Simkin,1996 This work is the only comprehensive guide to sequels in English with over 84 000 works by 12 500 authors in 17 000 sequences Drum Kyle Onstott,2025-02-04T00:00:00Z The world of DRUM is a world of brutality lust and miscegenation where chained Negroes are sold like cattle where prize specimens male and female are chosen to work in exotic bordellos and on slave breeding plantations where masters drunk with the power of life and death force their slaves to entertain them with unspeakable acts Mandingo Kyle Onstott,2022-08-01 Set against the harrowing backdrop of antebellum America Kyle Onstott s Mandingo delves into the brutal realities of slavery while exploring the complex interrelations of race power and sexuality Its stark realism is punctuated by Onstott s vivid prose which refuses to shy away from the grotesque truths of its historical context The novel s unflinching depiction of the plantation system and its inhabitants offers a poignant critique of a society built on dehumanization forcing readers to confront uncomfortable truths about America s past and its lingering effects Kyle Onstott an American writer and soldier drew from his own experiences and extensive research into the South s cultural fabric seeking to expose the sinister underbelly of a society obsessed with domination His work is a testament to both his literary ambition and his moral courage as he dares to articulate the unspeakable Onstott s life marked by a deep

engagement with social issues informs his compelling narrative driving him to challenge the status quo and highlight the harrowing plight of the enslaved Mandingo is not merely a novel it is an essential read for those who seek to understand America's socio cultural landscape It challenges readers to confront historical truths making it indispensable for anyone interested in the complexities of race and identity Prepare to be immersed in a disturbing yet enlightening narrative that resonates with profound implications for contemporary society
