectations of romance and affection often transcend reality Tracing the history of love in American culture this book offers insight into both the national character and emotional nature **Suspect, Love** Judith D. Andrade,2011-05-31 An unexpected weekend romance which holds the promise of a lasting relationship is derailed when Rosanna s lover Angus is accused of fraud Their love is put on holdbut not their desire As the couple struggle to find their way back to each other their diverse backgrounds intervene and family pressures mount Only the hand of fate can step in and save the fragile love that was born in the ashes of the past My Uncle Bill and his Love Everest Peter Jalesh,2013-09-19 The novel portrays three main characters in pursuit of their dreams The main character is Molly a woman that becomes a jockey and pursues her dream to win the Triple Crown derbies trophy As the story evolves she proves to have an enormous resilience in the face of a disabling illness that affects her life and her career What becomes predominant in Molly s quest for glory is the tie between her and the champion horse Their love for each other either in good fortune or in tragedy reaches further than their aspirations to achieve glory The next character in line is Uncle Bill who comes to realize one day that his life lacks a higher purpose To make up for it he designs an ultimate adventure for himself which he calls Project Everest Eventually Uncle Bill goes and climbs Mt Everest and never returns from there Reaching that peak becomes an end in itself Did Uncle Bill succeed to arrive at that peak Later on a salvage team finds on the mountain peak Uncle Bill s watch hidden under a rock What belongs to a larger than life story is that Uncle Bill s preparation for climbing Mt Everest becomes a vital activity at all population levels It looks as if each life prepares itself to help Uncle Bill triumph over defiance What Uncle Bill s project proves to others is that conquering the impossible is a human trait that belongs to all of us an aspiration of all of us to overcome the impossible The third character that gathers attention is the teen author that lives through those events and discovers what love is The background of the story is made up of farmlands a bunch of neighboring farms on which the principal activity is growing animals like pigs burrows and thoroughbred studs It is not difficult to interpret the motives interleaved by the story as being symbolic Molly s desire to win the Triple Crown begins with a fortunate chance and ends with another chance an unfortunate one an accidental chance

Uncle s Bill s climbing of Mt Everest is the result of a careful planning that ends in an illusive victory Both fates described above are metaphors The sense implied here is that the pursuit of fame success and victory is beyond life That is happiness is doomed to failure in the quest of the impossible also that the boundaries of what is given to us to live are finite prone to chance and accident *The Poetical Works of John Milton* John Milton,1873 *LOVE* B.C. Aronson,2010-03-03 True love is like ghosts which everybody talks about and few have seen Francois Duc de La Rochefoucauld Writer To have a good friend is the purest of all God s gifts for it is a love that has no exchange of payment It is not inherited as with a family It is not compelling as with a child And it has no means of physical pleasure as with a mate It is therefore an indescribable bond that brings with it a far deeper devotion than all the others Frances Farmer Actress Whether it s the love we feel for parents significant others or even pets this treasury of quotes and passages offers a wonderfully diverse way to discover the meaning of love Included are thoughts from talented minds such as George Bernard Shaw Anna Quindlen Woody Allen and many more This beautiful hardcover gift book affordably priced at 14 95 is perfect for readers of any age who are in the mood for love
