*The War on Sex* Chad Denton, 2014-11-19 From earliest times sex has fascinated and repulsed society in equal measure In an effort to untangle Western society's complex relationship with the realities of sex this provocative volume explores the ways in which governments religious leaders and cultures in Europe tried to regulate sex and sexuality throughout history From the sacred texts of ancient Israel to the slums of 19th century Britain this book explores political legal and cultural controls on consensual sex and the individuals and movements that resisted them Topics range from prostitution and homosexuality to marriage contraception and abortion While traditional narrative holds that Europe alternated between sexual freedom and oppression through the Victorian age this work reveals that the real story of how sex was regulated and how people defied regulation is not so clear cut

From Head to Hand David Levi Strauss, 2010-02-11 In his third book Strauss delves into the mysterious process whereby an idea is born in the mind and materialized through the hand in the expression of an artwork How exactly does this happen It's a question so basic an act so fundamental to art making that it has rarely received attention It makes an ideal topic for Strauss a writer with an exceptional ability to animate art's philosophical dimensions in a clear persuasive manner During this time when craft and the direct manipulation of materials by the artist appear to be in eclipse Strauss comes to their defense in a spirited *cri de coeur* Featuring over 35 illustrations the book examines a wide variety of media and individual examples It explores the works of sculptors Martin Puryear Ursula von Rydingsvard and Donald Lipski painters Leon Golub and Ron Gorchov and writers Robert Duncan Robert Kelly Guy Davenport John Berger and Leo Steinberg In addition there are essays on Joseph Beuys's 7000 Oaks in Ireland contemporary Haida carvers Reg Davidson and Jim Hart Cecilia Vicuña's memory of the fingers and the influence of curators Harald Szeemann and Walter Hopps on the staging of contemporary art exhibitions Known primarily for his writings on photography and politics Strauss here focuses on the least mediated arts painting sculpture and

writing His claims are supported by a series of close readings which succeed in recovering the immediacy of the hand and revitalizing contemporary art's connection to the past *Catullus* Aubrey Burl, 2010-02-15 Catullus tells the story of the poet Gaius Valerius Catullus and his awe inspiring poetry set against the background of years of unrest violence and death in ancient Rome *Doing Ethnography* Charlene Elizabeth Miall, Dorothy Pawluch, William Shaffir, 2005 *Doing Ethnography* is an essential text for courses in ethnography research methods qualitative emphasis applied sociology and related subjects across Canada This unique volume first considers the merits of qualitative research profiles interviewing strategies and discusses the relationships to respondents and how to write about social life The second portion of *Doing Ethnography* contains three sections constructing perspectives constructing identities as well as doing and relating Case studies and original research are featured throughout The editors Dorothy Pawluch William Shaffir and Charlene Miall emphasize the importance of studying social interaction In truth any question about society big or small is ultimately about people interacting with each other Whether the issue is changing gender relationships corporate deeds and misdeeds class structures or the school performance of children from cultural minorities it all comes down to one thing people doing things together *Synopsis: An Annual Index of Greek Studies, 1993, 3* Andrew D. McLane, 2014-07-01 A thrillingly original exploration of a life lived under poetry's uniquely seductive spell Oh there are spirits of the air wrote Percy Bysshe Shelley In this stunningly original book Maureen N McLane channels the spirits and voices that make up the music in one poet's mind Weaving

criticism and memoir *My Poets* explores a life reading and a life read McLane invokes in *My Poets* not necessarily the best poets nor the most important poets whoever these might be but those writers who in possessing her made her I am marking here what most marked me she writes Ranging from Chaucer to H D to William Carlos Williams to Louise Gl ck to Shelley among others McLane tracks the growth of a poet s mind as Wordsworth put it in *The Prelude* In a poetical prose both probing and incantatory McLane has written a radical book of experimental criticism Susan Sontag called for an erotics of interpretation this is it Part Bildung part dithyramb part exegesis *My Poets* extends an implicit invitation to you dear reader to consider who your my poets or my novelists or my filmmakers or my pop stars might be Women Poets of Spain, 1860-1990 John Chapman Wilcox,1997 This is the first volume in English or Spanish to analyze the work of the principal women poets of Modern Spain In it John Wilcox draws on recent feminist critical theory and shows how Spanish poetry by women is not just a modern phenomenon but an ignored tradition whose roots reach back to the very beginnings of poetry of the Iberian Peninsula *Work to Be Done* Bruce Whiteman,2024-03-12 Essays and critical writing drawn from a wide ranging fifty year career in letters Drawn from a body of essays and reviews written over the course of nearly fty years *Work to Be Done* showcases both the depth and breadth of Bruce Whiteman s critical work Widely published across Canada and the United States Whiteman is an accomplished poet translator and scholar and his broad interests have never been limited to any one subject area He moves between classical and contemporary literature and music book and literary history shifting seamlessly from the close reading of a poem to the consideration of the life and oeuvre of an artist In these thirty four selected essays Whiteman demonstrates the cohesion of his varied body of work which ranges from essays on such poets as Sappho Goethe Samuel Beckett P K Page Leonard Cohen and Philip Larkin to insightful readings of the biographers and translators of such great writers as Ezra Pound and Marcel Proust *Work to Be Done* is an erudite and eclectic tour of Whiteman s nest critical investigations *Roman Receptions of Sappho* Thea S. Thorsen,Stephen Harrison,2018-12-17 Sappho a towering figure in Western culture is an exemplary case in the history of classical receptions There are three prominent reasons for this Firstly Sappho is associated with some of the earliest poetry in the classical tradition which makes her reception history one of the longest we know of Furthermore Sappho s poetry promotes ideologically challenging concepts such as female authority and homoeroticism which have prompted very conspicuous interpretative strategies to deal with issues of gender and sexuality revealing the values of the societies that have received her works through time Finally Sappho s legacy has been very well explored from the perspective of reception studies important investigations have been made into responses both to her as poet figure and to her poetry from her earliest reception through to our own time However one of the few eras in Sappho s longstanding reception history that has not been systematically explored before this volume is the Roman period The omission is a paradox *Receptions of Sappho* can be traced in more than eighteen Roman poets among them many of the most central authors in the history of Latin literature Surely few other Greek poets can rival

the impact of Sappho at Rome This important fact calls out for a systematic approach to Sappho's Roman reception which is the aim of *Roman Receptions of Sappho* that focuses on the poetry of the central period of Roman literary history from the time of Lucretius to that of Martial
