## Nur Mahal:

**Swords from the Desert** Harold Lamb, 2016-05-01 Countless authors have swept us into the exotic east but few based their tales there In a time when westerners still spoke publicly about the white man's burden Harold Lamb was crafting action packed stories featuring Arabs Mongols and Hindus as heroic sympathetic and believable characters men of honor and integrity ready to lay down their lives for their countries and their comrades Assembled in this volume are four novellas and three short stories gleaned from the work of one of the greatest pulp writers Lamb eventually won acclaim and awards for his accurate historical research and was regularly consulted by the State Department for his Middle Eastern expertise but before any of that he drafted these thrilling tales of adventure In *The Shield* Khalil el Khadr reaches storied Constantinople just before it is besieged by a horde of crusaders He must survive the intrigues of his rivals bypass the invading Franks rescue the maiden under his charge and escape with the city's most fabulous horse Journey to sixteenth century India with the brilliant Daril ibn Athir a skilled Arab physician with a sharp wit and a sharper sword that he must wield in three novellas to keep schemers and assassins at bay Three shorter tales of heroes and maidens from desert lands round out this volume a must have for those who thrill to tales of bold deeds and daring exploits *The Great Mogul* Louis Tracy, 1905 *The Great Mogul* Louis Tracy, 2019-12-03 In *The Great Mogul* Louis Tracy intertwines adventure and intrigue against a richly textured backdrop of the Indian subcontinent during the British imperial era The novel deftly combines elements of suspense and romance within a plot that focuses on the quest for a legendary diamond a symbol of wealth and power Tracy's vivid prose and meticulous attention to historical detail transport readers into the opulent yet dangerous world of colonial exploration where protagonists navigate complex social hierarchies and cultural tensions The narrative is characterized by its robust pacing engaging dialogue and a deep sense of place rendering an immersive reading experience Louis Tracy a prolific British author of the early 20th century is known for his ability to weave tales that reflect the tensions and fascinations of his time Having lived through the apex of the British Empire Tracy's works often explore themes of colonialism greed and the moral quandaries faced by individuals in pursuit of fortune His diverse background which included journalism and a keen interest in foreign locales undoubtedly informed the intricate settings and character dynamics of *The Great Mogul* This captivating novel is highly recommended for readers who appreciate historical fiction layered with rich detail and psychological depth Tracy's masterful storytelling creates a compelling narrative that will not only entertain but also provoke thought about the consequences of ambition and the legacies of empire Readers seeking to immerse themselves in a bygone era of adventure and intrigue will find *The Great Mogul* to be an unforgettable literary journey [China. Pacific and Indian Oceans. Australia. India. Central Asia](#) Arthur Mee, 1908 **Red Fort: Remembering the Magnificent Mughals** Debasish Das, 2019-12-16 Today we associate the Red Fort with the view of the Prime Minister proudly unfurling the national flag every year on 15 August on the massive red wall curtain To children and even most of us the Red Fort is only this view that is

broadcast on television It is the ubiquitous image often used in marketing as well Many of us haven't even bothered to go inside the Fort and many including me satisfied ourselves with our photos taken in front of this wall This actually is a later addition erected by Shah Jahan's son Aurangzeb The Red Fort is much more than this red wall and the platform where the prime minister delivers his speech In the book the author attempts to swipe aside the wall and take a deep dive inside the Fort not just the physical structures but how exactly the planning was done to create a truly complex and artistic palace fortress to explore the Mughal way of life with their festivals ceremonies food and clothing amongst other themes The beauty of the fort can only be understood and best appreciated from the string of apartments that once lined the river Yamuna on its opposite side It must have been beautiful indeed to glide down the Yamuna on a boat and appreciate all the buildings that housed the emperor's private quarters Now the river has receded afar but in olden times the various private apartments such as the Rang mahal Khwabgah abode of dreams or the emperor's bed chamber as well as the famous Diwan-e-Khas where the Mughal Emperor sat on the Peacock Throne were lined along the river front There is a reason why the pioneering British historian explorer James Fergusson termed the Red Fort the most magnificent palace in the East It was a creative venture well integrated to a new city and was truly unrivalled with respect to its design as well as functioning The book also highlights that though separated in time by more than three centuries from today we can still visualize how the unsure footsteps which Babur took in Hindustan took shape in the reign of Shah Jahan a connoisseur of art and culture Descending on one side from Genghis Khan and the brutal Tamerlane on the other Babur gained an irreversible entry to India in the plains of Panipat almost unexpectedly by defeating a mammoth army of Ibrahim Lodi in 1526 The Mughals which was the Persian word for Mongols set up an incredible empire in Agra and Delhi to which were born great emperors like Akbar and Shah Jahan Apart from magnificent monuments they also built a truly syncretic culture of shared values encouraged free exchange of knowledge and established rituals customs and festivals that assimilated age-old traditions from east and west Even the Taj Mahal described by Rabindranath Tagore as a teardrop on the face of Time was built as a symbol of love of a king to his departed queen like an reincarnation of Majnun for his Laila so different from the obvious imagery that a barbaric king may evoke in one's mind Similarly the Red Fort of Delhi was the culmination of Mughal soft power With profusely laid flower and fruit bearing char-bagh gardens criss-crossed with streams of water canals it was layered in symbolism that art historians find interesting even after many centuries to discuss elements that give it a sense of freshness even with the mere empty shell of buildings left behind after 1857 As the author says Delhi however lived up to its reputation of slipping through the very fingers of those who attempted to raise a new city here starting with Prithvi Raj Chauhan's Lal Kot Allauddin Khilji's Siri the Tughluq trio's troika of Tughluqabad Jahanpanah Humayun's Dinpanah and later Lutyen's Delhi of the British Shah Jahan's majestic offering to the city of his choice was soon to be destroyed by fate The narrative follows the incidents of 1857 till the British Durbars and highlights that the Fort was not the home of the Mughals only in their prime but also in their

decline and till their very extinction The book seeks to present the lived culture of Mughals in all its multiple facets The book is divided in four parts In Part 1 the focus is on the Imperial court and the court etiquette cultivation of Persian and its enrichment with translations from Sanskrit patronage of Hindu and Jain scholars Part 2 contains detailed accounts of the Red Fort and the symbolism of its architecture the philosophy of jharokha darshan ceremonies games and pastimes the material culture of costumes and jewellery food drink and perfumery The remaining two parts deal with the decline and fall of the Mughal rule and the British Colonial Durbars at the Red Fort The broadly historical narrative is enlivened by various anecdotes

*Royal Mughal Ladies and Their Contributions* Soma Mukherjee, 2001 The present study deals with the royal Mughal ladies in details and is concerned with their achievements and contributions which till today form a part of rich cultural heritage It provides a detailed account of the life and contributions of the royal Mughal ladies from the times of Babar to Aurangzeb s with special emphasis on the most prominent among them
