Numbers 21 36:

Numbers 21-36 Baruch A. Levine, 2000 **Numbers 21-36**, 2021 The Book of Numbers is an account of how the Israelites wandered in the wilderness after receiving the Ten Commandments of Mount Sinai Through this time of testing while facing an uncertain future the people complained repeatedly to Moses and to God Though fraught with tension and power struggles their pilgrimage led to the discovery that God is indeed faithful to His promises regardless of how people behave In Numbers 21 36 world renowned Bible scholar Baruch A Levine unravels the complexity and confusing details in this Old Testament book His lucid translation based on thorough textual and linguistic research including the ancient Deir Alla texts opens the door for modern readers to understand and appreciate the richness of this intriguing book Further Levine examines the route of the wilderness wanderings the ancient Near Eastern context of the laws the social organization of early Israel and the meaning of this biblical book for the contemporary world Destined to become a classic and to share the same glowing reception that greeted Numbers 1 20 and its publication Numbers 21 36 also completes the Anchor Bible series first multivolume commentary on a book of the Torah Item Interpretation of the Luria-Nebraska Neuropsychological Battery, 1982-01-01 The Luria Nebraska Neuropsychological Battery is a relatively new neurodiagnostic test and there is a growing demand for material on the more advanced aspects of its interpretation This book organized around the theoretical meaning of items the empirical correlations between items and the factor structure of the individual scales is a first response to that demand It will serve to give greater understanding of the psychological skills that underlie each item on the Luria Nebraska battery an understanding prerequisite to the techniques of syndrome analysis described in the writings of A R Luria and it will be particularly useful to those who have limited experience with actual case material The major part of the book is an analysis of each Luria Nebraska scale either item by item or as a unit For each scale the authors examine the theoretical intent of the items and the underlying skills according to Luria's theory They then present the results of item interrelations analysis to determine whether the items tap common skills Finally they describe the factor structure of the various scales exploring the interrelations of items within each scale In addition to analyzing the behavioral scales of the Luria Nebraska battery the book reviews a number of other empirical scales that further aid interpretation particularly the experimental localization scales that tap focal deficits in specific areas of the brain Also included are case histories that illustrate the process of diagnosis in patients who receive a series of Luria Nebraska batteries over the course of their treatment Finally the authors briefly discuss subcortical disorders an issue often ignored in clinical neuropsychological testing **Balaam in Text and Tradition** Jonathan Miles Robker, 2019-08-19 The figure Balaam has interested exegetes and scribes for millennia Jonathan Miles Robker examines the different versions of the literary character Balaam as attested in biblical and epigraphic literature By contrasting the distinct information about Balaam presented in the various sources the plaster inscription from Dêla Numbers 22 24 31 Deuteronomy 23 Joshua 13 24 Judges 11 Micah 6 and Nehemiah 13 the

author seeks to trace the development of characterizations of Balaam from the oldest available material to the youngest in the Hebrew Bible In this way Jonathan Miles Robker advances discourse about the literary and tradition historical development of the texts that became the Hebrew Bible Beyond the text of the Hebrew Bible he also traces the continued development of Balaam's characterization through the texts of Qumran and the New Testament To this end the author contributes discussions of the history of religion in Antiquity

The House of the Mother Cynthia R. Chapman, 2016-10-25 A novel approach to Israelite kinship arguing that maternal kinship bonds played key social economic and political roles for a son who aspired to inherit his father's household Upending traditional scholarship on patrilineal genealogy Cynthia Chapman draws on twenty years of research to uncover an underappreciated yet socially significant kinship unit in the Bible the house of the mother In households where a man had two or more wives siblings born to the same mother worked to promote and protect one another's interests Revealing the hierarchies of the maternal houses and political divisions within the national house of Israel this book provides us with a nuanced understanding of domestic and political life in ancient Israel

Appealing to God or Man Nicholas J. Campbell, 2025-03-31 Appealing to God or Man Contrasting Barrenness and Family Death Narratives in the Hebrew Bible and Ancient Near East argues for a reevaluation of barrenness type scenes in the Hebrew Bible and ancient Near East More specifically the argument is for a distinction women in family death narratives appeal to men while women in barrenness narratives appeal to God Even the male centric epics of the ancient Near East show that women interact with the divine more during barrenness crises e.g. the wife's prophetic dream in the Etana myth than during family death crises e.g. male divine narratives in Kirta and Aqhat This distinction not only clarifies the narrative tropes but emphasizes the role of women in these crises and intersects with discussions of household roles in the ancient Near East Male and female roles in marriage and fertility drive the responses of characters in these idealized narrative worlds especially in family death and barrenness narratives

What Does God Want of Us Anyway? Mark Dever, 2010-03-09 Originally delivered as sermons by pastor Mark Dever at Capitol Hill Baptist Church in Washington DC these three studies are now available in one hardcover volume Dever guides readers to take a step back and look at the Bible from a broader perspective As we notice new features of an object when viewed from a distance so too the major themes of Scripture become more apparent when we take in the Bible as a whole Part of the IxMarks series this book considers the central messages of the Bible as seen in the promises of God Dever examines the general narrative of God's Word to answer the question What does God want of us anyway Readers looking for a panoramic view of Scripture will be reminded of the faithful persistent love of God and find themselves drawn into a broader but deeper understanding of the maker and keeper of promises

and the Religion of Ancient Israel Susan Ackerman, 2022-02-22 A synthetic reconstruction of women's religious engagement and experiences in preexilic Israel This monumental book examines a wealth of data from the Bible archaeology and ancient Near Eastern texts and iconography to provide a clear comprehensive and compelling analysis of women's religious lives in preexilic times Carol Meyers Duke University Throughout the biblical narrative ancient Israelite religious life is dominated by male actors When women appear they are often seen only on the periphery as tangential accidental or passive participants However despite their absence from the written record they were often deeply involved in religious practice and ritual observance In this new volume Susan Ackerman presents a comprehensive account of ancient Israelite women's religious lives and experiences She examines the various sites of their practice including household shrines regional sanctuaries and national temples the calendar of religious rituals that women observed on a weekly monthly and yearly basis and their special roles in religious settings Drawing on texts archaeology and material culture and documenting the distinctions between Israelite women's experiences and those of their male counterparts Ackerman reconstructs an essential picture of women's lived religion in ancient Israelite culture **Centralizing the Cult** Julia Rhyder, 2019-10-16 Back cover

