launched major investigations into American organized crime and the subterranean economy of The Bahamas Block's access to the private papers of many of the key players in these affairs has given him a unique perspective He has uncovered details of crime corruption and bureaucratic infighting within and among the U S Treasury and Justice Departments that have been largely unrecognized by previous researchers Block shows how important links in the international traffic in cocaine were forged in the Bahamas in full view of American officials Masters of Paradise raises major questions about American law enforcement officials commitment to fighting complex international crime during the 1960s and the 1970s While there have been other studies of tax havens money laundering and offshore investigations Block's access to information and his grasp of its meaning is unique Professionals interested in the history and sociology of organized crime and the underground economy will find this book eye opening General readers interested in organized crime and political corruption will find it absorbing

Mob Mistress James Dubro,1988 **Bessie Perri** Rose Keefe,2020-09-12 Behind every smart man is a smarter woman Rocco Perri was the Al Capone of Canada Without him the American market of alcohol would be a little dry Rocco is frequently cited as the most successful bootlegger of Canada however for one important reason his wife Bessie Perri If Rocco was the King of Bootlegging Bessie was the obvious queen With page turning suspense this gritty book looks at the brains behind Canadian bootlegging and how her cutthroat ways forever changed the landscape of both prohibitions *Wages of Crime* R. T. Naylor,2002 The author asserts that much of what police press politicians and the public understand about international crime is based on myth and misrepresentation *African American Organized Crime* Rufus Schatzberg,Robert J. Kelly,1997 Comprehensive and objective this study argues that organized crime in the United States results from the struggle to attain the elusive American Dream to achieve success at any cost by any means The authors examine the social economic political and cultural conditions that fostered growth of criminal groups and organizations in African American communities from the post Civil War era to the ghettos of today *Canadiana* ,1986 **Iced** Stephen Schneider,2009-12-09 You're lucky he didn't have an ice pick in his hands I know how this guy performs Mobster Paul Volpe speaking about a Buffalo mafia enforcer named Cicci Canada is lauded the world over as a law abiding peaceful country a shining example to all nations Such a view also shared by most Canadians is typically naive and misinformed Throughout its history to present day and beyond Canada has been and will continue to be home to criminals and crime organizations that are brilliant at finding ways to make money a lot of money illegally Iced The Story of Organized Crime in Canada is a remarkable parallel history to the one generally accepted and taught in our schools Organized crime has had a significant impact on the shaping of this country and the lives of its people The most violent and thuggish outlaw motorcycle gangs like Hells Angels have been raised to mythic proportions The families who owned distilleries during Prohibition such as the Bronfmans built vast fortunes that today are vested in corporate holdings The mafia in Montreal created and controlled the largest heroin and cocaine smuggling empire in the world feeding the insatiable appetite of our American neighbours Today

gangs are laying waste the streets of Vancouver and BC bud flows into the U S as the marijuana of choice Organized crime is as old as this nation s founding with pirates ravaging the east coast even as hired guns by colonial governments Since our nation s earliest times government and crime groups have found that collusion can have its mutual benefits Comprehensive informative and entertaining as you will discover in the remarkable period pieces devised by the author and the illustrations commissioned specially for this book Iced is a romp across the nation and across the centuries In these pages you will meet crime groups that are at once sordid and inept yet resourceful entrepreneurs and self proclaimed champions of the underdog who operate in full sight of their communities and the law This is the definitive book on organized crime in Canada and a unique contribution to our understanding of Canadian history *Bowker's Law Books and Serials in Print* ,1986 *Hidden Power* James Cockayne,2017-10-01 An exploration of a world in which states and mafias compete in a market for government and not only states but also some criminal groups make war *Qui Est Qui Au Cinéma Et À la Télévision Au Canada* ,1991

Canadian Books in Print ,1992 *A Research Agenda for Organised Crime* Barry Rider,2023-03-02 This insightful Research Agenda explores the varied manifestations of organised crime both on the street and through transnational enterprises and reveals its impact on the integrity of the financial system Leading academics identify measures which would disrupt and discourage these threats however sophisticated and consider avenues for future research **Money Laundering Control** University of London.
