Sullivan** Eugene O'Curry,1873 Translating Myth Ben Pestell,Pietra Palazzolo,Leon Burnett,2016-05-20 Ever since Odysseus heard tales of his own exploits being retold among strangers audiences and readers have been alive to the complications and questions arising from the translation of myth How are myths taken and carried over into new languages new civilizations or new media An international group of scholars is gathered in this volume to present diverse but connected case studies which address the artistic and political implications of the changing condition of myth this most primal and malleable of forms Translation is treated broadly to encompass not only literary translation but also the transfer of myth across cultures and epochs In an age when the spiritual world is in crisis Translating Myth constitutes a timely exploration of myth s endurance and represents a consolidation of the status of myth studies as a

discipline in its own right Nature's Experiments and the Search for Symbolist Form Allison Morehead, 2017-02-27 This provocative study argues that some of the most inventive artwork of the 1890s was strongly influenced by the methods of experimental science and ultimately foreshadowed twentieth century modernist practices Looking at avant garde figures such as Maurice Denis, douard Vuillard, August Strindberg and Edvard Munch Allison Morehead considers the conjunction of art making and experimentalism to illuminate how artists echoed the spirit of an increasingly explorative scientific culture in their work and processes She shows how the concept of nature's experiments, the belief that the study of pathologies led to an understanding of scientific truths above all about the human mind and body, extended from the scientific realm into the world of art underpinning artists' solutions to the problem of symbolist form and provided a ready-made methodology for fin de siècle truth seekers By using experimental methods to transform symbolist theories into visual form, these artists broke from naturalist modes and interrogated concepts such as deformation, automatism, the arabesque and madness to create modern works that were radically and usefully strange Focusing on the scientific, psychological and experimental tactics of symbolism, Nature's Experiments and the Search for Symbolist Form demystifies the avant garde value of experimentation and reveals new and important insights into a foundational period for the development of European modernism An

Unacceptable Death Barbara Seranella, 2013-08-13 One thing about Miranda Mancini that has never changed is the name everyone knows her by: Munch But the child abused by her father and sent into prostitution, the young girl who stole money because she couldn't do without her drugs, the woman who spent awful months in prison, that person no longer exists Instead, Munch Mancini is the surrogate mother of a friend's loving little girl, a woman who can top any male car mechanic's talents with a tool and the unbelievably happy fiancée of police detective Enrique Rico Chacón It's an ordinary life and it's exactly what she wants Everything changes when an early morning call from homicide detective Mace St John, the nearest thing Munch has to a father, brings unbelievably terrible news Rico is dead, having been shot during a drug bust Munch learns that Rico was shot by one of his fellow officers and not by accident This news energizes Munch in a way she wouldn't have believed possible She knows in her head and her heart that Rico could not have been on the wrong side of the drug bust The police department insists that Rico was working with the drug dealers But a pair of special officers with Narcotics have other ideas They ask Munch to go undercover and mix with the suspected dealers They are certain it will prove that Rico was innocent Munch agrees She could easily end up dead herself but if she can clear Rico's name, she will have what she wants That's Munch Mancini **The Northwestern Druggist**, 1925 **Sports Car Market magazine - September 2008**,
