each Regional Travel Guide is full of exciting new tours and loaded with maps      **Vacationland** William Philpott, 2013-08-30  
Winner of the Western Writers of America 2014 Spur Award for Best Western Nonfiction Contemporary Mention the  
Colorado high country today and vacation imagery springs immediately to mind mountain scenery camping hiking skiing and  
world renowned resorts like Aspen and Vail But not so long ago the high country was isolated and little visited Vacationland  
tells the story of the region's dramatic transformation in the decades after World War II when a loose coalition of tourist  
boosters fashioned alluring images of nature in the high country and a multitude of local state and federal actors built the  
infrastructure for high volume tourism ski mountains stocked trout streams motels resort villages and highway improvements  
that culminated in an entirely new corridor through the Rockies Interstate 70 Vacationland is more than just the tale of one  
tourist region It is a case study of how the consumerism of the postwar years rearranged landscapes and revolutionized  
American environmental attitudes Postwar tourists pioneered new ways of relating to nature forging surprisingly strong  
personal connections to their landscapes of leisure and in many cases reinventing their lifestyles and identities to make  
vacationland their permanent home They sparked not just a population boom in popular tourist destinations like Colorado but  
also a new kind of environmental politics as they demanded protection for the aesthetic and recreational qualities of place  
that promoters had sold them Those demands energized the American environmental movement but also gave it blind spots  
that still plague it today Peopled with colorful characters richly evocative of the Rocky Mountain landscape Vacationland  
forces us to consider how profoundly tourism changed Colorado and America and to grapple with both the potential and the  
problems of our familiar ways of relating to environment nature and place      *Monthly Catalogue, United States Public
