Santorini Stopping The Leak:

Why Does Literature Matter? Frank B. Farrell, 2018-07-05 Literature matters because it allows for experiences important to the living out of a sophisticated and satisfying human life because other arenas of culture cannot provide them to the same degree and because a relatively small number of texts carry out these functions in so exceptional a manner that we owe it to past and future members of the species to keep such texts alive in our cultural traditions from Chapter One Frank B Farrell defends a rich conception of the space of literature that retains its links to issues of self formation and metaphysics and does not let that space collapse into just another reflection of social space He maintains that recent literary theory has badly misread findings in the philosophy of language and the theory of subjectivity That misreading Farrell says has tended to endorse ways of understanding literature that make one question why it matters at all Farrell here opposes some recent theoretical trends and through a mix of philosophical and literary studies tells us why in his view literature does truly matter Among the writers Farrell discusses are John Ashbery Samuel Beckett Amit Chaudhuri Cormac McCarthy James Merrill Marcel Proust Thomas Pynchon Salman Rushdie W G Sebald and John Updike The philosophers important to his arguments include Donald Davidson Daniel Dennett and Bernard Williams G W F Hegel Martin Heidegger Friedrich Nietzsche and Ludwig Wittgenstein play roles as well Among the literary theorists addressed are Stephen Greenblatt Paul de Man and Marjorie Perloff In addition to his close readings of literary philosophical and critical texts Farrell considers cultural studies and postcolonial studies more generally and speculates on the possible contributions of object relations theory in psychology to the study of literature *The Music of what Happens* Helen Vendler, 1988 This is a collection of previously published book reviews of modern poetry The poets discussed include John Ashbery Donald Davie Allen Ginsberg Seamus Heaney Ted Hughes Sylvia Plath Anne Sexton and Wallace Stevens *This Composite Voice* Mark A. Bauer, 2004-06 First Published in 2003 Routledge is an imprint of Taylor Francis an informa company *James Merrill's Apocalypse* Timothy Materer, 2000 Materer interprets Merrill's body of work from the perspective of his epic *The Changing Light at Sandover* and shows that in his earliest poems and in the volumes preceding *The Changing Light* Merrill repeatedly expressed his fear of nuclear holocaust and his sense that some momentous revelation was near at hand Materer demonstrates how apocalyptic motifs also inspire *Late Settings* *The Inner Room* and *A Scattering of Salts* **BOOK JACKET** [A Whole World](#) James Merrill, 2021-04-06 A NEW YORK TIMES NOTABLE BOOK OF THE YEAR The selected correspondence of the brilliant poet one of the twentieth century's last great letter writers I don't keep a journal not after the first week James Merrill asserted in a letter while on a trip around the world Letters have got to bear all the burden A vivacious correspondent whether abroad where avid curiosity and fond memory frequently took him or at home he wrote eagerly and often to family and lifelong friends American and Greek lovers confidants in literature and art about everything that mattered aesthetics opera and painting housekeeping and cooking the comedy of social life the mysteries of the Ouija board and the spirit world and

psychological and moral dilemmas in funny dashing unrevised missives composed to entertain himself as well as his recipients On a personal nemesis the ambivalence I live with It worries me less and less It becomes the very stuff of my art on a lunch for Wallace Stevens given by Blanche Knopf It had been decided by one and all that nothing but small talk would be allowed on romance in his late fifties I must stop acting like an orphan gobbling cookies in fear of the plate s being taken away on great books they burn us like radium with their decisiveness their terrible understanding of what happens Merrill s daily chronicle of love and loss is unfettered self critical full of good gossip and attuned to the wicked irony the poignant detail a natural extension of the great poet s voice

The Anatomy of Influence Harold Bloom,2011-01-01 In this his most comprehensive and accessible study of influence Bloom leads readers through the labyrinthine paths which link the writers and critics who have informed and inspired him for so many years

American Writers Jay Parini,2004-10 Contains biographical and critical essays on the work of important American writers Presents scholar signed essays prepared by experts in the field