In this work Julia Rhyder examines the Holiness legislation in Leviticus 17:26 and cultic centralization in the Persian period Rather than presuming centralization as an established norm Leviticus 17:26 forges a distinctive understanding of centralization around a central sanctuary standardized ritual processes and a hegemonic priesthood The Transmission of the Pentateuch Hila Dayfani, 2023-09-05 The volume focuses on variants between the Masoretic Text and the Samaritan Pentateuch prompted by graphic similarities between letters As a phenomenon that occurs during the transmission of ancient texts an in depth study of the linguistic and paleographic background of these variants provides fruitful ground for the exploration of the Pentateuch transmission This volume gathers all the relevant variants from the Masoretic Text and the Samaritan Pentateuch comparing them to further witnesses primarily the Dead Sea Scrolls and the Septuagint Each case is

examined independently through a linguistic analysis of the variants their process of development and an evaluation of which version is preferable when possible It then presents a statistical analysis of the data Moreover the volume offers a paleographic analysis of the interchanging letters in the three relevant scripts Hebrew Jewish and Samaritan script Through this process it determines the script in which the variants have occurred and estimates the chronological framework of the variants This study has implications for the textual history of the Samaritan Pentateuch and more broadly for the distribution of the Pentateuch and the extent of its transmission in the late Second Temple period

God and Gods in the Deuteronomistic History Corrine Carvalho, John McLaughlin, 2024-10-31 Like other constructs in biblical studies the Deuteronomistic History has come under scrutiny in the 21st century The books beginning with Joshua and concluding with 2 Kings were thought to be at their core a unified explication of Israel's demise in Deuteronomistic terms of sin and its consequences Current scholarship views these books as more disparate and influenced by a number of different texts not limited to Deuteronomy *God and Gods in Deuteronomistic History* exemplifies the latest research on these Hebrew Scriptures Each study focuses on the question of how God is disclosed in Israel's history Contributors look at the topic in a single book to bring forth the richness and variety of the Deity's descriptions The results show an array of understandings about the divine figure Yhwh whose titles also include El El the Living and Yhwh God in heaven to name but a few A strength of this volume is the meticulous analysis of Mesopotamian and West Semitic sources expressed both textually and in material culture The biblical writers adopted and adapted these ancient Near Eastern sources to create various pictures of God in the Deuteronomistic History at times mirroring the deities of the so-called idolatrous religions This book brings forth portrayals of Israel's God as well as other regional deities in their continuity and complexity across the Deuteronomistic History

The Liturgy of Creation Michael LeFebvre, 2019-08-06 How were holidays chosen and taught in biblical Israel and what did they have to do with the creation narrative Michael LeFebvre considers the calendars of the Pentateuch arguing that dates were added to Old Testament narratives not as journalistic details but to teach sacred rhythms of labor and worship LeFebvre then applies this insight to the creation week finding that the days of creation also serve a liturgical purpose

How Human is God? Mark S. Smith, 2014 Cardinal Walter Kasper has written It is time it is the right time to speak of God In this book readers are invited to explore the Hebrew Bible and use their God-given ability to work through important questions about God including Why is God so angry in the Bible Is the biblical God male or female or what Who is Satan Why do people suffer By exploring the Bible's answers to these and other biblical questions Smith offers readers encouragement to think from the heart that is intellectual exploration that is touched by the heart and also touches on matters of the heart about the nature of God Readers are further invited to nourish their vision of God in order to better know and serve God and humanity

Portraying Violence in the Hebrew Bible Matthew J. Lynch, 2020-04-30 Most studies on violence in the Hebrew Bible focus on the question of how modern readers should approach the problem But they fail to ask how the Hebrew Bible thinks

about that problem in the first place In this work Matthew J Lynch examines four key ways that writers of the Hebrew Bible conceptualize and critique acts of violence violence as an ecological problem violence as a moral problem violence as a judicial problem violence as a purity problem These four grammars of violence help us interpret crucial biblical texts where violence plays a lead role like Genesis 4 9 Lynch s volume also offers readers ways to examine cultural continuity and the distinctiveness of biblical conceptions of violence *Struggling with God* Mark McEntire,2008 This textbook focuses primarily on the content and structure of the Pentateuch The process which produced the Pentateuch and the long record of its use within Judaism and Christianity are intricate and fascinating stories but it is the final forms of these five books to which we have the most reliable access Discussions of historical and theological issues are included when they serve to illustrate the content and structure of the text After an opening chapter which introduces the major issues in the study of the Pentateuch including a summary of the history of scholarship a full chapter engages each of the five books Attention to literary shape texture and artistry are at the forefront of the discussion while historical and theological discussions are included where they are most informative The book also includes many lists of textual data in each chapter Most of these provide a view of features which serve to connect and draw together the diverse literature of the Pentateuch They are intended to serve as starting points for active textual research in a classroom setting The material in this book is classroom tested and was even developed during successive opportunities to teach courses in the Pentateuch Publisher **Probing the Frontiers of Biblical Studies** Jay Harold Ellens,John T.
