Irish Classics Declan Kiberd,2001 A celebration of the tenacious life of the enduring Irish classics this book by one of Irish writing s most eloquent readers offers a brilliant and accessible survey of the greatest works since 1600 in Gaelic and English which together have shaped one of the world s most original literary cultures In the course of his discussion of the great seventeenth and eighteenth century Gaelic poems of dispossession and of later work in that language that refuses to die Declan Kiberd provides vivid and idiomatic translations that bring the Irish texts alive for the English speaking reader Extending from the Irish poets who confronted modernity as a cataclysm and who responded by using traditional forms in novel and radical ways to the great modern practitioners of such paradoxically conservative and revolutionary writing Kiberd s work embraces three sorts of Irish classics those of awesome beauty and internal rigor such as works by the Gaelic bards Yeats Synge Beckett and Joyce those that generate a myth so powerful as to obscure the individual writer and unleash an almost superhuman force such as the Cuchulain story the lament for Art O Laoghaire and even Dracula and those whose power exerts a palpable influence on the course of human action such as Swift s Drapier s Letters the speeches of Edmund Burke or the autobiography of Wolfe Tone The book closes with a moving and daring coda on the Anglo Irish agreement claiming that the seeds of such a settlement were sown in the works of Irish literature A delight to read throughout Irish Classics is a fitting tribute to the works it reads so well and inspires us to read and read again Impreasin na Gaeilge I - Z Seosamh Mac Ionnrachtaigh,2015-06-02 Impreasin na Gaeilge Impressions of the Irish language 2014 is a research book on the sound of the Irish language based on native voices of the Gael from the Gaeltacht itself The book is based on empirical work by two authors from County Clare An tAthair Se irse Mac Cl in based R ilth n ir on the Irish of the Great Blasket Islands R ilth n ir comprised the native Irish of Tom s Criomhthain and the islanders of the Great Blasket Islands prior to 1922 The original title is revised in full with modern additions based on current native Irish 2007 2014 The language planning researcher is Seosamh Mac Ionnrachtaigh from Kilrush West Clare This combined research results in an Irish Irish Dictionary of the Irish language with key explanations in English **The IRA** Tim Pat Coogan,2002-01-05 A comprehensive history of the Irish Republican Army Examines the IRA s origins its foreign links bombing campaigns hunger strikes and sectarian violence and its role in attempts to bring peace to Northern Ireland *The Irish Ecclesiastical Record* ,1927