Teaching Beauty in DeLillo, Woolf, and Merrill J. Green-Lewis,M. Soltan,2008-04-14 What happened to beauty How did the university literature classroom turn into a seminar on politics Focusing on such writers as Don DeLillo Virginia Woolf and James Merrill this book examines what has been lost to literature as a discipline and to literary criticism as a practice as a result of efforts to reduce the aesthetic to the ideological Green Lewis and Soltan celebrate the return of beauty as a subject in its own right to literary studies a return all the more urgent given beauty s ability to provide not merely consolation but a sense of order and control in the context of a threatening political world

The Poetics of the Everyday Siobhan Phillips,2010 Wallace Stevens once described the malady of the quotidian lamenting the dull weight of everyday regimen Yet he would later hail that which is always beginning over and over recognizing if not celebrating the possibility of fresh invention Focusing on the poems of Wallace Stevens Robert Frost Elizabeth Bishop and James Merrill Siobhan Phillips positions everyday time as a vital category in modernist aesthetics American literature and poetic theory She eloquently reveals how through particular but related means each of these poets converts the necessity of quotidian experience into an aesthetic and experiential opportunity In Stevens Phillips analyzes the implications of cyclic dualism In Frost she explains the theoretical depth of a habitual middle way In Bishop s work she identifies the attempt to turn recurrent mornings into a ceremony rather than a sentence and in Merrill she shows how cosmic theories rely on daily habits Phillips ultimately demonstrates that a poetics of everyday time contributes not only to a richer understanding of these four writers but also to descriptions of their era estimations of their genre and ongoing reconfigurations of the issues that literature reflects and illuminates

Rethinking Translation Lawrence Venuti,2018-10-25 Originally published in 1992 Rethinking Translation makes the translator s activity more visible by using critical theory It examines the selection of the foreign text and the implementation of translation strategies the

reception of the translated text and the theories of translation offered by philosophers critics and translators themselves The book constitutes a rethinking that is both philosophical and political taking into account social and ideological dimensions as well as questions of language and subjectivity Covering a number of genres and national literatures this collection of essays demonstrates the power wielded by translators in the formation of literary canons and cultural identities and recognises the appropriative and imperialist movements in every act of translation

Selected Poems of James Merrill James Merrill, 2008-10-28 This volume brings together the best of Merrill and dazzles at every turn This balanced and compact selection will be an ideal introduction to his work for both students and general readers and an instant favorite among his familiars James Merrill himself once called his body of work chronicles of love and loss and in twenty books written over four decades he used the details of his own life comic and haunting exotic and domestic to shape a portrait that in turn mirrored the image of our world and our moment Includes poems from the domestic rupture of *The Broken Home* to the universal connections of *Lost in Translation* from the American storyteller of *The Summer People* to the ecologically motivated satirist of *Self Portrait in a Tyvek™ Windbreaker Log* Then when the flame forked like a sudden path I gasped and stumbled and was less Density pulsing upward gauze of ash Dear light along the way to nothingness What could be made of you but light and this

The Consuming Myth Stephen Yenser, 1987 Yenser ranges over all of Merrill's writing to date from a precocious book printed when its author was fifteen to his most recent publication a verse play He writes about both of the poet's novels and pays particular attention to the epic poem *The Changing Light at Sandover*

James Merrill Reena Sastri, 2013-01-11 James Merrill *Knowing Innocence* reevaluates the achievement of this important poet by showing how he takes up an old paradigm innocence and reinvents it in response to new historical scientific and cultural developments including the bomb contemporary cosmology and the question of agency The book covers Merrill's full career emphasizing the late poetry on which there remains little commentary Illuminating both Merrill's relation to a tradition of literary innocence from Milton to Blake and Wordsworth to Emerson and Stevens and his relevance to contemporary cultural debates the rubric of knowing innocence helps us to understand his achievement Merrill undertakes a career long effort to know innocence and develops a thematic and stylistic attitude that is both innocent and knowing combining attitudes of wonder and hope with reflexive wit intellectual breadth and an unflinching gaze at mortality He ultimately imagines innocence as creative agency a capacity for imagination invention and ethical responsibility The book demonstrates how addressing questions of sexual identity childhood and memory atomic science the big bang and black holes environmental degradation AIDS and the notion of the death of history while honoring poetry's essential qualities of freedom and play his poems perform cultural work crucial to his time and ours

The New Republic Herbert David Croly, 1985 *James Merrill* Langdon Hammer, 2015 A biography of the acclaimed poet James Merrill
